HOLDS & ALTERNATE PIN

- Students are strongly encouraged to check for holds on their account and their registration status. If the student has a hold on their account, the student will not be able to register. Students can check their status in the *myMemphis* under their My Resources tab. Under the My Resources tab, select Registration and Records along the left side of page. Then, click the “Prepare for Registration” link under the Online Registration heading (at the top of the page). Under “What would you like to do?”, select “Prepare for Registration” link to find anything that would prevent them from registering.
- If a student requires assistance to clear a financial hold, they should [contact University and Student Business Services](#) office on main campus. Unfortunately, the Law Registrar’s office cannot clear holds.
- The need for an Alternate PIN will prevent a student from registering. Students can check under Registration and Records under their Student tab. If an Alternate PIN is required, email the [Law School Registrar](#) **prior to the registration period**. You may need a PIN if you,
 - (a) have needed an “Alternate PIN” cleared to enroll in prior semesters,
 - (b) are registered with Disability Resources Services,
 - (c) are pursuing a JD/MBA or JD/MA degree, or
 - (d) are registered with Veteran Services.

REGISTRATION INFORMATION

HOW TO REGISTER

There is a new process for registering for classes. Students should review the [instructions for how to register for courses](#). The CRNs (Course Registration Numbers) the system may request are listed on the Course Schedule located on the Law School's [website](#). If you need any assistance, please contact LawRegistrar@memphis.edu.

PREREQUISITES

Students are responsible for checking for and complying with course prerequisites. MyMemphis may not prevent a student from registering for the course. Check the [Course Catalog](#) prior to enrolling in any course. Students will be dropped from a course if they have not met the required prerequisites.

EXAM SCHEDULE

There will be no exams for Summer 2025 course offerings. For Fall 2025 exams, a student may not enroll in courses that have conflicting examination schedules, unless [approval is obtained](#) from the Associate Dean of Academic Affairs **prior to enrolling**. Please refer to the Fall 2025 [Exam Schedule](#) when making course selections.

WAITLISTS

Students who are unable to enroll in a course are encouraged to add themselves to a waitlist. Students on a waitlist will receive an email if a space becomes available. Students can add and remove themselves from waitlists at the same place where they register and make schedule changes in the *myMemphis* portal. [Check here](#) to learn more about waitlisting. **While on a waitlist, students are strongly encouraged to check their email daily. Students have only 24 hours to enroll after being notified of an opening in a course. After the 24 hours expires, the open seat will be offered to the next student on the waitlist. No reminder emails will be sent.**

PRIORITY ENROLLMENT*

There is a priority registration structure in place for registration that is based on attempted hours. **CURRENT SEMESTER HOURS ARE NOT INCLUDED IN ATTEMPTED HOURS**. More information is provided below. Questions about your priority status should be directed to the [Law School's Registrar Office](#).

- 1) Veterans or Active-Duty Military AND Dual/Joint Degree Courses may begin to register Monday, May 12 at 7:00 a.m.**
 - a. State law authorizes priority registration for Veterans. If a student is a Veteran, but are not claiming VA Educational Benefits, and are not registered with the Veterans Educational Benefits & Certification Office on campus, the student will need to provide them with a copy of their DD-214 so their student account can be coded for early registration. [Contact](#) the Veterans Education Benefits and Certification office for more information.

- b. Students enrolled in a dual or joint degree program must [contact the Law Registrar's Office](#) to have this registration priority changed the morning of **Monday, May 12**. The change lasts for one hour, so the student should be ready to register when making their request.
- 2) Students who have attempted **43 or more credit hours** at the time of registration will be allowed to register on **Tuesday, May 13, at NOON**.¹
 - 3) Students who have attempted **15-42 credit hours** at the time of registration will be allowed to register on **Wednesday, May 14, at NOON**.¹
 - 4) Students who have attempted **0-14 credit hours** at the time of registration will be allowed to register on **Thursday, May 15, at NOON**.¹

Taking less than 12 credit hours may affect the amount of a student's financial aid. [Contact the Financial Aid office with questions](#).
