

ABM Approval Form  
 Accelerated **Bachelors/Master's**  
 (Dual Undergraduate/Graduate Level Credit)

Office of the Registrar  
 003 Wilder Tower  
 (901) 678-2810

This form replaces the previous 'Accelerated BA/MA Degree Program' form and is to be submitted to the Registrar's Office PRIOR to registering for the Graduate Level course(s). Beginning Fall 2019, qualifying students are allowed to complete up to 12 credit hours of GR Level coursework before receiving their Undergraduate Baccalaureate Degree.

Once accepted into the ABM Program, the student will be issued an ABM permit, allowing them to register for the approved Graduate Level coursework. In addition, the Undergraduate equivalent will be reflected on the student's transcript as 'in progress' awaiting completion of the Graduate Level course. Upon completion, standard grades and credit hours will be applied to the Graduate Level, with a grade of 'S' (Satisfactory) or 'U' (Unsatisfactory) applied to the Undergraduate level, reflecting credit hours only.

Approval into the ABM program does not guarantee acceptance into Graduate School. Once the student completes the Undergraduate Degree, the student must make formal application to the Graduate School for degree seeking status as well as the department (if applicable).
