

Attention: Undergraduate Students

- ❖ Are you interested in Behavioral Medicine/Health Psychology?
- ❖ Do you want to gain valuable research experience?
- ❖ Do you want to be an author on a scientific paper or poster?

The Center for Health Promotion & Evaluation is looking for students like YOU!

**We are a National Institutes of Health (NIH) funded center
conducting research in health behaviors among teens and
children in the community.**

You must have:

- Overall GPA of 3.0 or above.
- Psychology GPA of 3.5 or above.
- An interest in graduate school or a career in psychology or health related field

You will receive:

- Information on grant-funded research.
- Valuable research skills.
- Information concerning graduate school and the application process.
- A chance to receive authorship credit on posters or presentations.
- Possible course credit.
- A letter of recommendation if appropriate.
