

Downloading a Recording From a Zoom Meeting*

* All Zoom cloud recordings will automatically be deleted after 31 days.

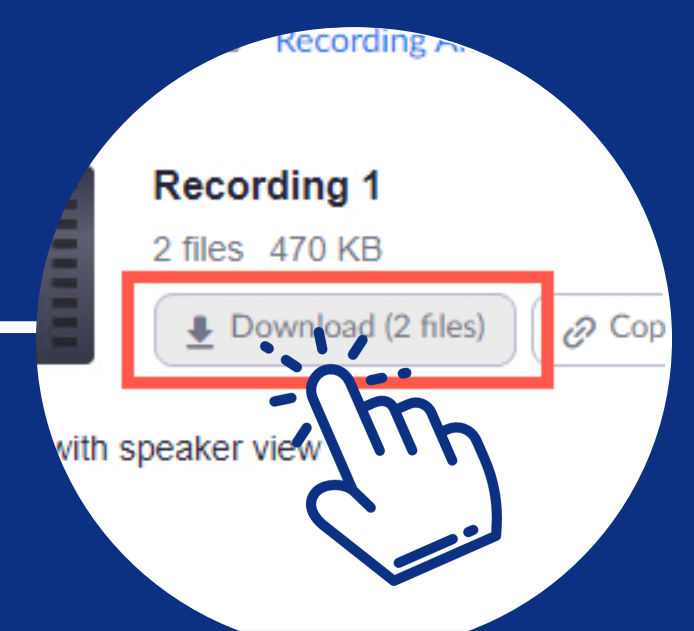

Sign into Zoom
Web Version.
<https://memphis.zoom.us/>

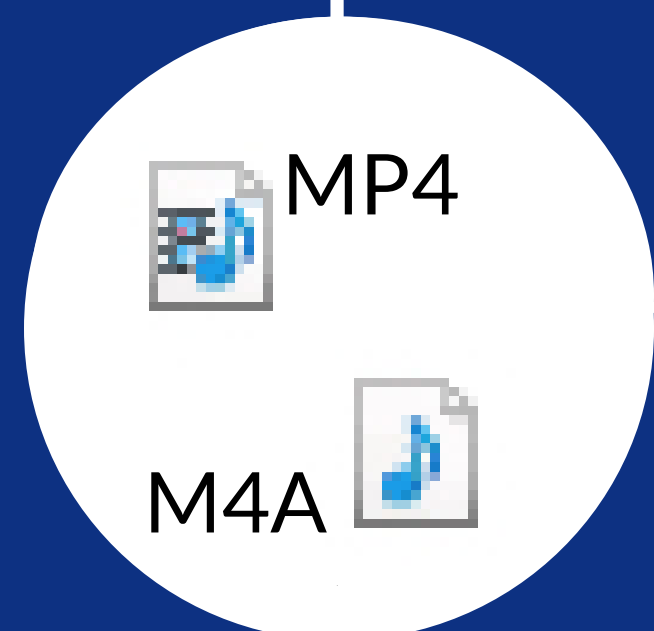

Select
Recordings.

Select your
Cloud Recordings.

Click,
Download 2 files.

Your system will
download 2 files an
MP4 (audio/video), and
an M4A audio only.

Upload into a video player
like Ensemble to distribute,
or share your recording.

You have successfully
downloaded your
Zoom Recording!
