- High School Graduation Rate: 38.8% – 92.9% across all ZIPs
 - In ZIP 38127, only 1 in 10 adults holds a bachelor's degree

KEY INSIGHTS

Across these 12 Memphis ZIP codes, the data reveals a community with real strengths and real gaps living side by side. Quality of life scores above the national average, and violent crime is declining. However, there is also a 1-in-3 poverty rate in some ZIP codes, a \$60,000 income divide between zip codes, and a third grade reading proficiency as low as 16%
