

# CHECK OUT THE LATEST OPPORTUNITY!

## FROM THE WEST TENNESSEE STEM HUB

### Ready to serve as a West Tennessee STEM Hub Ambassador?

If you are an undergraduate STEM major at the University of Memphis interested in supporting K-12 schools, then this is an extraordinary paid opportunity for you! As an Ambassador you will work with K-12 students and teachers to increase STEM opportunities and support STEM academic programs within Jackson-area schools.

STEM Ambassadors are assigned to a school so that their strengths meet the individual needs of each school. Ambassadors serve in numerous capacities, *including*: math tutors, STEM competition coaches, after school activity coordinators, STEM club liaisons, and STEM lab instructors.

### How to Apply:

Fill out this application: <https://bit.ly/2VQMmGI>. Those selected will be paid \$12.50/hour, typically 5-10 hours per week, including a one-hour mandatory training session each month to further develop leadership and communication skills.
