

## Download LiveSafe for iOS: A Step-by-Step Guide

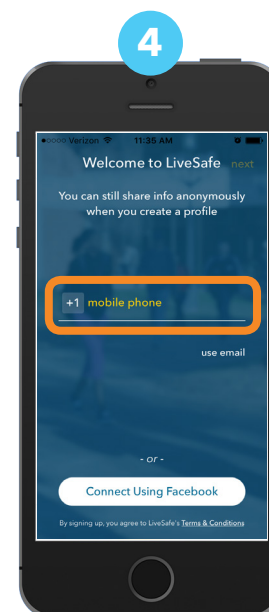

**1 Open App Store**  
Open the Apple "App Store". Tap the "Search" icon at the bottom.

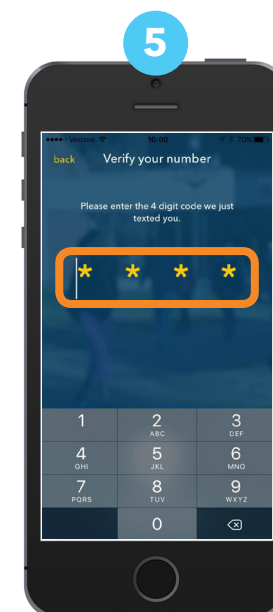

**2 Download LiveSafe**  
Search for & download "LiveSafe". Tap "Open" to start registering.

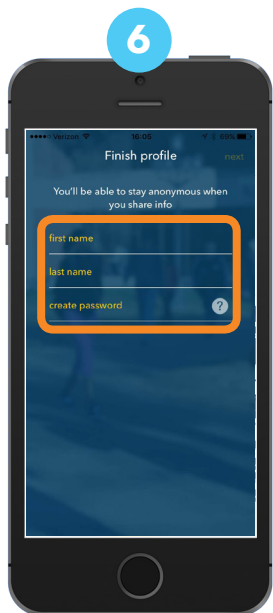

**3 Tutorial**  
Swipe to the left to start. Read the tutorial or continue to registration by tapping "skip" at the bottom.

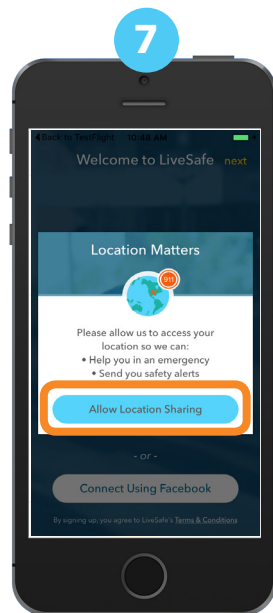

**4 Start registering**  
Enter your mobile phone number. To verify your account, a four digit code will be sent via SMS text message.

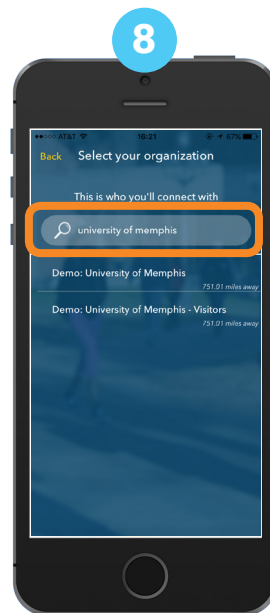

**5 Verify your number**  
When prompted, enter the four digit code sent to you via SMS text message into the LiveSafe verification screen.

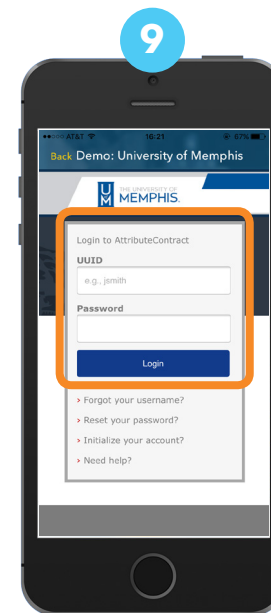

**Finish your profile**  
Enter your first and last name. Create a password and tap next.

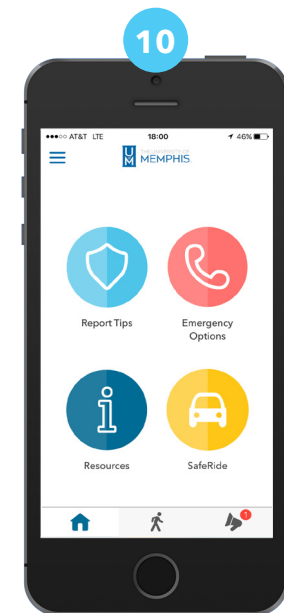

**Enable location**  
When prompted, enable "Allow Location Sharing" by tapping "Allow".

**Select organization**  
Search for and select "University of Memphis".

**Sign into U of M**  
Please log in with you UUID and verify your account.

**Welcome!**  
You'll know you are in the right place when you see "University of Memphis" in the top banner.
