

INDIUM

Institute of Nanomaterials Development and Innovation University of Memphis

MATERIALS DAY 2024

FRIDAY, OCT. 18

University of Memphis | Methodist Presentation Theater | FedEx Institute of Technology

Explore the materials that impact your world. Everything around us – clothes, computers, vehicles, materials that improve our health – is made of material stuff.

You Can Expect:

- Invited Speakers
- Interaction with Academic Researchers
- Interaction with Industry Professionals
- Breakout Sessions
- Oral Presentations
- Poster Presentations
