<b>Comprehensive Final Exam - Monday, May 2<sup>nd</sup>, 8:00 AM:</b>	<b>+ 100</b>
Total possible points	<b>500</b>

The following scale will be used to determine the final grade:

**A – 450-500; B – 400-449; C – 350-399 D – 300-349; F - below 300.**

**1. There will be absolutely no make-up tests/quizzes. If a test/quiz is missed for any reason, a grade of zero will be given.** If you miss one test, your comprehensive final exam grade will replace the zero. You may use the final exam to replace your lowest test grade if it is to your benefit. If you must miss a test because of an official school function you may reschedule to take the test at a time prior to the original test date. No other rescheduling will be allowed.

**2. Bring your picture ID with you to all exams.** If you forget your ID, I will ask you to run get it before you can take the exam.

**3.** All questions pertaining to test material must be asked prior to the day of the test as no questions will be allowed during the test.

**4.** Calculators are not permitted during tests.

**5.** Any student who arrives late for a test may forfeit his right to take the test if another student has completed the test and left the classroom.

**6.** Turn off all cell phones, pagers, and headphones (and remove) when in the classroom. No eating or individual breaks will be allowed during the class period.

**7.** You will be asked to leave the classroom if you are disturbing those around you.

**8. Free Tutoring:** Math learning center is located in Dunn 143. M-R 8am to 7pm, F 8am to 11am

**9. Homework** is an essential part of the learning process for any math course. The time spent on homework will vary, but a good rule of thumb is 2 hours for every hour spent in class, adding more time to prepare for tests.

The instructor reserves the right to make changes in the syllabus if necessary due to time constraints or other unforeseen events. If this is necessary, members of the class will be notified as soon as possible.
