| AVIA 1500                                                                                                                                                        | Intro to Flight                               | 1                                                  |        | \$225.00      |                               | Aviation fees are based on C-172 aircraft. Other aircraft are available for training, the student is responsible for the extra cost.<br><br>Hours quoted for IR, CPL and CFI are the minimum flight hours required per the FAA for each individual certificate or rating. Hours quoted for PPL are the average needed for completion. If a student requires additional hours to earn the certificate or rating, they must pay for the additional hours of training required. |                                             |                  |        |                                   |                               |
