

# Church Health

care for one another

Founded in 1987, Church Health is a charitably-funded, faith-based not-for-profit that provides comprehensive, high-quality, affordable healthcare to working uninsured people and their families and gives people tools to live healthier lives. With the generous support of volunteer providers, the faith community, donors and community partners, we work tirelessly to improve health and well-being so that people can experience the full richness of life.

In FY18, Church Health had **54,622** patient encounters. This is an increase of 17% over the previous year.

## Clinical

Church Health delivers patient-centered primary and specialty healthcare to working uninsured people and their families. Patients pay fees on a sliding scale based on their income and are supported by Church Health staff providers and our large network of volunteer providers, hospitals and labs across Shelby County.

### Dental

Church Health Dental provides high-quality comprehensive care, from cleanings to oral surgery to complete dental reconstruction.

### Eye Care

In partnership with the Southern College of Optometry, Church Health is home to one of the only community eye clinics in Shelby County, Tennessee.

### Behavioral Health

Church Health staff and a network of volunteer professionals provide support for depression, anxiety, stress, grief, addiction and family conflict.

### Physical Therapy

Our Physical Therapy team works with patients who have encountered pain and limited mobility due to chronic disease, injury, stroke and much more.

Our Dental Clinic sees more than **400** patients per week and performs more than **3,000** procedures each month.

[ChurchHealth.org/Give](https://ChurchHealth.org/Give)

More than **85%** of Church Health patients live at or below the federal poverty level. That is a family income of below \$12,000 per year.

### Nutrition

Church Health provides classes, workshops and activities for patients, healthcare students and professionals and the community at-large in our world-class Nutrition Hub.

**485**

Participants in the Nutrition Hub Programs per month.

### The Well

Home to Church Health's prevention and wellness programs for children ages 6 weeks to 12 years old and their families, The Well offers dynamic research-based programming focused on physical activity, nutrition, body image, self-esteem, safety and violence prevention.

**763**

Children served in The Well each month

### Church Health Medical Residency

In partnership with Baptist Memorial Health Care Family Medicine Program, Church Health serves as a foundation for new doctors by offering training, curricula and physician role models.

**12**

Family Medicine Residents are now trained in Church Health's model of integrated care

### MEMPHIS Plan

For more than 20 years, Church Health has offered the MEMPHIS Plan, a healthcare plan for small businesses and self-employed people that relies on donated services from our robust clinical volunteer base. This affordable plan gives members access to primary care, hospitals, diagnostic services and specialists.

**1,000+**

Healthcare professionals volunteering in a 24 month period of time

**Church Health**  
care for one another

### Faith and Health

Church Health provides extensive health ministry training and guidance to clergy and lay leaders throughout the world.
