
RN-MSN BRIDGE COURSES

The RN-MSN applicants are required to complete a 12-unit RN-MSN nursing bridge sequence before enrolling in graduate courses; RN-MSN graduates will not be awarded the BSN degree.

Course Number	Course Title	Credit Hours
NURS 4210	Healthcare Research	3
NURS 4211	Nursing Leadership & Management	3
NURS 4212	Trends & Issues in Nursing and Healthcare	3
NURS 4213	Community Health Nursing	3

Courses are offered both online as well as on campus. Both part time and full time options are available. Program length varies depending on selected concentration. All part time students must complete all coursework within 5 years of initial admission date.

The BSN and MSN programs are accredited through the Commission on Collegiate Nursing Education (CCNE).
