Pledge Agreement

Pledge *

I have received the Pro Bono Handbook and agree to abide by it. I understand I must complete 40 hours of supervised, law-related service to graduate. I understand that such services will be (1) not for academic credit or compensation and (2) for the benefit of persons of limited means or for organizations which are non-profit and charitable, civic, governmental, or educational in nature. I further understand that I must report my hours in Symplicity from each placement for my hours to count toward the 40 hour requirement. If I decide to serve in a placement that is not listed on the pre-approved list, I must get pre-approval in for my hours to count. I understand I must accurately and honestly record my time. I understand the Pro Bono Coordinator will conduct checks of the information recorded. I am aware any false statements made regarding pro bono work will be reported to the Honor Council and the Dean of Academic Affairs. By accepting the pledge, I acknowledge that I have received and read the Pro Bono Handbook and will abide by its terms.

Total Hours *

Supervisor Name *

Supervisor Email *

To add your hours, first report the dates you have worked or will work at the Organization you indicated. For example, if you plan to work with the Public Defender's Office for an entire semester, you should put the first day of your work in the Start Date field and the last day of the semester in the End Date field. Next, click Add Hours. To add hours, you will choose a specific date that you worked and how many hours you worked that day. You can return to this same reporting form each day you work and add more hours. The Total Hours field will add the hours automatically. If you only worked one day, you should put the same Start and End dates and the same date in the Add Hours section.
