Choosing Transportation: Attracting Women to the Profession

A national conference focused on improving efforts to attract, retain, and advance a diverse transportation workforce.

Thursday, March 19, 2015
FedEx Institute of Technology at the U of M
365 Innovation Drive • Memphis, TN 38152

This conference will include panel discussions and breakout sessions relevant to major workforce initiatives for two tracks: transportation professionals and high school students interested in the profession.

Time: 9 AM – 2 PM

Agenda: Visit www.memphis.edu/setwc for the conference agenda and other information.

Conference Tickets: \$25—attend both events for \$60!
