

# GRADUATE HERFF FELLOWSHIP APPLICATION

## HERFF COLLEGE OF ENGINEERING

Application Deadline is March 1

**DESCRIPTION:** The Herff Fellowship provides financial support to outstanding Ph.D. students in the Herff College of Engineering. The typical stipend is \$11,500 per semester for Fall and Spring semesters and may be augmented by a tuition waiver and summer support at each department's discretion. The fellowship is awarded for a maximum of 5 semesters (excluding summers). Applications are reviewed by a committee consisting of the graduate coordinators from the eligible departments within the college. Awards are granted to highly qualified applicants consistent with Herff College goals.

**DEADLINE:** Applications and letters of recommendation are to be emailed to [herffgradfellowapps@memphis.edu](mailto:herffgradfellowapps@memphis.edu) or mailed to the Director of Graduate Programs, Herff College of Engineering, Engineering Administration 201, University of Memphis, Memphis, TN 38152 and received no later than March 1 in order to be considered for the following academic year. The notification process will begin in late March or early April.

**EXPECTATIONS:** Candidates should define their research interests and identify their potential faculty advisor when applying for a Fellowship. International recipients must be present on campus two weeks before the start of classes to finalize the award. Domestic recipients must be present on campus one week before the start of classes to finalize the award. Recipients who miss these deadlines may forfeit the award for that semester and possibly the academic year. Specific duties of the student will be assigned by the Department Chairs in consultation with Herff College Administration and may include tutoring engineering students or laboratory instruction.

**LETTERS OF RECOMMENDATION:** Two or more letters of recommendation are to be submitted using the following email [herffgradfellowapps@memphis.edu](mailto:herffgradfellowapps@memphis.edu). Students who have already applied for admission may use the same letters they submitted for admission.

**CRITERIA FOR AWARDING FELLOWSHIPS:** A successful candidate must:

- Be admitted to a doctoral program in the Herff College of Engineering;
- Identify a faculty advisor and research interest for their graduate studies at The University of Memphis;
- Possess appropriate oral and written communication skills as evidenced by test scores and publications;
- Demonstrate potential for success in the graduate program and the engineering profession through past honors/awards, test scores, leadership roles, publications and professional experience.
