** This course can **only** be taken after **all** other SLIS content courses have been successfully completed and after passing the Praxis 5311 exam. Contact the [Office of Clinical Practice](#) for additional info.

To obtain the Master of Science degree in Instruction and Curriculum in this program, you must complete 30 hours comprised of the core content area courses (above), and the ICL and EDPR courses listed below:

Program of Study to Complete the ICL Master of Science Degree

Subject	Number	Course Title	Course Hours	Semester	Grade
ICL	7059	Models of Instruction †	3		
EDPR	7521	Introduction to Educational Research †	3		
ICL	7992	Master's Project (Action Research) ††	3		

† ICL 7059 & EDPR 7521 must be taken **prior** to the ICL 7992 Master's Project course

†† ICL 7992 must be taken the semester in which you will graduate and is the **only** course that can be taken in conjunction with ICL 7800.

All courses listed above are offered online as UM Online courses; students should register for the M50 course sections as those are reserved for the online program and most require permits from the instructor.
