AMIS ANALYTICS
CHALLENGE

Join the Association for Management Information Systems (AMIS) for the inaugural AMIS Analytics Challenge. This competition will provide students the opportunity to learn, observe and develop their skills with current industry leaders. The aim is to allow students to take their classroom knowledge and apply it to real-world situations they may encounter in the workforce.The first place team may have the opportunity to compete in the 2024 AIS Student Chapter Leadership Conference at Utah State University in Logan, Utah.
