

**This evening's concert is dedicated to  
Tim Goodwin**

Professor Emeritus Tim Goodwin was on the faculty of the University of Memphis School of Music for 36 years first appointed to the faculty in 1984. He passed away two weeks ago and will be sorely missed; he was the heart of our jazz studies division.

Tim has hundreds of students he mentored over many years who are talented and highly trained professionals in the professional music and education fields.

His resume of recordings and artists he collaborated with is extensive to include Lee Konitz, George Coleman, Pepper Adams, Art Farmer, Michele LeGrand, Jon Hendricks, Phineas Newborn, Mose Allison, and many others. Tim received the Premier Bassist 2002 Award from the NARAS Memphis Chapter. We will miss you Tim!
