I have discussed the leave request with my supervisor and/or department head. I understand that I will not accrue any type of leave during any month which more than one-half is spent in a leave without pay status. I understand that while I am on a leave of absence, I am responsible for **paying the employee portion of my health insurance and any optional insurance that I have**. Should I go off the payroll for one full calendar month (leave without pay), I **will also be responsible for paying the employer portion of the health insurance**. If I elect to continue my insurance during this period of leave of absence, I understand that I must submit premium payments for my benefits by the 15th of each month to Human Resources. If I choose to suspend my insurance during my leave, I understand that I must submit a Request to Suspend Coverage and upon my return to work, I must complete an Enrollment form to reinstate my coverage.
