Hub Tour Facility Address

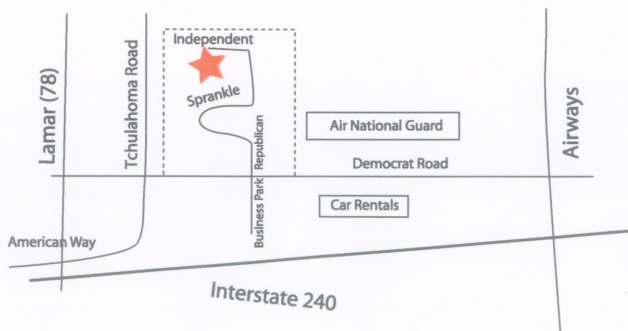

Greenway Building:

3040 Independent Rd., Memphis, TN 38118

(Online mapping programs are unable to properly map our property. Please use the maps provided inside the hub.)

Driving Directions

- Take 1/240 to Airways South (Airport Exit) remain on Airways to Democrat (left turn)
- Travel east on Democrat, past the rental car agencies and the FedEx Employee parking lot and past the Air National Guard
- Take a right on Republican at the traffic light
- Go to the Security gate for access to the private lot (Republican Road becomes Independent Road)
- Follow the road around the corner. There are many curves. You will be driving around a large fenced in area that contains trucks and driveways. You go past the main Hub entrance on Sprankle. You are looking for the Greenway Building on the left. It has big glass windows through which you can see an airplane. You can either park in front of the building (one hour parking slots are fine) or go back a little and use the vendor parking lot right before it.
- Enter the Greenway building and look at the airplane or help yourself to the vending machines. When the tours are ready to begin, your guide will find you.
