ADMISSION CRITERIA

- An earned Associate Degree in Nursing or Diploma from a nursing program accredited by the Accreditation Commission for Education in Nursing (ACEN) located at a regionally accredited institution.
- Be admitted to the University of Memphis as a degree-seeking undergraduate student.
- Have an active, unencumbered RN license, or be eligible for licensure.
- Minimum cumulative college GPA of 2.5; a cumulative GPA of 2.00 in prerequisite science courses.
- If transferring from another accredited RN-to-BSN program, a letter of good academic standing from the Dean/Director of the previous nursing program, is required.
- Prerequisite Courses:
  - Anatomy and Physiology I w/Lab
  - Anatomy and Physiology II w/Lab
  - Microbiology w/Lab
  - English Comp. I
  - English Comp. II
  - Intro to Sociology or General Psychology
  - Nutrition
  - Any of the following Math courses can be taken as the pre-requisite:
    - MATH 1420 - Foundations of Mathematics
    - MATH 1530 - Prob/Statistics/Non Calculus*
    - MATH 1710 - College Algebra
    - MATH 1730 - Pre-Calculus
    - MATH 1830 - Elementary Calculus
    - MATH 1910 - Calculus I
  - *MATH 1530 (Statistics) can satisfy the prerequisite and general education requirement. MATH 1530 will be required once admitted into the program if not already complete.
  - Prerequisite science courses completed later than seven (7) years of LCON admission may be accepted with validation from current healthcare employer.
- General Education Requirements:
  - In order to earn a BSN, students must complete an upper division elective (3000-4000 level course) and the general education requirements for the University of Memphis. Many students are able to transfer most of the general education courses after completing an Associate’s Degree. However, the required credits may be completed within the four-year period.

CLINICAL NURSING COURSE REQUIREMENTS

Before enrolling in a clinical nursing course, students must present evidence of current CPR certification, criminal background and credential check, appropriate immunizations and titers, and a statement of good health, including a negative PPD skin test or chest x-ray. Immunizations and/or titers include DT, MMR, polio, Hepatitis B and varicella. RN students must purchase their own insurance and present evidence prior to enrolling in clinical nursing courses. RN students are also required to present evidence of current licensure in Tennessee.
