

Using Virtual EMS

The Cecil C. Humphreys School of Law now has access to the Virtual EMS tool to view events and request spaces through the web. This tool is available to all Memphis Law faculty, staff, and students. Requests made through this system will go to [Maria Fuhrmann](#) for approval. The EMS calendar can be found using the link below, and also on the [On Legal Grounds Information Page](#) and on the bottom left side of the [Law School homepage](#).

Logging In

Using your browser, go [Home / EMS](#) and enter your University of Memphis user ID and password on the login screen, and then click “Sign In”.

PLEASE NOTE: YOU MUST MAKE RESERVATIONS USING THE BROWSER ON YOUR DESKTOP. VEMS doesn't work properly in a mobile browser.

HOW TO SCHEDULE AN EVENT USING THE VIRTUAL EMS WEB TOOL

Virtual EMS (vEMS) is used to request event space at the University of Memphis School of Law by internal clients. It is accessible to all Memphis Law faculty, staff, and students.

1. Navigate to [Home / EMS](#). **Note that vEMS is not compatible with Mozilla/Firefox.** Under the My Home tab, sign in with your Memphis username and password.
2. Click **Create a Reservation** on the left panel. Then, click **“book now”** on the right.
3. Start with the **“Date & Time”** section:
 - a. Under “Date,” click the calendar to select a single date for your event. **Next, enter the event start and end time.** It is important that the actual start and end time is entered. EMS will automatically include at least one hour for setup and teardown.
 - b. Next to “Locations,” click Add/Remove and select the **"Cecil C. Humphreys School of Law."** This should appear as your selected location.
