UNIVERSITY OF MEMPHIS VALUES
Accountability
Collaboration
Diversity and Inclusion

Student Success

UNIVERSITY SCHOOLS MISSION
The mission of University Schools is to provide the children of our community with educational experiences that enhance their development from birth to graduation and promote dynamic research, collaborative partnerships and innovative practices.

UNIVERSITY MIDDLE VISION
To transcend the barriers of traditional education for every student, regardless of background and personal destination, University Middle will challenge students to attain their fullest potential through critical thinking in collaborative environments for creative outcomes.

UNIVERSITY MIDDLE MISSION
Our mission is to prepare a diverse body of students through project-based learning to be culturally competent, intellectually inquisitive, and emotionally intelligent leaders and learners.

Our school will foster a culture of engagement with university researchers, local industry, and community partners to create innovative and relevant learning experiences.

Our students will be engaged citizens and collaborative problem solvers who will contribute meaningfully to our local, state, and global communities.

Our faculty will employ research-based instructional innovations, share their research for the benefit of educators everywhere, and be prepared to adapt to our dynamic world.
UNIVERSITY MIDDLE TEACHER COMMITMENTS

- Through engaging strategies, teachers will unlock creativity and make learning accessible to all and limitless in scope.

- Teachers will be lifelong learners, who are continually exploring new and innovative possibilities, implementing creative ideas, and sharing their learning with colleagues to elevate their practices.

- Teachers are research-driven, constantly seeking to discover, develop and implement best practices that can be shared with colleagues and the education community.

- Teachers open doors for a diverse student body by providing access to exceptional resources, fostering professional and scholarly connections, training for future careers and citizenship, and compelling coursework that students approach through a project-based framework.

- Teachers will establish and continually develop meaningful relationships with community and University of Memphis partners to fully utilize their expertise, assets, and resources.

- Teachers build secure and nurturing classroom environments that protect the rights of all students and where students feel safe to ask confident questions, grow through mistakes and revisions, and push themselves to become reflective in their learning.

- Teachers will provide ample opportunities for student choice, self-advocacy, and authentic learning.
Project-Based Learning (PBL): Our students will engage in active experimentation and hands-on learning in all areas of the curriculum. They will be encouraged to immerse themselves into coursework through questions and problems that inspire them. Projects will focus on concrete outcomes, and will involve regular interdisciplinary work in weekly STEM and Humanities content. And while our students will have access to a wide range of in-house design spaces and technology, learning will regularly move beyond the walls of the school.

The goal of “Explore” is to break the boundaries of the school walls: to get students out into the world to learn, and get some of the world into the school to teach them.

ADMISSIONS POLICY

University Middle seeks a diverse student body from across Shelby County, reflecting the racial, ethnic, socio-economic, geographic, and learning-style differences evident throughout our vibrant community. Admission is open to all residents zoned to a Shelby County School.

- Except as explained below, there are two qualifications required for admission: satisfactory attendance and satisfactory conduct.
- Satisfactory Attendance: A student with fewer than 15 combined unexcused absences and tardies or early dismissals in the prior school year will satisfy the attendance requirement.
- Satisfactory Conduct: Satisfactory conduct requires that a student received no conduct grade below Satisfactory in the preceding year.
- Preceding year is defined as calendar year (January to December). Final attendance and conduct records are required to confirm admission in June of the preceding academic year. Attendance and conduct records that do not meet the requirement and do not have a satisfactory exception letter (see below) will result in a student’s admission status being revoked.
- A student may appeal the revoked enrollment status in writing to the executive director of the school. The appeal should outline the causes of the unsatisfactory attendance and/or conduct that led to the revoked enrollment. If the executive director denies the appeal, the student may appeal in writing to the Associate
Vice President of Educational Initiatives. If the appeal is accepted, at either level, and the student is allowed to remain enrolled, the student will be on probation. If the student continues to violate probation with attendance or conduct related infractions then the probation and the enrollment will be revoked.

- Exceptions | Students who do not meet one or both of these qualifications must submit a letter of explanation. This letter may come from any teacher (not just the homeroom teacher), including support teachers (e.g. Art, Clue, Special Education), or a school administrator. An Admissions Committee including the University Middle Executive Director and two members of the University Middle Steering Committee will evaluate letters to determine if exceptional circumstances apply.

- Academic Bridge Program | If enrolled (see “Enrollment” below), students must submit their most recent evidence of academic performance before the stated deadline. University Middle will accept assessment results from any of the following: TN Ready, MAPS, Shelby County Intervention Assessment, or Performative Assessment. This evidence is not used to determine admission. However, any student who is more than one grade level behind state recommended guidelines, in either math, science, or reading will be automatically enrolled in University Middle’s “Bridge Program.” This program is designed to give students focused, intensive help in areas of need in order to springboard them into 6th grade and to prepare them for project-based learning. The Bridge Program runs daily during the summer for approximately 3-4 weeks. As long as the Bridge Program is successfully completed, the student’s seat is ensured. (NB: successful completion of the Bridge Program does not require reaching any quantifiable benchmark.)

- Enrollment | First Round enrollment of qualified applicants to University Middle will be based on the following order of priority: children of full-time faculty and staff; siblings of current students; and graduates of Campus School Elementary. Remaining seats will be offered in a Second Round enrollment process. These seats will be equally divided between two categories: qualified applicants living within a two-mile radius and all other Shelby County qualified applicants. (In the event that there are more qualified applicants in the Second Round than available seats, decisions in each category will be made by lottery.)

- Preference Window | Please note carefully that to take advantage of any selection preference, your application must be submitted in the first ten business days from when the application opens. This requirement applies to children of faculty and staff, siblings of current students, graduates of Campus Elementary, and those living within a two-mile radius.

- University Middle will open in stages. We will enroll an introductory 6th grade class of 60-65 students (3 classrooms) for the first year, 2019-2020. Each subsequent year will enroll a new 6th grade class, with an increased size of 80-90 students (4 classrooms). Classes will be capped at 23.

- Enrollment Goals | University Middle will start will a 1/3-1/3-1/3 strategy: 1/3 children of faculty and staff/graduates of campus school; 1/3 from the 2mi-radius neighborhood; 1/3 from the county. We state these as enrollment goals because we are also going to leverage the existing diversity at the University of Memphis through targeted recruitment to all university staff, and this may prove the more effective path to ensuring diversity.

**ARRIVAL**

Students should arrive at school between 7:30 a.m. and 8:10 a.m. daily. Doors open for students eating breakfast at 7:30 a.m. Breakfast is served from 7:45 – 8:00 a.m. The doors of the school open for all students at 8:00 a.m. **Students arriving at school are not supervised until 7:30 a.m.** Students are expected to be seated in their home rooms by the 8:10 tardy bell. Students arriving after 8:10 will be marked tardy by the homeroom teacher. Students arriving after 8:20 must report to the attendance office for a tardy entrance slip. Parents must accompany and sign in students arriving after 8:20 a.m.

**Arrival & “Drop Off” Line Safety Guidelines:**

- **There is no adult supervision prior to 7:30 a.m. each morning.**
- Students may come in their designated entrance at **7:30 a.m.**
- Turn **off** radios and cell phones (no calling/texting) during drop off or parking.
- Pull **all** the way forward in the drop off area.
- Students are to exit only on the **right** side of the vehicle.
- Make sure your children are **ready** to exit when the vehicle stops.

**ATTENDANCE**
Tennessee State law requires that all children between the ages of six (6) and seventeen (17) attend school. Regular and punctual attendance is imperative. Higher academic achievement occurs when students attend classes regularly. Choice Transfer students may not accumulate more than 15 absences, early dismissals or tardies (combined).

**Steps to Follow When Absent:**
1. Parent or guardian must write an excuse indicating the date, days of absence, reason for absence, and include his or her signature.
2. Submit the excuse to the homeroom teacher within 2 school days of the student’s return.
3. Ask for make-up assignments.
4. Be aware that assignments that are not made up could be reflected in academic grades.

**Excused Absences**
1. Illness or hospitalization of student. (Anytime a student is out for 3 or more consecutive days, a doctor’s statement will be required. After the accumulation of 10 days, all absences will require a physician’s statement to be excused.)
2. Death or serious illness in the immediate family
3. Validated court appearance of the pupil
4. Recognized religious holiday / event

*Student shall be permitted the opportunity to make up all work and tests missed as a result of an excused absence.* Work and tests must be made up by the end of the reporting period. If a student fails to make up the work and tests, their deficiencies shall be averaged with the other grades.

**Unexcused Absences**
Unexcused absences will be treated as truancy. A student who accumulates 5 days of unexcused absences will be given notice to attend a Student Attendance Review Team meeting with the school administration at which time a plan will be set in place to help with future attendance. After 10 unexcused absences, notice will be given to attend a meeting with the Truancy Department at the North Precinct and possible court appearance. All unexcused absences are reported to Juvenile Court. Class work or tests will not be made up in the event of unexcused absences. A student who is absent from school or class without permission will be considered truant and will be subject to disciplinary actions. **Anytime a student is out for three (3) or more consecutive days, a doctor’s statement will be required.** After the accumulation of 10 days, all absences will require a physician’s statement to be excused.

**Tardies**
*Students reporting to homerooms after 8:10 a.m. are marked tardy and must have a tardy slip from the office.* Tardy students must be accompanied into the building and must be signed in by an adult. Tardiness will be excused only if the student presents a doctor’s note. Tardies follow the procedures for unexcused absences.

**BEHAVIOR**

**School-wide Discipline Philosophy**
Relationships nurtured within our school are the foundation of our school-wide discipline. Our school community provides preventative approaches that are proactive, positive methods that address challenging behaviors before they occur. We recognize that when parents and teachers work together using positive discipline children will be successful. We believe all behavior serves a purpose and must be viewed as a means to meet individual needs. University Middle views challenging behaviors as an opportunity to teach. Whether preventative or reactive in nature, we preserve the dignity and self-worth of each person in our school community.

*These are a few examples of behaviors to share with your child as you help them to make the best decisions each day.*

**Disciplinary Actions**

Students must develop self-discipline in order to further their learning. University Middle will follow the SCS Student Code of Conduct. Copies are available in the school office or online at www.scsk12.org. Please review the Code of Conduct with your child. When a student earns NME or an N or U for any conduct report period he/she may be ineligible to participate in extracurricular school function including class parties, field trips, completion activities. Parents will be notified whenever a student is referred to the office for misconduct.

A student assigned suspension or detention, based upon the SCS Student Code of Conduct 6022, will serve said suspension or detention in an area within the school designated by the principal and overseen by the principal or principal’s designee. Detention, in-school suspension, and out-of-school suspension are only assigned by the executive director or assistant director. Detention, in-school suspension, and out-of-school suspension can be appealed to the executive director. Final appeals beyond an initial appeal may be made in writing to the Associate Vice President for Educational Initiatives with the University of Memphis.

**BIRTHDAYS/CLASSROOM PARTIES**

We realize that birthdays are major events in the life of a child. We request that you celebrate your child’s birthday by purchasing a book to donate to your child’s classroom library in his/her honor. **Classroom or cafeteria birthday parties, caps, cupcakes, balloons or flowers are not permitted.** Parents please do not send invitations to school or distribute them in the classroom. The school will not accept or sign for deliveries for students at school. If you would like to help your child celebrate their birthday with all of their classmates, the distribution of a small “treat” bag of pencils, erasers, stickers from any dollar store is acceptable and will last much longer than a cupcake. Birthday “treat bags” will be distributed to students at dismissal by their classroom teacher.

**CELL PHONES AND ELECTRONICS**

Your child is permitted to bring a cellphone to school as long as it remains off and in the student’s backpack. Toys and electronic gaming devices should not be brought to school. **The school is not responsible for theft, loss or damage** of personal devices brought to school. Confiscated items will be returned to the student’s parent/guardian within 72 hours during a conference with an administrator.
CAFETERIA

ALL SCS students eat Breakfast and Lunch free of charge. No cash can be accepted in the cafeteria. If you would like your child to be able to purchase extra items, you must put money on a Prepay account. **You can find the prepay link on the SCS webpage.**

Cafeteria Conduct

All students in the school share the cafeteria. It is to be kept clean and at a comfortable noise level. Each class will be responsible for cleaning and picking up paper under and around tables and trash cans. Students are expected to maintain the following behavior:

- Respect all adults, and other students
- Remain quiet in the lunch line
- Engage in quiet conversations at the lunch table
- Remain seated
- Practice appropriate table manners
- Keep eating area clean

**Because of dietary restrictions and allergies, students are prohibited from sharing food.**

CONCERNS

Students and parents of University Middle are encouraged to work with teachers and administrators to resolve problems that may arise. Grievances must be addressed immediately after learning about the event or problem. All matters should first be discussed with the appropriate classroom teacher. If all parties are not satisfied, a conference with an administrator may be requested. Schedule an appointment so that we can serve you in a timely manner.

CONFERENCES

Parent-teacher conferences are encouraged and may be initiated by the parent or teacher. Any time you would like to meet your child’s teacher, an appointment must be scheduled. Drop-in conferences or visits are not allowed because they interrupt classroom instruction. If you would like to observe your child’s classroom, you must have prior approval from the Director or the classroom teacher.

Teacher Conferences
Teachers have times during the week when conferences can be scheduled. Please respect our students’ instructional time and schedule all conferences in advance. To request a conference, leave a message for the teacher on our voice mail system. If the teacher has not returned your call within 48 hours, please notify the office staff. Teachers will not be called to the phone to talk to a parent during instructional time.

Scheduled Parent Teacher Conferences – October 14th (from 8:30a.m. to 3:00p.m.)

The Executive Director’s job is to ensure high quality education for all students. It is imperative that the Director monitors and adjusts the instructional program to excel all students’ learning. In order to do this, the Executive Director visits the classrooms and works with teachers during the instructional hours of 8:00 a.m. to 3:00 p.m. Conferences with the Executive Director should be requested through the office. Please call 901-633-4120 to request a conference time with the school ExecutiveDirector.

COUNSELING

- Adjust to school
- Practice good study skills and work habits,
- Improve communication skills,
- Learn to cooperate,

Our school counselor also provides support for children who are experiencing academic difficulties, health conditions, behavioral issues or personal concerns which are affecting their ability to be successful. Contact Ms. Boles (aboles@memphis.edu) for more information. Students may be referred for services by parents, teachers, and school administrators or by the students themselves.

**EARLY DISMISSALS**

It is very important to have your children at school on time and to remain until school is dismissed. Frequent tardiness/absences and early dismissal may interrupt your child’s daily lesson plans and cause him/her to miss important instructional time. **We do not allow early dismissal after 2:45.** Teachers are trying to wrap up the day and get the students out safely and with the attention they need.

Procedures for early dismissal prior to 2:45 p.m. are:

- Only parents or designated adults listed on the registration form may request early dismissal.
- This adult must come into the office for the early dismissal request.
- For the student’s safety, the teacher can NOT dismiss a student until notified by the office. Parents are not allowed to go to the classroom first.
- Students will not be dismissed for lunch away from school.
- Schedule doctor and dentist appointments after school hours whenever possible.
- During the week of state testing and week prior to state testing no early dismissal will be allowed unless proof of a doctor’s appointment is submitted to the office.
- Early dismissals will be treated in the same manner as tardies. Early dismissals will be recorded for attendance purposes and count toward optional attendance requirements. Excessive early dismissals that are not medically related and/or three unexcused early dismissals can result in disciplinary action.

Early dismissals will be documented on the student’s report card. To qualify for perfect attendance, a student must be present the entire school day. Please read the “Attendance” section in this handbook as early dismissals will impact the student’s attendance requirement.

**FIELD TRIPS**

Field trips are planned experiences that provide students with insight, information, and knowledge that constitute an extension of the regular classroom instruction. Each field trip shall be supervised by school personnel at a minimum of one adult for every twenty children, so that good discipline is maintained. There
are cases where the classroom teacher may advise greater supervision. Signed parental permission forms must be obtained for each student. In an emergency situation, a faxed or e-mailed permission slip will be accepted if received before 8 a.m. All parents must complete an approved SCS Volunteer form to participate in field trips. There will be NO REFUND on field trips. **All fees must be paid using Market Place.**

Students who have earned N or U for weekly conduct, on progress reports, or report cards will forfeit the opportunity to participate in field trips. Students forfeiting field trips due to inappropriate conduct/behavior are not eligible for refunds on field trips. For safety reasons, we may require a parent to accompany their child on a field trip if he/she is experiencing difficulties.

**HEALTH POLICY**

Parents will be notified in cases of illness and/or injury. **PARENTS MUST KEEP THE SCHOOL UPDATED ON ANY CHANGES IN ADDRESS, TELEPHONE NUMBERS AND/OR EMERGENCY CONTACT NAMES OR TELEPHONE NUMBERS.**

A child, whose illness requires that the child be sent home, will be given appropriate attention and supervision until the child’s parent or other authorized person arrives. A child with uncontrolled diarrhea or vomiting will be provided care apart from the other children until the child’s parent or other authorized person arrives. If symptoms of contagious or infectious diseases develop while the child is in school, he/she shall be placed in an area away from other children until the child’s parent or other authorized person arrives. Any child who has a temperature of 100 or more must be picked up. **A child must be free of fever for 24 hours before returning to school.**

Students will not be allowed to remain at school if one or more of the following exists:

- If the illness prevents the child from participating comfortably in school
- If the illness results in greater need for care than the staff can provide without compromising the health, safety, and supervision of the other students
- Oral temperature of 100 degrees or greater

To return to school after the following, the child must bring proof of treatment to the office.

- Chicken pox (child must be excluded until blisters are scabbed over completely)
- Hepatitis A (child must be excluded until one week after jaundice appears or one week after the illness started and fever is gone)
- Pink Eye (child is excluded until treatment has begun and discharge has stopped)
- Undiagnosed Generalized Rash
- Head Lice (child is not to return to school until lice are no longer present)
- Measles (child must remain at home until four days after the rash appears)
- Mumps (child must not return for nine (9) days or until swelling subsides)
- Ringworm (child should not return to school until treatment is started and lesion is covered)

**HOMEWORK**

Homework is defined as meaningful and quality work assignment to students that is intended to be completed during non-instructional hours. Reading for 30-45 minutes a night is the recommended time to improve your child’s reading ability.

**LOST AND FOUND**

If your child should lose any articles, he/she is to report the loss to the classroom teacher. There is a lost and found shelf in (a place to be determined). Please label all coats, caps, and book bags to make identification easier. All articles of clothing or other items not claimed at the end of each semester will be donated to charity each semester.

**MEDICATIONS**

- All medication must be brought immediately to the Main Office by the parent/guardian.
- Medication must be in the original container with a pharmacy label, and must have the student’s name, amount of dosage, and frequency/time of dosage.
- Approved possession of a student’s own prescription medication during the school day is limited to life threatening conditions.
- Medication may only be dispensed through the office or clinic (EPI pens and inhalers are exempt).
- The desired plan for usage of EPI pens is for the parent to provide 2 pens, one will be kept in the school office, and one will be kept in the student’s classroom. Aspirin, Tylenol, cough drops and other non-prescriptions items will not be given to children during school hours. School personnel will not administer shots or injections. Medicine that is to be taken three times daily does not need to be administered at school. It can be given before and after school and at bedtime.

**PAYMENTS**

University Middle accepts payments for any item not provided by an outside vendor through Market Place. Please contact the office coordinator for payment information.

**PHONE USE**

Students will only be allowed to use the phone if they are sick. Students will not be allowed to use the phone to call for forgotten homework, permission slips, or supplies.

**Teachers will not be called to the phone to talk to parents during instructional time.** Parents must leave a message on the voice mail system.

The office telephones are for emergencies only; students must ask a secretary in the office before calling and must have a pass from a teacher requesting that the students be allowed to use the telephone. STUDENT SAFETY

Conflict/Bullying
At University Middle positive social interaction is taught daily as part of The Responsive Classroom. Students learn to resolve conflicts creatively in ways that show respect for all involved. Reports of bullying will be investigated and handled according to the SCS Code of Conduct. Students may report bullying incidents to their classroom teacher or any other trusted adult in the school. Students may also leave concerns in the mailbox by the tree in the main hall or email UniversitySprout@gmail.com.

Custody
University Middle Optional School will be happy to work with any custodial parent in custody situations if that parent provides a certified copy of the court order. A school can deny a non-custodial parent access to the child only if a copy of the custody agreement signed by a judge is on file in the child’s permanent record folder. In case of parents who are separated but no custody agreement has been reached, the school can deny access to one (1) parent only if a restraining order is in effect and a copy is on file in the child’s permanent record. With no restraining order, both parents have a right to name others who may come to check the child out from school. Parents must inform their child’s teacher and a school administrator when there is a custody issue. In the instance of custody arrangements, if the non-custodial parent would like to receive a copy of school reports, they will need to provide the teacher with a stamped, self-addressed envelope. Please be advised that University Middle is not a supervised visitation site. We do not have staff to supervise visits. Our staff will not be involved in custody disputes. If our staff feels the child is endangered, we are required by law to report the belief to the Department of Child Protective Services.

Technology
Help us keep our students safe by monitoring student use of technology, especially social media sites. Do not post comments, pictures (tagging included) or videos of any students other than your child. Some students are not allowed to be videoed or photographed for safety reasons. There are instances where students may be involved in custodial issues, protection services, or other programs and that each student/family has the right to privacy. Students using technology or social media inappropriately will receive consequences as outlined in the SCS Student Code of Conduct.

SUPPLIES
As University Middle is a community school, all classroom supplies will be community supplies, combined, centrally located and shared by the entire class. The discipline of sharing, caring for, and cleaning up community-owned supplies creates important opportunities to grow in responsibility, empathy, and problem-solving. It also diminishes the value distinctions between those who have a great deal of money to spend on materials and those who have little. Please do not label supplies with your child’s name. Any items that cannot be shared with the entire class should be kept at home. Individual classroom teachers may request additional or specific supplies for specific needs, please do not buy unnecessary items. For safety, roller backpacks are not allowed.

University Middle is committed to providing innovative ways for students to learn and is working hard to improve the quality and access to technology tools and resources. Students will develop 21st century skills through the use of electronic devices, be provided content-focused curriculum, and use collaborative technology tools. The lessons learned and the insights gained through this effort will provide an effective and feasible blueprint for future implementations.

The policies, procedures and information within this document apply to all student devices used in University Middle School, including any other devices considered by the District office to come under this policy. Teachers may set additional requirements for use in their classroom.

1. RECEIVING YOUR LAPTOP & LAPTOP CHECK-IN

*Parents and students should review all forms and seek clarification for questions or sections not understood.*

1.2 Electronic Device Check-in

Devices and accessories must be returned during the final weeks of school so they can be checked for serviceability and be stored for the summer.

If a student withdraws from University Middle during the school year, receives a long-term suspension, or is expelled, the device must be returned at the time of departure or date of termination. If a student fails to return the device in satisfactory condition within five (5) school days after withdrawing from University Middle, a theft report will be filed with the Police Services.

A member of the school administration (or his or her designee) will inspect the device for damage before releasing the student from further responsibility.

2. TAKING CARE OF THE DEVICE

Students are responsible for the general care and maintenance of the devices they have been issued by the school. Devices that are broken or fail to work properly must be immediately reported to University Middle administration for an evaluation of the equipment. Such reports should be made to the student’s home room teacher.

2.1 General Precautions

- The device is school property and all users will follow these procedures
- Cords and cables should be inserted and disconnected carefully to prevent damage to the laptop. Cords, cables, and earphones should always be kept with the device.
- Devices must never be left out in the open, in an unlocked locker or any unsupervised area. Parents and students must certify they have a lock on their locker.
- Students should lock their device in their locker before lunch and after school when not being used.
- Students are responsible for keeping their device’s battery charged and ready for school each day.
- Only labels or stickers approved by the University of Memphis Technology Department may be applied to the laptop.

● Do not lean on the top of the device when it is closed.
● Do not place anything near the device that could put pressure on the device.
● Do not place anything inside a closed device to avoid placing too much pressure and/or weight on the screen. This includes books in your locker.
● Clean the screen with only a soft, dry cloth or anti-static cloth; no cleaners of any type.

• Do not “bump” the device against lockers, walls, car doors, floors, etc. as this could cause damage and eventually break the screen.

3. USING YOUR DEVICE AT SCHOOL

Devices are intended for use at school each day. In addition to teacher expectations for use, students may access school information such as announcements, calendars, grades, and schedules on the school website or through various applications / software. Students must be responsible to bring their devices to all classes, every day.

3.1 Devices Left at Home

If students leave their devices at home, they are responsible for getting the course work completed as if they had their devices at school. Repeat violations may result in action.

3.2 Devices Undergoing Repair

If a device repair/service will take longer than two (2) days, a loaner device may be issued, subject to availability.

3.3 Charging Your Device’s Battery

Devices must be brought to school each day in a fully charged condition. Students need to charge their devices each evening. *Students should be careful about leaving a charging device hooked up at school as these are easily forgotten and often left behind.*

This will assist them with device use while at home or at the library. The policies outlined in this document are applicable to off campus use of a University Middle provided devices. Any violation of the policy will result in the students’ off campus use privilege being suspended. Students experiencing Internet issues at home should contact their Internet Service Provider (ISP) for support.

Periodic checks of laptops will be made to ensure that students have not removed required apps. Repeat violations may result in disciplinary action.

5.3 Inspection
Students will be selected at random to provide their laptop for inspection. If a student’s device is requested for an inspection, passwords to unlock the laptop must be provided. BCS reserves the right to confiscate the laptop for any reason at any time if inappropriate materials are found on the laptop or if suspicious activity is suspected.

5.7 Find My Mac
In addition to a variety of District security measures, “Find My Mac” will also be activated. If a device is lost or stolen, the student will work with University Middle staff and Police Services to identify the location of the device for recovery. This includes providing access to all accounts to assist with identifying the location of the laptop.

6. RESPONSIBLE USE
The use of University Middle technology resources is a privilege, not a right. The privilege of using the technology resources provided by the University Middle is not transferable or extendable by students to people or groups outside the district and terminates when a student is no longer enrolled in a University Middle. This policy is provided to make all users aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources.
