

THE CREWS CENTER &

ENTREPRENEURSHIP

MINOR

WHAT'S THE BIG IDEA?

MAYBE IT'S YOURS

Already have a gig and seeking expertise to help take it to the next level? Got a BIG IDEA and want to learn the language of startups? The Crews Center is here for you! You can also consider adding our Entrepreneurship minor to your curriculum and expand your career opportunities.

THE CREWS CENTER

The Crews Center is a unique resource available for UofM students and faculty, regardless of college or major, with a deep dive into being an entrepreneur.

Get immersed in a high-energy atmosphere at this cutting-edge facility which can serve as the launchpad to create your next new enterprise. Here, you may enhance your classroom experience in a place that links campus and community, providing you with mentorship, networking and space to transform your ideas into a business.

CREWS FACILITY AMENITIES

Office and Co-Working Space | Fully equipped with computers, whiteboards and projectors.

Conference Room | The perfect place for presentations, interviews, client pitches or training for your company.

Breakout Room | Space for students to engage in collaborative and cooperative small groups.

CREWS ENTREPRENEUR PROGRAMS

We offer programs that make it easy for you to get involved, build your experience and professional development, and make sure you connect with the brightest (and coolest) minds on campus. Whether you're already an entrepreneur or don't know what an entrepreneur is, we are the resource to launch your idea or get the mentorship you need to succeed.

Programs include:

- Catalyst Seed Fund
- ImagineU
- Tiger Tank
- Venture Development

ENTREPRENEURSHIP

MINOR

Calling all innovators, out-of-the-box thinkers, creative spirits and risk-takers! The Fogelman College of Business & Economics (FCBE) has tailored a program just for you, the Entrepreneurship minor. Aspiring entrepreneurs in business, arts, sciences, social media, communications, technology and management can tap into their entrepreneurial spirit here. We cultivate bright minds to turn ideas into a viable venture.

OUR PROGRAM

The FCBE Entrepreneurship minor, offered through the Department of Management, provides strategies and real-world case study evaluations to help you through all stages of a startup. You'll learn about the risks and rewards of entrepreneurship from successful startup founders and experienced mentors.

JUST FOR YOU

You can tailor the FCBE Entrepreneurship minor to best suit your major in any department, business or non-business college at the University of Memphis. Choose a course that is relevant to both your business idea and your major.

COURSE SEQUENCE	
UNIV 2555	Introduction to Creativity, Innovation and Design
MGMT 2820	Introduction to Entrepreneurship
MGMT 4921 or UNIV 4110	Internship in Entrepreneurship
MGMT 4920	Independent Study/Management Problems
MGMT 4820	Entrepreneurship (Capstone Course)
ELECTIVE	(3 credits)
