

# Online Module

## **World History: The Enlightenment, French Revolution and the Rise of Napoleon**

This module covers aspects of The Enlightenment, The French Revolution, and the Rise of Napoleon; it is not meant to be an exhaustive resource for European history. The purpose is to provide the teacher with additional resource for teaching 18<sup>th</sup> century World History. Teachers should use this content module's resources in any way that will be most beneficial to the teachers' classroom needs.
