Note: Please discuss your plans with the instructor *before* filling out the rest of the form.

1. Describe the Honors component of the course, discussing both the nature of the project and the way in which this project constitutes "Honors". Be as specific as possible in describing what you will do, including references to specific readings and/or methodologies where appropriate. (Attach additional materials, such as a bibliography, outline, etc., as needed.)

2. How does the Honors component differ from normal course expectations? Will the Honors component substitute for a regular course requirement? (Attach the regular course syllabus to illustrate.)
