Additional Information on Advising/Mentoring

I served as a dissertation committee member for Yao Shi in 2019

I served as a dissertation committee member for Sungjin Yoo in 2019

I served as a dissertation committee member for Son Bui in 2016

I supervised one graduate student for independent study: Ruby Booth in Fall 2016.

I supervised the following Ph.D. students for research projects in 2016:

- SungJin Yoo: Is wiki for everyone?
- Son Bui: A governance model for cloud computing
- Zhenya Tang: A comparative analysis of tools for business analytics and data science

I served as a dissertation committee member for Jinya Patel in 2015

I supervised the following Ph.D. students for research projects in 2015:

- SungJin Yoo: Is wiki for everyone?
- Jeff Kaleta: Augmented Reality from the business perspective
- Son Bui: 1) A case study of an open-source testing tool, and 2) A governance model for cloud computing

I supervised the following Ph.D. students for research projects in 2014:

- Jeff Kaleta: Augmented Reality from the business perspective
- Son Bui: 1) A case study of an open-source testing tool, and 2) A governance model for cloud computing
- Vladimir G Ambartsoumian: Point clouding

I supervised the following Ph.D. students for research projects in 2013:

- Jeff Kaleta: Augmented Reality from the business perspective
- Son Bui: 1) A case study of an open-source testing tool
- Vladimir G Ambartsoumian: Point clouding

I supervised Jeff Kaleta (Ph.D. student) to work on a project, which resulted in a journal publication in Feb 2012

I supervised one undergraduate student for internship: Brian Williams in Fall 2012.

I supervised one graduate student for independent study: Anil D. Maddimsetti in Fall 2012.

I supervised one student for internship: Angela Giles (U00056546) in Fall 2010

I served as a mentor for a new faculty member (Dr. Chen Zhang) in our department during 2007 -2014.

I served as a dissertation committee member for Tao Hu and Woraporn Limpornpugdee in 2008.

I served as an advisor for a student organization (University Bible Fellowship) at The University of Memphis during 2005 -2009.

I supervised two students for their internship: David Green in Fall 2008; Janora Bryson in Summer 2008.

I supervised three students for their internship: Bryan Carter and Brian Bieber in Spring 2007; Josh Simpson in Fall 2007.

I served as a mentor for the two new faculty members in our department: Radika Jaines and Chen Zhang.

I supervised internship work for two undergraduate students (Leslie A. Deatherage and Ian C. Smith) and one graduate student (Reshma Gangavaram), and one Ph.D student (Tao Eric Hu) for his independent study about citation analysis on data security literature in Spring 2006.

I advised one student (Hsuan Mei Chen) for her internship course (ISDS 4911 MIS Internship) and evaluated her final report to assign the final grade for her internship course in Summer 2003. In addition, I supervised one student (Yun Jung Kim) for her independent study, ISDS 7910-123 (Spring 2004).

I supervised and evaluated internship work for Kamesawari Chika in Fall 2002. I was also responsible for reporting her grade for the internship course to Dr. Wade Jackson (Director of the Internship program in FCBE).
