You are required to read each page and all of its contents in order to reach the Final Assessment. The Final Assessment is not timed, but you will have only three attempts to complete it. You must register a passing score of at least 80 on one of the attempts. If you do not pass the Final Assessment within three attempts you will have to wait 24 hours before attempting to take the Final Assessment again.

Once you pass the Final Assessment your Human Resources office will receive notification of your success.

You may begin the Title VI Training Course here.
