Academic and Clinical Positions

Distinguished Professor and Chair; Director, Center for Behavioral Medicine, Department of Psychology, University of Memphis, Memphis, TN, 2010 to present.

Distinguished University Professor, Psychology (2008-2010); Professor, Psychology (1987-2007); Senior Research Scientist, Florida Institute for Human and Machine Cognition (1999-2010); Associate Vice Provost for Graduate Studies, Academic Affairs (1998-1999); Director, Behavioral Medicine Laboratory, Psychology (1990-1999), Director, Ponce de Leon Project, Psychology (1993-1999); Director, Graduate Programs, Psychology (1987-1998); Coordinator, Counseling Psychology Program (1996-1997); Affiliate Member, Counseling Center (1993-2000); and Chair, Psychology (1989-1990), University of West Florida, Pensacola, FL.

Associate Director, Pain Therapy Centers, Greenville Hospital System, Greenville, SC, 1986-1987.

Associate Professor (1983-1986); Assistant Professor (1979-1983); Associate Director, Center for Stress and Anxiety Disorders (1982-1986); Director, SUNYA Smoking Clinic (1983-1986), Department of Psychology, State University of New York, Albany, NY.

Research Associate Professor, Department of Neurology, Albany Medical College, Albany, NY, 1984-1986.

Adjunct Associate Professor, Department of Family Practice, Albany Medical College, Albany, NY, 1983-1988.

Chief, Department of Program Development, Junction City Treatment Center, Junction City, OH, 1973-1975. [Forensic Psychiatry]

Consulting/Part-time Positions

Consultant, Grant Awarded to the National Center for Telehealth and Technology (T2), Joint Base Lewis-McChord, Tacoma, WA, 2009 to present. ["A Multisite, Randomized Clinical Trial of Virtual Reality and Prolonged Exposure Therapy for Active Duty Soldiers with PTSD"]

Consultant, Raytheon, Pensacola, FL, 2009-2010. [Subject Matter Expert for suicide prevention in the military]

Consultant, Frontline Psychology, McLean, VA, 2007-2008. [Selection/evaluation of US police officers for placement overseas, primarily Iraq & Afghanistan; funding provided by the US Department of State]

Consultant, Medina and Thompson, Chicago, IL, 2006-2007. [Selection/evaluation of US police officers for placement overseas, primarily Iraq & Afghanistan; funding provided by the US Department of State]

Consultant, Virtually Better, Atlanta, GA, 2006-2009. [Virtual Reality applications for assessment & treatment of PTSD]

Consultant, Wolff Center, Pensacola, FL, 2005-2006. [Pediatric Practice, chief focus ADHD]

Consultant, Virtual Reality Behavioral Health Project, Tripler Army Medical Center, Honolulu, HI, 2003-present.

Consultant, Pinecrest Supports and Services Center (formerly Pinecrest Developmental Center), Pineville, LA, 2002-2009. [Consultation on pain management & behavioral medicine]

Center for Comprehensive Pain Medicine, Pensacola, FL, 1994-1996.

Consultant, Veterans Administration Medical Center, Predoctoral Internship Training Program, Biloxi, MS, 1993-1996.

Consultant, Neurology and Headache Management Center, Pensacola, FL, 1987-1994.

Consultant, The Avalon Center, Milton, FL, 1989-1994. [Community Mental Health]

Consultant, Lakeview Center, Pensacola, FL, 1991-1992 and 1997-1998. [Community Mental Health]

Consultant, Veterans Administration Medical Center, Chemical Dependency Program, Albany, NY, June through September, 1985.

Private Practice, 1982 to present.

Consultant, Cerebral Palsy Center for the Disabled, Albany, NY, 1981 to 1984.

Consultant, Gallipolis State Institute, Gallipolis, OH, 1977 to 1978. [Residential DD/MR]

Consultant, Western District Guidance Center, Parkersburg, WV, 1977 to 1978. [Community Mental Health]

Consultant, Lakin State Hospital, Lakin, WV, 1975. [Residential Mental Health]

Instructor, Hocking Technical College, Nelsonville, OH, 1974 to 1975.

Professional Licensure/Certification/Registration

Licensed currently as a Psychologist in Florida (#PY3888); Licensed formerly as a Psychologist in Georgia (#1115), South Carolina (#391), New York (#6533), North Carolina (#1216), and Virginia (#0810003770).

Listed in the National Register of Health Service Providers in Psychology (#30602).
Senior Fellow, Certified, Biofeedback Certification International Alliance (#1047).

Honors/Awards

NIMH Predoctoral Trainee, Ohio University, 1975-1977.

John F. Cady Presidential Fellowship, Ohio University, 1977-1978.

Fellow:

- Society of Behavioral Medicine, 1986.
- Association for Psychological Science, 1992.
- Health Psychology, Division 38, American Psychological Association, 2000.
- Society of Clinical Psychology, Division 12, American Psychological Association, 2005.

Distinguished Visiting Professor (Military):

- USAF Wilford Hall Medical School, San Antonio, TX, January 1986; April 1987; February 1991; February 1993; January 2003; September 2004; April 2009.
- Walter Reed Army Medical Center, Washington, DC, July 2001; May 2005.
- Tripler Army Medical Center, Honolulu, HI, October 2003; September 2008.
- Malcolm Grow Medical Center in conjunction with Walter Reed Army Medical Center, Andrews Air Force Base, MD, September 2012.

Outstanding Instructor Award, Eglin and Fort Walton Beach Student Government Association, The University of West Florida, 1988.

Distinguished Research and Creative Activity Award, The University of West Florida, 1990.

Member, Board of Visitors, College of Arts and Sciences, Ohio University, 1991 to 1993.

Merit Award for Long-Term Research and/or Clinical Achievements, Association for Applied Psychophysiology and Biofeedback, 1992.

President:

- Association for Applied Psychophysiology and Biofeedback, 1993-1994.
- Association for Behavioral and Cognitive Therapies, 2009-2010.

Citation Paper Awards, Association for Applied Psychophysiology and Biofeedback, 1984, 1994, 1996, 2000, 2007.

Best Poster Award, 7th International Headache Seminar Focus on Headaches: Update and Upcoming Developments, Stresa, Italy, 2011.

Certificate of Appreciation from The Society of Behavioral Sleep Medicine, 2011.

Professional Excellence Program Award, University of West Florida, 1999.

Distinguished Scientist Award, Association for Applied Psychophysiology and Biofeedback, 2002.

Member, Million Dollar Research Club, University of West Florida, 2006.

University Scholarly and Creative Activities Award, The University of West Florida, 2006.

Distinguished University Professor, University of West Florida, 2008.

Distinguished Professor, University of Memphis, 2010.

Teaching

Psychology Departments

Undergraduate

Abnormal Psychology
Careers in Psychology

Personality Assessment
Research Design in Psychology
Practicum in Counseling
Professional Psychology Seminar: Publishing/Writing
Theories of Group Counseling
Teaching of Psychology

Medical School

Pain and Pain Management (Lectures to Medical Students in Scientific Basis of Human Behavior)
Smoking and Smoking Cessation (Lectures to Medical Students in Scientific Basis of Human Behavior and to Students in Cellular Basis of Cancer Medicine)
Single Case Research Methodology (Lectures to Third Year Residents in Psychiatry and Psychology Interns/Residents)

University/Community Committees

Colloquium, Psychology, SUNYA.
Space Utilization, Psychology, SUNYA.
Graduate Admission and Student Evaluation, Psychology, SUNYA.
Personnel, Psychology, SUNYA.
Institutional Review Board, SUNYA.
Chancellor's Advisory Committee Panel, SUNYA.
Industrial/Organizational Program Planning, Psychology, SUNYA.
Research, College of Social and Behavioral Sciences, SUNYA.
Graduate Admission, Psychology, UWF, 1987-1989

Psychology Building Planning Committee, Chair, UWF, 1991-1992.
 Ambassador Screening Committee, UWF, 1991.
 Tenure Committee, Computer Science, UWF, 1992.
 Library Acquisitions Coordinator, Psychology, UWF, 1987-1990.
 Executive Committee, Psychology, UWF, Chair, 1988-1989, 1997, Member, 1988-1997, 2000-2001.
 President's Inauguration Committee, UWF, 1988.
 School Psychology Certification Committee, State of Florida, 1988.
 Senior Clinical Psychology Faculty Search Committee, Chair, UWF, 1991.
 School Psychology/Guidance Faculty Search Committee, Member, UWF, 1991-1992.
 Counseling Center Search Committee, Member, UWF, 1990, 1992, 1994.
 Clinical Psychology Faculty Search Committee, Chair, UWF, 1993.
 Marketing Personnel Committee, Search Committee, UWF, 1988.
 Grants and Contracts Search Committee, UWF, 1997.
 University Advancement Search Committee, UWF, 1994.
 Acting Coordinator, School Psychology Program, UWF, 1988.
 Educational Research Center for Child Development, Board of Directors, UWF, 1988-1992; Chair, 1990-1992, Chair, Appeals Committee, 1989-1990.
 Curriculum and Instruction Doctoral Program Development Committee, COE, UWF, 1989-1990.
 Homecoming Committee, UWF, 1989.
 Health-Related Programs Committee, UWF, 1989-1993.
 Financial Aid Committee, UWF, 1989-1992
 Alumni Awards Committee, UWF, 1990-1991.
 Continuing Education Certifier, Psychology, UWF, 1991-1993.
 EEO Grievance Committee, UWF.
 Coordinator, Counseling Practicum Sites, Psychology, UWF, 1991-1997.
 Coordinator, Counseling Psychology Program, UWF, 1996.
 Faculty Senate, UWF, 1997-1998.
 Community Advisory Board, Rehabilitation Institute of West Florida, West Florida Regional Medical Center, Pensacola, FL, Member, 1990-2000, Chair, 1994-2000.
 Clinical Investigative Review Board, Sacred Heart Hospital, Member, Pensacola, FL, 1992-1999.
 External Reviewer, Undergraduate and Graduate Programs, Department of Psychology, University of Northern Iowa, 1999.
 Chair, Search Committee, Dean, College of Arts and Sciences, UWF, 2000-2001.
 Member, IRB, Florida Institute for Human Machine Cognition, 2005-2010.
 Member, Search Committee for 2 Visiting Instructor Positions, Psychology, UWF, 2006.
 Graduate Admissions Committee, Psychology, UWF, Member, 2007-2010, Chair 2007-2008.
 Graduate Education Workgroup, UWF, Member, 2008-2010, Chair, 2008-2009
 Executive Committee, Center for Applied Psychology, UWF, Member, 2008-2010.
 Distinguished University Professor Selection Committee, UWF, Member, 2010.
 Member, Search Committee, Director of Research, School of Public Health, UM, 2011-2012.
 Member, Chair Advisory Committee to the Dean, College of Arts & Sciences, UM, 2011-2012.
 Chair, Facilities and Services Standing Committee, UM, 2011-2015.
 Member, Space Policy Council, UM, 2011-present.

Research Grants

Principal Investigator. "A Test of the Specific Effects in the Biofeedback Treatment of Tension Headache." College of Osteopathic Medicine and the Department of Osteopathic Medicine, Ohio University. Awarded 1977 (1 year). Total Costs = \$790.

Principal Investigator. "Treatment of Childhood Headache." Research Foundation of SUNY. Awarded 1980 (1 year). Total Costs = \$3,800.

Principal Investigator. "Assessment and Treatment of Childhood Headache." National Institute of Neurological and Communicative Disorders and Stroke (NS-16891). Awarded 1982 (3 years). Direct Costs = \$220,852, Indirect Costs = \$103,800, Total Costs = \$324,652.

Principal Investigator. Research Career Development Award. "Bio-psychological Aspects of Headache in Children." National Institute of Neurological and Communicative Disorders and Stroke (NS-00818). Awarded 1983 (5 years). Direct Costs = \$238,542, Indirect Costs = \$19,083, Total Costs = \$257,625.

Principal Investigator. "Assessment and Treatment of Pediatric Headaches: An Exploration of the Effectiveness of Stress Management Techniques." W.T. Grant Foundation (84-0993- 84). Awarded 1985 (1 year). Total Costs = \$7,000.

Co-Investigator. "Psychological Treatment of Headache." National Institute of Neurological and Communicative Disorders and Stroke (NS-15235). Awarded 1979 (3 years). Direct Costs = \$245,399, Indirect Costs = \$71,166, Total Costs = \$316,565. Continuation grant Awarded 1982 (3 years). Direct Costs = \$275,585, Indirect Costs = \$79,920, Total Costs = \$355,505. Total Combined Costs = \$672,070.

Co-Investigator. "Biobehavioral Approaches to the Treatment of Hypertension." National Heart, Lung, and Blood Institute (NL-27622). Awarded 1981 (3 years). Direct Costs = \$409,968, Indirect Costs = \$118,891, Total Costs = \$528,859.

Principal Investigator. "Drug and Non-Drug Treatment for Adult & Pediatric Migraine." National Institute of Neurological Disorders and Stroke (NS-29855). Awarded 1992 (4 years). Direct Costs = \$796,467, Indirect Costs = \$202,635, Total Costs = \$999,102.

Co-Investigator. "Biofeedback for Pain: A Multipractitioner Outcome Study." Office of Alternative Medicine (RR-09365). Awarded 1994 (2 years). Total Costs = \$30,000.

Co-Investigator. "Physiological Effects of AVS (Audio-Visual Stimulation)." Synetic Systems. Awarded 1994 (1 year). Total Costs = \$16,800.

Co-Investigator. "Electro-Therapeutic Pain Blocking Splints and Bandages." SBIR, Phase II. National Institute on Drug Abuse (R44-DA11845). Awarded 1997 (2 years). Total Costs = \$750,000.

Co-Investigator. "Selection of Aviation Personnel with Regard to Their Potential Risk of Capture: Psychobiological Assessment of Student Aviator Exposure to a Stressful Training Event." Robert E. Mitchell Center for Studies of Repatriated Prisoners of War (N0001800WR20001). Awarded 2000. Total Costs = \$138,000.

Co-Investigator. "The War Fighter's Stress Response: Telemetric and Noninvasive Assessment." United States Army Research Acquisition Authority (MIPR2BCJYG2041). Awarded 2001 (2 years). Total Costs = \$430,100.

Co-Investigator. "Biopsychological Assessment of Spatial Abilities." Office of Naval Research (N0001402WX20643). Awarded 2002 (1 year). Total Costs = \$152,000.

Principal Investigator. "A Novel RF TENS Device for Acute Pain." STTR, Phase I. National Institute of Drug Abuse (DA16547). Awarded 2002 (1 year). Total Costs = \$172,000.

Co-Investigator. "Validation of the Necessity of Basic Water Survival Training: Do Better Swimming Skills Equal Better Helicopter Underwater Egress Skills?" United States Coast Guard (DTCGG8-03-X-DNQ198). Awarded 2003 (6 months). Total Costs = \$4,000.

Principal Investigator. "Biopsychological Assessment." IPA, Naval Aerospace Medical Research Laboratory. Awarded 2002 (3 months). Total costs = \$35,500.

Principal Investigator. "The Multiple Measures System for Aviation Selection: Phase I." IPA, Naval Aerospace Medical Research Laboratory. Awarded 2003 (3 months). Total Costs = \$19,815.

Principal Investigator. "A Psychophysiological Study of Computer-Based Testing and Workload." IPA, Naval Aerospace Medical Research Laboratory. Awarded 2004 (6 months). Total Costs = \$9,959.

Principal Investigator. "The Multiple Measures System for Aviation Selection: Phase II." IPA, Naval Operational Medical Institute. Awarded 2004 (6 months). Total Costs = \$19,918.

Principal Investigator. "MMS Battery Development Psychomotor Test Phase III." IPA, Naval Operational Medicine Institute. Awarded 2005 (9 months). Total Costs = \$57,419.

Principal Investigator. "Neuropsychological/physiological Early Detection of MCI-a." Johnnie B. Byrd, Sr. Alzheimers Center & Research Institute (ARG-2008-15). Awarded 2008 (12 months). Total Costs = \$43,748.00.

Principal Investigator. "Assessing the Efficacy of Pseudo Odor Training Aids in Canine Explosive Odor Detection." Subcontract from K2 Solutions, Inc., Southern Pines, NC. Grant award from the Department of Homeland Security. (K2 UM DHS NO CFDA 97.00). Awarded 2013 (6 months). Total Costs = \$66,166.33.

Co-Investigator. "Personalized Ubiquitous Learning System with Adaptive Response (PULSAR)." Subcontract from Engineering & Computer Simulations, Inc., Orlando, FL. (W900QY-13-C-0030). Awarded 2014 (12 months). Total Costs = \$75,000.00.

Principal Investigator. "Data for Enabling Content in Adaptive Learning Systems (DECALS)." Subcontract from Eduworks Corporation, Corvallis, OR. (W911QY-13-C-0087). Awarded 2014 (15 months). Total Costs = \$35,669.00.

Editorial Consulting

Editor-in-Chief, *Applied Psychophysiology and Biofeedback* (formerly *Biofeedback and Self-Regulation*), 1995-present.

Editor-in-Chief, *Behavior Therapy*, 1996-1998.

Associate Editor, *Cephalgia*, 2013-present.

Associate Editor, *Behavior Therapy*, 1984 to 1986; 1995.

Associate Editor (Interim), *Behavioral Assessment*, 1985.

Associate Editor, *Biofeedback and Self-Regulation*, 1992-1994.

Managing Editor, *Behavior Therapy* and *the Behavior Therapist*, 1986 to 1990.

Editor (1984-1985), Special Topics Coordinator (1981-1983), *Behavioral Medicine Advances Newsletter*.

Editorial Board, *Advances in Medical Psychotherapy*, 1987-2002.

Editorial Board, *Annals of Behavioral Medicine* (formerly *Behavioral Medicine Abstracts*), 1982-1985; 1991-994.

Editorial Board, *Applied Research in Mental Retardation*, 1984-1986.

Editorial Board, *Behavior Therapy*, 1989-1995, 1999-2013.

Editorial Board, *Biofeedback and Self-Regulation*, 1985-1991.

Editorial Board, *Cephalgia*, 1994-2001.

Editorial Board, *Child Psychiatry and Human Development*, 2008-present.

Editorial Board, *Children's Health Care*, 2008-present.

Editorial Board, *Headache*, 1988-2001.

Editorial Board, *Journal of Applied Behavior Analysis*, 1981 to 1982, 1984-1987, 1988-1992.

Editorial Board, *Journal of Consulting and Clinical Psychology*, 1982-1984.

Editorial Board, *Journal of Headache and Pain*, 2000-2007.

Editorial Board, *Journal of Psychopathology and Behavioral Assessment*, 1988-2008.

Editorial Board, *Journal of Rehabilitation and Health*, 1993-2002.

Editorial Board, *Pain*, 1999-2008.

31. Andrasik, F. (1986, January). *Biofeedback treatment of tension headache: What mediates outcome?* Colloquium presented to the Department of Psychology and Human Development, Peabody College of Vanderbilt University, Nashville, TN.
32. Andrasik, F. (1986, January). *Recent developments in the psychological treatment of recurrent headache*. Grand Rounds presented to the Department of Psychiatry, Wilford Hall USAF Medical Center, San Antonio, TX.
33. Andrasik, F. (1986, January). *Issues in the assessment and treatment of recurrent headaches*. Colloquium presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio, TX.
34. Andrasik, F. (1987, January). *Psychological/headache evaluation: Interviewing and self-testing*. Presented at the postgraduate course of the American Association for the Study of Headache, Scottsdale, AZ.
35. Andrasik, F. (1987, January). *Clinical utilization of biofeedback therapy*. Presented at the postgraduate course of the American Association for the Study of Headache, Scottsdale, AZ.
36. Andrasik, F. (1987, February). *Assessment and treatment of recurrent headache*. Colloquium presented to the Department of Psychology, Eastern Kentucky University, Richmond, KY.
37. Andrasik, F. (1987, March). *Treatment of recurrent headache*. Grand Rounds presented to the Department of Psychiatry, Rhode Island Hospital, Providence, RI.
38. Andrasik, F. (1987, April). *Behavioral treatment of recurrent headache*. Grand Rounds presented to the Department of Psychiatry, Wilford Hall USAF Medical Center, San Antonio, TX.
39. Andrasik, F. (1987, April). *Assessing the role of EMG conditioning in the biofeedback treatment of headache*. Colloquium presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio, TX.
40. Andrasik, F. (1987, April). *Assessment and treatment of recurrent headache*. Colloquium presented to the Department of Psychology, St. Mary's University, San Antonio, TX.
41. Andrasik, F. (1987, April). *Recent developments in the behavioral treatment of recurrent headache*. Colloquium presented to the Department of Psychology, Furman University, Greenville, SC.

42. Andrasik, F. (1987, April). *Recent developments in the behavioral treatment of recurrent headache*. Presented at the annual meeting of the South Carolina Psychological Association Myrtle Beach, SC.
43. Andrasik, F. (1988, January). *Psychological assessment*. Presented at the postgraduate course of the American Association for the Study of Headache, Scottsdale, AZ.
44. Andrasik, F. (1988, January). *Psychological treatment of headache*. Presented at the postgraduate course of the American Association for the Study of Headache, Scottsdale, AZ.
45. Andrasik, F. (1988, February). *Psychological investigation of headaches: Sometimes the statistics make my headache ache*. Colloquium presented to the Department of Mathematics and Statistics, University of West Florida, Pensacola, FL.
46. Andrasik, F. (1988, July). *Treatment and case management strategies for allied professionals*. Presented at the Chronic Pain Syndrome seminar on the EuropaSun, Pensacola, FL.
47. Andrasik, F. (1988, November). *Developments in the care of headache patients*. Presented to the Psychology Department, Veterans Administration Medical Center, Pensacola, FL.
48. Andrasik, F. (1989, January). *Psychophysiology of headache*. In F.D. Sheftell (Chair), Psychophysiological aspects of headache. Symposium presented at the postgraduate course of the American Association for the Study of Headache, Scottsdale, AZ.
49. Andrasik, F. (1989, January). *Psychological aspects of headache*. In J.D. Dexter (Chair), All things considered. Symposium presented at the post-graduate course of the American Association for the Study of Headache, Scottsdale, AZ.
50. Andrasik, F. (1989, May). *Psychological assessment and treatment of pediatric migraine*. Pediatric Grand Rounds presented at Sacred Heart Children's Hospital, Pensacola, FL.
51. Andrasik, F. (1990, February). *Special considerations with headache patients*. Presented at the meeting of the Biofeedback Society of Florida, Altamonte Springs, FL.
52. Andrasik, F. (1990, December). *Developments in the clinical management of recurrent headache*. Invited presentation at the Psychology of Health, Immunity, and Disease Conference, Orlando, FL.
53. Andrasik, F. (1991, February). *Recent developments in management of recurrent headache*. Grand Rounds presented to the Department of Psychiatry, Wilford Hall USAF Medical Center, San Antonio, TX.
54. Andrasik, F. (1991, February). *Psychophysiology of headache: A search for the Holy Grail*. Colloquium presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio, TX.
55. Andrasik, F. (1991, April). *Excursions into headache*. Colloquium presented to the Department of Psychology, Ohio University, Athens, OH.
56. Andrasik, F. (1991, October). *Behavioral treatment of chronic pain*. Colloquium presented to the Department of Psychology, University of Hawaii at Manoa, Honolulu, HI.

57. Andrasik, F. (1991, November). ***Recent developments in the behavioral management of recurrent headaches***. Keynote Address presented at the annual meeting of the Ohio Society for Behavioral Health and Biofeedback, Columbus, OH.
58. Andrasik, F. (1991, December). ***Nonpharmacological approaches to the treatment of recurrent headache***. Grand Rounds presented to the Department of Psychiatry, Wilford Hall USAF Medical Center, San Antonio, TX.
59. Andrasik, F. (1991, December). ***Biobehavioral treatment for hypertension***. Colloquium presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio, TX.
60. Andrasik, F. (1993, January). ***A biobehavioral overview of adult and pediatric headache***. Colloquium presented to the Department of Psychology, VA Medical Center, Biloxi, MS.
61. Andrasik, F. (1993, February). ***Single case experimental designs: Research strategies for the scientist practitioner***. Presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio.
62. Andrasik, F. (1993, February). ***Biobehavioral treatment of recurrent headache***. Grand Rounds presented to the Department of Psychiatry, Wilford Hall USAF Medical Center, San Antonio, TX.
63. Andrasik, F. (1993, September). ***Psychological aspects of recurrent headaches***. Presented at the Behavioral Medicine Center, Baptist Hospital, Pensacola, FL.
64. Andrasik, F. (1994, March). ***Twenty-five years of progress: Twenty-five years more?*** Presidential Address presented at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Atlanta, GA.
65. Andrasik, F. (1994, March). ***Confidentiality***. Invited presentation at the "Bridging the Gap: Full service schools conference," Santa Rosa County School Board, Pensacola Beach, FL.
66. Miller, B.D., Wilson, R., Packard, R.C., Andrasik, F., & Budzynski, T. (1994, September). ***Migraine headaches: New Approach for an old disease***. Grand Rounds presented to the Department of Pediatrics, Sacred Heart Children's Hospital, Pensacola, FL.
67. Andrasik, F., & Otis, J. (1994, December). ***Current treatment of migraine headaches, AIDS research, and other disorders***. Invited address presented to the Mental Hygiene Clinic, Veterans Administration Medical Center, Pensacola, FL.
68. Andrasik, F. (1995, May). ***Behavioral treatment of recurrent headache***. Grand Rounds presented to the Department of Psychiatry, Medical University of South Carolina, Charleston, SC.
69. Andrasik, F. (1997, April). ***A view to the future***. Colloquium presented to the Center for Psychological Studies, Nova Southeastern University, Ft. Lauderdale, FL.
70. Andrasik, F. (1997, July). ***Behavioral treatment of recurrent headache: Manualized and economized***. Colloquium presented to the Psychology Section, Boston Veterans Administration Medical Center, Boston, MA.

71. Andrasik, F. (1998, April). ***Behavioral assessment and treatment of recurrent headache.*** Colloquium presented to the Department of Psychology, University of Cincinnati, Cincinnati, OH.
72. Andrasik, F. (1998, June). Patient strategies in migraine management. In N. Ramadan (Chair), ***Maximizing treatment response to acute migraine therapy.*** Invited symposium conducted at the annual meeting of the American Association for the Study of Headache, San Francisco, CA.
73. Andrasik, F. (2001, June). ***Headache in children and adolescents.*** Invited presentation at the 10th International Headache Congress, New York, NY.
74. Andrasik, F. (2001, June). ***Behavioral treatment for pediatric and adolescent headache.*** Invited presentation at the 10th International Headache Congress, New York, NY.
75. Andrasik, F. (2002, March). ***Nonpharmacological treatment approaches.*** Invited presentation at the Changing the Face of Pediatric Pain pre-conference symposium at the 21st annual meeting of the American Pain Society, Baltimore, Maryland.
76. Andrasik, F. (2002, March). ***Behavioral treatment of headaches in children and adults: Three decades of progress.*** Distinguished Scientist Award Address presented at the 33rd annual meeting of the Association for Applied Psychophysiology and Biofeedback, Las Vegas, Nevada.
77. Andrasik, F. (2002, March). ***Behavioral treatment of headache in children and adolescents.*** Invited presentation for the Pediatric Section at the 33rd annual meeting of the Association for Applied Psychophysiology and Biofeedback, Las Vegas, Nevada.
78. Andrasik, F. (2002, October). ***Behavioral treatment of recurrent headache.*** Colloquium presented to the Department of Psychology, Louisiana State University, Baton Rouge, LA.
79. Andrasik, F. (2003, January). ***Behavioral treatment of recurrent headache.*** Grand Rounds presented to the Department of Psychiatry, Wilford Hall USAF Medical Center, Lackland Air Force Base, San Antonio, TX.
80. Andrasik, F. (2003, April). ***Biofeedback treatment of tension-type headache: What mediates outcome?*** Colloquium presented to the Department of Psychology, Louisiana State University, Baton Rouge, LA.
81. Andrasik, F. (2003, April). ***Biobehavioral treatment of pediatric headache: Current status, future directions.*** Grand Rounds presented to the Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, MS.
82. Andrasik, F. (2003, September). ***Biofeedback and headache.*** Invited address at the annual clinical meeting of the American Academy of Pain Management, Denver, CO.
83. Andrasik, F. (2003, September). ***Uncommon cures for the common headache.*** Michael Dinoff Memorial Lecture presented at the University of Alabama, Tuscaloosa, AL.
84. Andrasik, F. (2003, December). ***Looking into the future: Times two, er three.*** Colloquium presented to the Department of Psychology, University of Alabama, Tuscaloosa, AL.

85. Andrasik, F. (2004, March). *Conversation hour: Current issues in behavioral medicine*. Invited conversation hour at the 50th annual meeting of the Southeastern Psychological Association, Atlanta, GA.
86. Grazzi, L., & Andrasik, F. (2004, August). *Headache roundtable*. Roundtable discussion presented to the Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, MS.
87. Grazzi, L., & Andrasik, F. (2004, August). *New treatment for chronic headaches: Neurosurgical, pharmacological and behavioral*. Grand Rounds presented to the Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, MS.
88. Andrasik, F. (2004, September). *Behavioral treatment of recurrent headaches: Current status, future directions*. Grand Rounds presented to the Department of Psychology, Wilford Hall USAF Medical Center, San Antonio, TX.
89. Andrasik, F. (2004, September). *Relaxation and biofeedback self-management for pain*. Invited address at the annual clinical meeting of the American Academy of Pain Management, San Antonio, TX.
90. Andrasik, F. (2005, April). *How can biofeedback improve US healthcare?* Invited address at the Science Forum on Mind-Body Medicine, Washington, DC. [Sponsored by the Federation of Behavioral, Psychological, and Cognitive Sciences and the Association for Applied Psychophysiology and Biofeedback]
91. Andrasik, F. (2005, April). *New horizons in pain management: Headache as a case in point*. Invited address at the Science Forum on Mind-Body Medicine, Washington, DC. [Sponsored by the Federation of Behavioral, Psychological, and Cognitive Sciences and the Association for Applied Psychophysiology and Biofeedback]
92. Andrasik, F. (2005, September). *Biofeedback and related approaches for primary headache disorders*. Invited address at the annual clinical meeting of the American Academy of Pain Management, San Diego, CA.
93. Andrasik, F. (2005, September). *Biobehavioral treatment for primary headache disorders*. Invited address at the annual clinical meeting of the American Academy of Pain Management, San Diego, CA.
94. Andrasik, F. (2005, November). *Biobehavioral treatment for recurrent headache disorders*. Invited address at the Second Annual Headache and Pain Symposium, Tampa, FL.
95. Andrasik, F. (2006, June). *Psychological considerations*. In C. Connick-Mabry (Chair), Treating persons with neurodevelopmental/intellectual disabilities through an inter-professional approach. Invited preconference symposium at the annual meeting on Special Care Dentistry, Chicago, IL.
96. Andrasik, F. (2006, June). *Psychological considerations in treating dental fears in individuals with developmental disabilities*. Colloquium presented to the Department of Psychology, Pinecrest Developmental Center, Pineville, LA.

97. Andrasik, F. (2006, September). *Behavioral medicine: A bird's eye view of the past, present, and future*. Presented to the Northwest Florida Psychological Association, Pensacola, FL.
98. Andrasik, F. (2007, November). *Behavioral issues and headache: New research*. Invited Address at the Seventh Annual HCNE Boston Headache Symposium "Headache Across the Lifespan," Boston, MA.
99. Andrasik, F. (2008, February). *Psychological issues in headache*. Invited address presented at the 21st annual practicing physician's approach to the difficult headache patient, Scottsdale, AZ.
100. Andrasik, F. (2009, March). *Looking into the future, times two: New directions in pain research*. Colloquium presented to the Department of Psychology, University of Memphis, Memphis, TN.
101. Andrasik, F. (2009, April). *Recent developments in headache research: Focus on migraine*. Grand Rounds presented to the Department of Psychology, Wilford Hall USAF Medical Center, Lackland Air Force Base, San Antonio, TX.
102. Andrasik, F. (2009, May). *Pain and PTSD: What do we know about it? What can we do about it?* Invited address at the 2nd Deployment Mental Health Symposium 2009 "The hidden casualties of war: Moving to solutions," Pensacola, FL.
103. Andrasik, F. (2009, October). *Biofeedback in headaches*. Invited address presented at the Heart-Brain Summit, Chicago, IL.
104. Andrasik, F. (2010, May). *Biofeedback and related approaches for orofacial pain: Evidence Based*. Invited address presented at the annual meeting of the American Academy of Orofacial Pain, Orlando, FL.
105. Andrasik, F. (2010, November). *Behavioral medicine: Expanding our reach*. Presidential address presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
106. Andrasik, F. (2011, March). *Perspectives on applications in clinical biofeedback*. Invited presentation at the "Clinical Update Series," Association for Applied Psychophysiology and Biofeedback, New Orleans, LA.
107. Andrasik, F. (2011, March). *Headaches and anxiety*. Clinical Rounds presented at the annual meeting of the Anxiety Disorders Association of America, New Orleans, LA.
108. Andrasik, F. (2011, June). *Nonpharmacological treatments for migraine: Efficacy and beyond*. Distinguished lecture presented at the Center for Translational Neuroscience, University of Arkansas for Medical Sciences, Little Rock, AR.
109. Schwartz, M.S., & Andrasik, F. (2012, March). *Biofeedback perspectives*. Invited presentation at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Baltimore, MD.
110. Milner, R., & Andrasik, F. (2012, July). *Detector dogs and the canine solution panel*. Invited presentation at the 7th annual Counter IED Summit, Tampa, FL.

111. Gevirtz, R., & Andrasik, F. (2013, March). *HRV and back pain*. Invited presentation at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Portland, OR.
112. Andrasik, F., & Gevirtz, R. (2013, March). *Current psychophysiological perspectives on adult and pediatric headache*. Invited presentation at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Portland, OR.
113. Andrasik, F. (2014, February). *Past, present, and future*. Colloquium presented to the Department of Psychology, University of South Alabama, Mobile, AL.
114. Andrasik, F. (2014, March). *Current trends and new directions in biofeedback*. Invited presentation at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Savannah, GA.
115. Andrasik, F. (2014, April). *Behavioral medicine: Past, present, and future-A personal journey*. Keynote Address presented at the first annual conference on psychological science, University of Mississippi, Oxford, MS.
116. Andrasik, F. (2015, September). *Behavioral and psychological aspects of chronic migraine: Chronic migraine education program*. Invited presentation at PAINWeek, Las Vegas, NV.

Invited Scientific Presentations: International

1. Andrasik, F. (1984, August). *Biofeedback and relaxation treatment for pediatric migraine headache*. Presented at the annual meeting of the American Association of Biofeedback Clinicians, Toronto, Ontario, Canada.
2. Andrasik, F. (1984, October). *Another critical look at the role of conditioning in the biofeedback treatment of tension headache*. Colloquium presented to the Department of Psychology, University of Calgary, Calgary, Alberta, Canada.
3. Andrasik, F. (1987, October). *Biofeedback applications for headache*. Invited presentation at the International Symposium on Clinical Perspectives on Headache and Other Pain Syndromes, University of Ulm, Ulm, Germany.
4. Andrasik, F. (1990, July). *Pain theory*. Invited presentation at the Nordic Post-Graduate Seminar on Behavioural Medicine, University of Trondheim, Trondheim, Norway.
5. Andrasik, F. (1990, July). *Assessment and treatment of headache*. Invited presentation at the Nordic Post-Graduate Seminar on Behavioural Medicine, University of Trondheim, Norway.
6. Andrasik, F. (1990, July). *Pain and headache*. Invited presentation at the Nordic Post- Graduate Clinical Seminar on Behavioural Medicine, University of Trondheim, Trondheim, Norway.
7. Andrasik, F. (1993, August). Prophylactic treatment of headache by stress management and cognitive-behavioral therapy: A biobehavioral approach. In W.D. Gerber & B. Ellertsen (Chairpersons), *Biobehavioral aspects in headache*. Invited symposium conducted at the sixth congress of the International Headache Society, Paris, France.
8. Andrasik, F. (1993, November). *Headaches: What mediates outcome?* Invited address presented at the Applied Psychophysiology and Biofeedback Conference, Banff, Alberta, Canada.
9. Andrasik, F. (1993, November). *Crystal ball gazing*. Invited address presented at the Applied Psychophysiology and Biofeedback Conference, Banff, Alberta, Canada.
10. Andrasik, F. (1993, November). *Association for Applied Psychophysiology and Biofeedback: Trends in the professions: Philosophies and predictions*. Invited address presented at the Applied Psychophysiology and Biofeedback Conference, Banff, Alberta, Canada.
11. Andrasik, F. (1994, June). *Behavioral medicine in clinical practice and research*. Invited presentation at the Kieler Woche Verhaltensmedizin Symposium, University of Kiel, Kiel, Germany.
12. Belar, C.D., & Andrasik, F. (1996, August). *Task force on practice guidelines for headaches*. Discussion section held at the annual meeting of the American Psychological Association, Toronto, Ontario, Canada.
13. Andrasik, F. (1998, June). Behavioral approaches in tension-type headache: Rationale and efficacy. In B. Ellertsen, W.D. Gerber, & S. Donias (Chairpersons), *Non-pharmacological approach to headache therapy*. Invited symposium conducted at the fourth congress of the European Headache Federation, Corfu, Greece.

14. Andrasik, F. (1998, June). *Behavioral treatment of recurrent headache*. Grand Rounds presented to the Department of Neurology and Neurosurgery, National Neurological Institute "C.Besta," Milan, Italy.
15. Andrasik, F. (1999, September). Psychosocial comorbidity. In V. Guidetti & L. Metsähonkala (Chairpersons). *Comorbidity of migraine*. Invited symposium presentation at the IVth International Congress on Headache in Childhood and Adolescence, Turku, Finland.
16. Andrasik, F. (1999, September). Biofeedback training in childhood headache. In B. Larsson & P. McGrath (Chairpersons), *Non-drug therapy*. Invited symposium conducted at the IVth International Congress on Headache in Childhood and Adolescence, Turku, Finland.
17. Andrasik, F. (2000, September). Biobehavioral treatment of headaches in children and adolescents. In V. Guidetti & P. Winner (Chairs), *Paediatrics 2*. Invited symposium conducted at Headache World 2000, London, England.
18. Andrasik, F. (2001, March). *Biofeedback with children: Current status and appraisal*. Invited presentation at the 8th Congress of the German Society on Behavioral Medicine and Behavior Modification, Kiel, Germany.
19. Andrasik, F. (2001, March). *Clinical behavioral pediatrics: An overview*. Keynote Address presented at the 8th Congress of the German Society on Behavioral Medicine and Behavior Modification, Kiel, Germany.
20. Andrasik, F. (2001, September). *Migraine and quality of life: Psychological considerations*. Keynote Address (Lettura Magistrale) presented at Focus on Migraine: Recent Advances in Mechanisms and Management, Stresa, Italy.
21. Andrasik, F. (2002, June). *Behavioral treatment of headache: Current status*. Invited address at the Fifth Symposium on Headache in Children and adolescents, Oberhausen, Germany.
22. Andrasik, F. (2003, May). *Behavioral treatment approaches to chronic headache*. Keynote Address (Lettura Magistrale) presented at Focus on Chronic Headache: Recent Advances in Mechanisms and Management, Stresa, Italy.
23. Andrasik, F. (2003, June). *Evolution of headache in childhood and adolescence*. Invited address at the International Expert State of the Art Symposium on Chronic Diseases in Childhood and Adolescence. From Etiology to Prevention, Kiel, Germany.
24. Andrasik, F. (2004, April). *Non-pharmacological treatment is important*. In M. Hämäläinen & C. Wöber-Bingöl (Chairs). Controversies in treating headache in children and adolescents. Invited symposium conducted at the Sixth International Congress on Headache in Children and Adolescents, Vienna, Austria.
25. Andrasik, F. (2004, April). *Quality of life in children and adolescents with recurrent or chronic headache*. Chair and Discussant, Platform Discussion presented at the Sixth International Congress on Headache in Children and Adolescents, Vienna, Austria.
26. Andrasik, F. (2004, April). *Behavioral treatment of recurrent headaches: Current status, future directions, and potential German-US collaborations*. Colloquium presented to the Institute of Medical Psychology and Behavioral Neurobiology, University of Tübingen, Tübingen, Germany.

27. Andrasik, F. (2004, June). ***Self-management of recurrent headache: Established applications.*** In J.C. Rains (Chair), Invited Symposium at the annual meeting of the American Headache Society, Vancouver, British Columbia, Canada.
28. Moss, D., Sella, G. E., Andrasik, F., Donaldson, S., Lehrer, P., Palsson, O., Peper, E., & Serman, M. B. (2004, December). ***Medycyna umysłu i ciała, biofeedback oraz powszechne problemy zdrowotne. Mind-body medicine, biofeedback, and common health disorders.*** Invited presentation presented at the International Symposium of Noo-Logotherapy—In Centenary of Viktor Frank's Birth, Noo-Psychosomatika (Mind-Body Medicine Division), Catholic University, Lublin, Poland.
29. Andrasik, F. (2005, February). ***Biofeedback and related treatments for recurrent headache: Current status and future directions.*** Keynote Address presented at the ninth annual meeting of the Biofeedback Foundation of Europe, Hasselt, Belgium.
30. Andrasik, F., & Grazzi, L. (2005, May). ***Pharmacological and behavioral treatment for chronic headache.*** Grand Rounds presented to the Department of Neurology, Istituto Nazionale Neurologico "Carlo Besta," Milan, Italy.
31. Andrasik, F., Flor, H., & Turk, D.C. (2005, May). ***Psychological aspects in typical and atypical facial pain.*** Keynote Address (Lettura Magistrale) presented at Focus on Headaches and Facial Pain: Recent Advances in Mechanisms and Management, Stresa, Italy.
32. Andrasik, F., Grazzi, L., Usai, S., & Bussone, G. (2006, September). ***Behavioral vs. pharmacological treatment for juvenile tension-type headache: Preliminary findings.*** In C. Wöber-Bingöl & V. Guidetti (Co-chairs). Paediatric session. Presented at the 16th Migraine Trust International Symposium, Research: The way to the future, London, England.
33. Andrasik, F. (2006, September). ***Psychological aspects of headache management.*** In I. Abu-Arafeh (Chair). Invited address presented at the Childhood Headache Symposium, London, England.
34. Andrasik, F., & Rime, C. (2007, May). ***Can behavioural therapy influence neuromodulation?*** Keynote Address (Lettura Magistrale) presented at the Focus on Primary Headaches: Recent Advances in Mechanisms and Management, Stresa, Italy.
35. Andrasik, F. (2007, October). ***Eficácia do biofeedback no tratamento do dor.*** Invited address presented at SIMBIDOR (Simpósio Brasileiro e Encontro Internacional sobre Dor), São Paulo, Brazil.
36. Andrasik, F. (2007, October). ***Consequências do abuso de analgésicos.*** Invited address presented at SIMBIDOR (Simpósio Brasileiro e Encontro Internacional sobre Dor), São Paulo, Brazil.
37. Andrasik, F. (2007, October). ***Modelo bio-psico-sociológico de dor.*** Invited address presented at SIMBIDOR (Simpósio Brasileiro e Encontro Internacional sobre Dor), São Paulo, Brazil.
38. Andrasik, F. (2007, November). ***Behavioral neuromodulation of pain: Potential US-German collaborations.*** Colloquium presented to the Institute of Medical Psychology and Behavioral Neurobiology, University of Tübingen, Tübingen, Germany.

39. Andrasik, F. (2007, November). *Therapie chronischer rüchenschmerzen*. Invited address presented at the Filderklinik, Filderstadt, Germany.
40. Andrasik, F. (2007, November). *Behavioral approaches to pain: Potential US-German collaborations*. Invited address presented to the Department of Clinical and Cognitive Neuroscience, University of Heidelberg, Mannheim, Germany.
41. Andrasik, F. (2008, May). *Efficacy of biofeedback treatments for pediatric headache*. Invited address presented at the VII International Congress on Headache in Children and Adolescents, Istanbul, Turkey.
42. Andrasik, F. (2009, May). *Non-pharmacological approaches to treating chronic migraine with medication overuse*. Invited presentation at the 6th International Headache Seminar Focus on Headaches: New Frontiers in Mechanisms and Management, Stresa, Italy.
43. Andrasik, F. (2009, October). *Biofeedback para o manejo da dor: Revisão da eficácia*. Invited address presented at SIMBIDOR (Simpósio Brasileiro e Encontro Internacional sobre Dor), São Paulo, Brazil.
44. Andrasik, F., & Gerber, W.D. (2009, October). *Biofeedback para cefaléia: Novas direções de pesquisa*. Invited address presented at SIMBIDOR (Simpósio Brasileiro e Encontro Internacional sobre Dor), São Paulo, Brazil.
45. Grazzi, L., & Andrasik, F. (2010, June). *Non-pharmacological approaches in migraine prophylaxis: Behavioral medicine*. Invited address presented at the Associazione Neurologica Italiana per la Ricerca sulle Cefalee, Genova, Italy.
46. Grazzi, L., & Andrasik, F. (2010, June). *Headache in young children: Classification of primary forms*. Invited address presented at the Associazione Neurologica Italiana per la Ricerca sulle Cefalee, Genova, Italy.
47. Andrasik, F. (2010, June). *Stress and coping*. Invited address presented to the Institute of Medical Psychology and Medical Sociology, University of Kiel, Hospital, Germany.
48. Andrasik, F., Lords, A., & Jovanov, E. (2010, November). *Psychobiological assessment of high intensity military training*. Invited address presented at Tauchen und Hyperbare Oxygenation– Aktuelle medizinische und psychologische Aspekte, Kiel, Germany.
49. Andrasik, F. (2011, May). *Biofeedback treatment of chronic headache*. Invited presentation at the Tel Aviv Conference on Headache and Pain (CoPain) (in conjunction with the 23rd Annual New York Symposium on Headache and Pain), Tel Aviv, Israel.
50. Andrasik, F. (2011, May). *The results of biofeedback – Where is the evidence?* Invited address at the seminar of the Israel Biofeedback Association, Jaffa, Israel.
51. Andrasik, F. (2011, May). *Treatment of headache by biofeedback and behavioral techniques*. Invited address at the seminar of the Israel Biofeedback Association, Jaffa, Israel.
52. Andrasik, F. (2011, May). *The combination of biofeedback and CBT – Does 1+1 = 3?* Invited address at the seminar of the Israel Biofeedback Association, Jaffa, Israel.

53. Andrasik, F. (2011, May). *New developments in building resiliency in defense forces*. Invited address at the seminar of the Israel Biofeedback Association, Jaffa, Israel.
54. Andrasik, F. (2011, May). *The placebo response in headache*. Invited address presented at the 7th International Headache Seminar Focus on Headaches: Update and Upcoming Developments, Stresa, Italy.
55. Andrasik, F. (2011, October). *Debate: Cognitive behavioral therapy is a good treatment for migraine—Yes*. Invited presentation at the 5th World Congress on Controversies in Neurology (CONy) – Asia Pacific Life Course Related Conditions, Beijing, China.
56. Andrasik, F. (2012, March). *Debate: Placebo is useful and important in headache treatment and research—No*. Invited presentation at the 6th World Congress on Controversies in Neurology (CONy), Vienna, Austria.
57. Andrasik, F. (2012, May). *Behavioral treatment of headaches: Extending the reach*. Invited presentation at the 5th National ANIRCEF Congress: Headaches: Pain as Necessity, Naples, Italy.
58. Andrasik, F. (2013, May). *Strategies for managing the capricious course of headache*. Invited presentation at the 8th International Headache Seminar “Focus on Headaches: Pain, Emotion and Headache,” Stresa, Italy.
59. Andrasik, F. (2014, May). *Behavioral medicine: Past, Present, and Future*. Grand Rounds presented to the Department of Neurology, Fondazione IRCCS Istituto Neurologico C. Besta, Milan, Italy.
60. Andrasik, F., & Grazzi, L. (2014, May). *Biofeedback and behavioural treatments*. Invited presentation at the VI Congresso Nazionale ANIRCEF: Le Cefalee Nei Contesti Sociali, Asti, Italy.
61. Grazzi, L, & Andrasik, F. (2014, October). *Pharmacological and non-pharmacological approaches for chronic migraine: Is the withdrawal necessary?* Invited presentation at the XLV meeting of the Italian Neurological Society, Cagliari, Italy.
62. Andrasik, F. (2015, March). *Debate: Behavioral therapy and medication are both necessary for the complete treatment of migraine—Yes*. Invited presentation at the 9th World Congress on Controversies in Neurology (CONy), Budapest, Hungary.
63. Andrasik, F. (2015, March). *Debate: The use of placebo is essential in headache trials—No*. Invited presentation at the 9th World Congress on Controversies in Neurology (CONy), Budapest, Hungary.
64. Andrasik, F. (2015, May). *Integrating nonpharmacological with pharmacological treatments in a comprehensive headache treatment center*. Invited presentation at the Headache Seminar 2015, Stresa, Italy.
65. Andrasik, F. (2015, September). *Cognitive behavior therapy for recurrent migraine*. Invited presentation at the 45th annual European Association for Behavioural and Cognitive Therapies, Jerusalem, Israel.

Invited Workshops/Institutes/Etc.: Local, State, and National
(see next section for Invited Workshops/Institutes/Etc.: International)

1. Blanchard, E. B., & Andrasik, F. (1980, November). *Biofeedback and behavioral treatment of headache and hypertension*. Preconvention institute presented at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
2. Blanchard, E. B., & Andrasik, F. (1980, November). *Behavioral assessment and treatment of headache*. Workshop presented at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
3. Andrasik, F. (1981, October). *Assessment and treatment of headache*. Workshop presented at the meeting of the Ohio Psychological Association, Columbus, OH.
4. Andrasik, F., & Roehr, J. (1982, September). *Stress management*. Seminar presented at the New York State Education Department Employee Recognition Day, Albany, NY.
5. Andrasik, F., Blake, A.A., & Chess, G. (1982, September). *Behavior management*. Workshop presented at the Staff Development Symposium of the New York State Association of Day Treatment Providers, Albany, NY.
6. Andrasik, F. (1982, November). *Biofeedback techniques*. Workshop presented at the Penn State/Behrend College Undergraduate Psychology Conference, Erie, PA.
7. Blanchard, E. B., & Andrasik, F. (1982, November). *Biofeedback and behavioral treatment of headache and hypertension*. Preconvention institute presented at the meeting of the Association for Advancement of Behavior Therapy, Los Angeles, CA.
8. Blumenthal, J.A., Keefe, F.J., Surwit, R.S., Andrasik, F., Levy, R.L., & Chesney, M. (1983, March). *New assessment strategies in behavioral medicine*. Workshop presented at the meeting of the Society of Behavioral Medicine, Baltimore, MD.
9. Blanchard, E. B., & Andrasik, F. (1983, December). *Biofeedback and behavioral treatment of headache and hypertension*. Preconvention institute presented at the meeting of the Association for Advancement of Behavior Therapy, Washington, DC.
10. Andrasik, F., & Attanasio, V. (1984, March). *Biofeedback with children*. Workshop presented at the annual meeting of the Biofeedback Society of America, Albuquerque, NM.
11. Andrasik, F., & Attanasio, V. (1984, May). *Biofeedback with children*. Workshop presented at the annual meeting of the Society of Behavioral Medicine, Philadelphia, PA.
12. Andrasik, F. (1984, September). *Assessment and treatment of headache*. Workshop presented at the annual meeting of the Berkshire Association for Behavior Analysis and Therapy, Amherst, MA.
13. Andrasik, F. (1984, November). *Assessment and treatment of headache*. Workshop presented to the Department of Psychology, Veterans Administration Medical Center, Albuquerque, NM.

14. Blanchard, E. B., & Andrasik, F. (1984, November). ***Biofeedback and behavioral treatment of headache and hypertension***. Preconvention institute presented at the meeting of the Association for Advancement of Behavior Therapy, Philadelphia, PA.
15. Andrasik, F. (1985, May). ***Behavioral assessment and treatment of headache***. Workshop presented at the meeting of the Association for Behavior Analysis, Columbus, OH.
16. Andrasik, F. (1985, May). ***Behavioral treatment of headaches***. Workshop presented at the meeting of the Tennessee Behavior Therapy Association, Memphis, TN.
17. Andrasik, F. (1985, September). ***Diagnostic and treatment issues in anxiety and stress related disorders***. Workshop presented to the Department of Psychology, Veterans Administration Medical Center, Lexington, KY.
18. Holroyd, K. A., Holm, J., & Andrasik, F. (1985, November). ***Clinical issues in the treatment of recurrent headache disorders***. Workshop presented at the meeting of the Association for Advancement of Behavior Therapy, Houston, TX.
19. Andrasik, F. (1986, January). ***Evaluation and treatment of recurrent headache***. Workshop presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio, TX.
20. Andrasik, F., & Attanasio, V. (1986, November). ***Issues in behavioral and pharmacological management of headache***. Workshop presented at the meeting of the Association for Advancement of Behavior Therapy, Chicago, IL.
21. Andrasik, F., & Sargent, J.D. (1987, January). ***Headaches: Psychological aspects of diagnosis and treatment: Biofeedback techniques***. Workshop presented at the Postgraduate course of the American Association for the Study of Headache, Scottsdale, AZ.
22. Andrasik, F. (1987, April). ***Evaluation and treatment of recurrent headache***. Workshop presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio, TX.
23. Andrasik, F. (1987, August). ***Integrating biofeedback into your clinical practice***. Preconvention institute presented at the meeting of the American Psychological Association, New York, NY.
24. Andrasik, F. (1987, November). ***Assessment and treatment of stress disorders***. Workshop presented to the Biofeedback Society of Washington, Seattle, WA.
25. Andrasik, F. (1987, November). ***Stress management for physicians***. Workshop presented at St. Peter Hospital, Olympia, WA.
26. Andrasik, F. (1987, November). ***Stress management for nurses***. Workshop presented at St. Peter Hospital, Olympia, WA.
27. Andrasik, F. (1987, November). ***Integrating biofeedback into your clinical practice***. Preconvention institute presented at the meeting of the Association for Advancement of Behavior Therapy, Boston, MA.
28. Andrasik, F., & Oyama, O.N. (1988, April). ***Behavioral assessment and treatment of recurrent headaches***. Workshop presented at the meeting of the Southeastern Psychological Association, New Orleans, LA.

29. Andrasik, F. (1988, June). *Assessment and treatment of stress disorders*. Workshop presented to the Biofeedback Society of Oregon and the Lane County Psychologists Association, Eugene, OR.
30. Andrasik, F. (1988, August). *Integrating biofeedback into your clinical practice*. Pre-convention workshop presented at the annual meeting of the American Psychological Association, Atlanta, GA.
31. Middaugh, S.J., Andrasik, F., Kaiser, C., Schwartz, M.S., & Schneider, C.J. (1988, October). *Advances in assessment and treatment of headache and musculoskeletal pain*. Workshop presented at the fall meeting of the Association for Applied Psychophysiology and Biofeedback, Seattle, WA.
32. Andrasik, F., & Schwartz, M.S. (1988, November). *Integrating biofeedback into your clinical practice*. Pre-convention institute presented at the annual meeting of the Association for Advancement of Behavior Therapy, NY.
33. Schwartz, M.S., & Andrasik, F. (1988, November). *Biofeedback therapies for headache: Clinical and research issues, therapy models, practice guidelines, and frontal-posterior neck EMG electrode placement*. Workshop presented at the annual meeting of the Association for Advancement of Behavior Therapy, NY.
34. Sheftell, F.D., Mathew, N., Winters, M., & Andrasik, F. (1989, January). *Multidisciplinary treatment of headache*. Workshop presented at the post-graduate course of the American Association for the Study of Headache, Scottsdale, AZ.
35. Andrasik, F. (1989, February). *Assessment and treatment of recurrent headache*. Workshop presented at the Ochsner Medical Institution, New Orleans, LA.
36. Packard, R.C., & Andrasik, F. (1989, March). *Psychological aspects of headache in adults and children*. Workshop presented at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, San Diego, CA.
37. Andrasik, F. (1989, October). *Evaluation and treatment of pain*. Advanced clinical workshop presented at the Department of Psychology, University of Tennessee, Knoxville, TN.
38. Andrasik, F., & McKee, M. (1989, October). *Developments in assessment and treatment of recurrent headache*. Workshop presented at the fall meeting of the Association for Applied Psychophysiology and Biofeedback, New Orleans, LA.
39. Saper, J.R., Andrasik, F., & Silberstein, S. (1989, October). *Advances in headache management*. Pain update workshop presented at the annual meeting of the American Pain Society, Phoenix, AZ.
40. Andrasik, F. (1989, November). *Innovations in assessment and treatment of recurrent headache*. Preconvention institute presented at the annual meeting of the Association for Advancement of Behavior Therapy, Washington, DC.
41. Packard, R.C., & Andrasik, F. (1990, March). *Psychological aspects of headache in adults and children*. Workshop presented at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Washington, DC.

42. Andrasik, F., & Gagnon-Donnelly, D. (1990, April). *Innovations in assessment and treatment of recurrent headache*. Workshop presented at the annual meeting of the Southeastern Psychological Association, Atlanta, GA.
43. Andrasik, F. (1990, April). *Assessment and treatment of headache in adults and children*. Workshop presented at the meeting of the Biofeedback Society of Indiana, Indianapolis, IN.
44. Andrasik, F. (1990, September). *Innovations in assessment and treatment of recurrent headache*. Workshop presented at the fall training program of the Association for Applied Psychophysiology and Biofeedback, NY.
45. Andrasik, F. (1990, October). *Innovations in assessment and treatment of recurrent headache*. Workshop presented at the fall training program of the Association for Applied Psychophysiology and Biofeedback, NY.
46. Andrasik, F. (1991, February). *Single case research design strategies*. Workshop presented at the Wilford Hall USAF Medical Center, San Antonio, TX.
47. Packard, R.C., & Andrasik, F. (1991, March). *Psychological aspects of headache in adults and children*. Workshop presented at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Dallas, TX.
48. Andrasik, F. (1991, April). *Assessment and treatment of recurrent pain in children and adolescents*. Workshop presented at Harbor Oaks, Ft. Walton Beach, FL.
49. Andrasik, F. (1991, June). *Current assessment and treatment of recurrent headache*. Workshop presented to the Biofeedback Society of Florida, Sanibel Island, FL.
50. Andrasik, F. (1991, August). *Integrating biofeedback into your clinical practice*. Workshop presented at the annual meeting of the American Psychological Association, San Francisco, CA.
51. Andrasik, F. (1991, October). *Innovations in assessment and treatment of recurrent headache*. Workshop presented to the Biofeedback and Behavioral Medicine Society of Hawaii, Honolulu, HI.
52. Andrasik, F. (1991, November). *Innovations in assessment and treatment of recurrent headache*. Preconvention institute presented at the annual meeting of the Association for Advancement of Behavior Therapy, New York, NY.
53. Andrasik, F. (1992, March). *Innovations in assessment and treatment of recurrent headache*. Workshop presented at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Colorado Springs, CO.
54. Doll, R., & Andrasik, F. (1992, June). *Coping skills in the management of chronic pain*. Seminar presented at the Behavioral Medicine Center, Baptist Hospital, Pensacola, FL.
55. Andrasik, F., Sedlacek, K.W., & Adler, C.S. (1992, September). *Selected issues in headache management*. Workshop presented at the fall training program of the Association for Applied Psychophysiology and Biofeedback, San Antonio, TX.

56. Andrasik, F. (1992, November). *Advances in assessment and treatment of recurrent headache*. Preconvention institute presented at the annual meeting of the Association for Advancement of Behavior Therapy, Boston, MA.
57. Andrasik, F. (1993, February). *Alternative models for delivering behavioral treatments: Headaches as a case in point*. Workshop presented to the Psychology Section, Wilford Hall USAF Medical Center, San Antonio, TX.
58. Andrasik, F. (1993, March). *Behavioral assessment and treatment of recurrent headache*. Workshop presented at the meeting of the Association for Applied Psychophysiology and Biofeedback, Los Angeles, CA.
59. Andrasik, F. (1993, October). *Headache: Efficacy, cost-effectiveness, alternative treatment models, and patient selection factors*. Workshop presented at the advanced topics workshop program, Association for Applied Psychophysiology and Biofeedback, Washington, DC.
60. Welch, K.M.A., Goadsby, P.J., Peroutka, S.J., Raphael, K., Marbach, J.J., Andrasik, F., & Baker, W. (1993, November). *Selected topics in headache*. Pain Update Professional Development Course presented at the annual meeting of the American Pain Society, Orlando, FL.
61. Andrasik, F. (1994, May). *Headache: Patient selection factors, efficacy, cost-effectiveness, and alternative treatment models*. Workshop present at the annual spring meeting of the Pennsylvania Society of Behavioral Medicine and Biofeedback, Plymouth, PA.
62. Andrasik, F., Thorn, B.E., & Kerns, R.D. (1994, November). *Cognitive behavioral approaches for chronic pain*. Professional Development Course presented at the annual meeting of the American Pain Society, Miami Beach, FL.
63. Andrasik, F. (1996, November). *Integrating biofeedback into your clinical practice*. Preconvention Institute presented at the annual meeting of the Association for Advancement of Behavior Therapy, New York, NY.
64. Andrasik, F. (1998, April). *Integrating biofeedback into your clinical practice*. Workshop presented at the annual meeting of the Southeastern Psychological Association, Mobile, AL.
65. Andrasik, F. (2001, June). *Biofeedback and behavioral therapy: "Hands-on" introduction for the primary care provider*. Invited presentation at the 10th International Headache Congress, New York, NY.
66. Andrasik, F. (2001, July). *Integrating biofeedback into your clinical practice*. Workshop presented to the Department of Psychology, Walter Reed Army Medical Center, Washington, DC.
67. Andrasik, F. (2002, September). *Biofeedback in pain treatment*. Workshop presented to the Biofeedback Society of Illinois, Chicago, IL.
68. Andrasik, F. (2003, January). *Single-subject designs: Conducting meaningful research with small or unique samples*. Workshop presented to the Department of Psychology, Wilford Hall USAF Medical Center, Lackland Air Force Base, San Antonio, TX.

69. Kajander, R., Andrasik, F., & Hall, H. (2003, March). ***Multimodal intervention for pediatric headache***. Workshop presented at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Jacksonville, FL.
70. Andrasik, F. (2003, April). ***Single-subject designs: Conducting meaningful research with small or unique samples***. Seminar presented to the Psychology Faculty, University of Mississippi Medical Center, Jackson, MS.
71. Andrasik, F. (2003, October). ***Introducing biofeedback into your clinical practice***. Workshop presented to the Psychology Department, Tripler Army Medical Center, Honolulu, HI.
72. Andrasik, F. (2003, October). ***Behavioral assessment and treatment of recurrent headache***. Workshop presented to the Psychology Department, Tripler Army Medical Center, Honolulu, HI.
73. Andrasik, F., & Wheeler, S. D. (2003, October). ***Focus on headache: A contemporary understanding of etiology and treatment***. Workshop presented to the Biofeedback Society of Florida, Nova Southeastern University, Ft. Lauderdale, FL.
74. Andrasik, F., & Grazi, L. (2004, August). ***Headache in children and adolescents: Issues in evaluation and treatment***. Seminar presented to the Psychology Faculty, University of Mississippi Medical Center, Jackson, MS.
75. Andrasik, F. (2004, September). ***Single-subject designs: Conducting meaningful research with small or unique samples***. Workshop presented to the Department of Psychology, Wilford Hall USAF Medical Center, San Antonio, TX.
76. Andrasik, F. (2004, October). ***Biobehavioral management of headache***. Workshop presented to the Biofeedback Society of Wisconsin, Elkhart Lake, WI.
77. Andrasik, F. (2004, October). ***Biofeedback and related self-management approaches for pain: Clinical focus***. Workshop presented to the Biofeedback Society of Wisconsin, Elkhart Lake, WI.
78. Andrasik, F. (2005, May). ***Introducing biofeedback into your clinical practice***. Workshop presented to the Department of Psychology, Walter Reed Army Medical Center, Washington, DC.
79. Andrasik, F. (2005, May). ***Behavioral management of headache***. Workshop presented to the Department of Psychology, Walter Reed Army Medical Center, Washington, DC.
80. Andrasik, F. (2005, December). ***Behavioral medicine: Past, present, and future***. Workshop presented to the West Florida Chapter of the Florida Psychological Association, Pensacola, FL.
81. Gerber, W.D., & Andrasik, F. (2008, January). ***Behavioral medicine in headache: Basics, biofeedback, and new treatment strategies***. Workshop presented to the Biofeedback Society of Florida, Orlando, FL.
82. Andrasik, F., & Baskin, S. (2008, May). ***Assessment and interventions for primary headache disorders***. Pre-convention workshop presented at the Mind-Body Institute, annual meeting of the Association for Applied Psychophysiology and Biofeedback, Daytona Beach, FL.

83. Andrasik, F. (2008, September). *Introducing biofeedback into your clinical practice*. Workshop presented to the Psychology Department, Tripler Army Medical Center, Honolulu, HI.
84. Andrasik, F. (2008, September). *Assessment and treatment of recurrent headache*. Workshop presented to the Psychology Department, Tripler Army Medical Center, Honolulu, HI.
85. Andrasik, F. (2009, May). *Single-case experimental methodology: Conducting meaningful research with small or unique samples*. Workshop presented to the Department of Psychology, Wilford Hall USAF Medical Center, Lackland Air Force Base, San Antonio, TX.
86. Andrasik, F. (2012, September). *Integrating biofeedback into your clinical practice*. Workshop presented to the Department of Psychology, Malcolm Grow Medical Center in conjunction with Walter Reed Army Medical Center, Andrews Air Force Base, MD.
87. Buse, D.C., & Andrasik (2012, November). *Behavioral and non-pharmacologic enhancements to headache management*. Workshop presented at the Comprehensive Migraine Education Program, American Headache Society, Houston, TX.
88. Buse, D.C., & Andrasik (2013, November). *Behavioral and non-pharmacologic enhancements to headache management*. Workshop presented at the Comprehensive Migraine Education Program, American Headache Society, Dallas, TX.
89. Baskin, S.J., & Andrasik, F. (2014, March). *Biobehavioral considerations in the diagnosis and treatment of primary headache disorders*. Workshop presented at the meeting of the Association for Applied Psychophysiology and Biofeedback, Savannah, GA.
90. Nicholson, R.A., & Andrasik, F. (2014, December). *Behavioral and non-pharmacological enhancements to headache management*. Workshop presented at the Comprehensive Migraine Education Program, American Headache Society, New York, NY.
91. Andrasik, F., & Nicholson, R.A. (2015, October). *Behavioral and nonpharmacologic enhancements to headache management*. Workshop presented at the Comprehensive Migraine Education Program, American Headache Society, San Francisco, CA.

Invited Workshops/Institutes/Etc.: International

1. Blanchard, E. B., & Andrasik, F. (1981, November). *Biofeedback and behavioral treatment of headache and hypertension*. Preconvention institute presented at the meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario, Canada.
2. Nelson, D.V., Andrasik, F., Donaldson, C.C.S., & Flor, H. (1999, August). *Use of biofeedback training for treating chronic pain*. Workshop presented at the 9th World Congress on Pain, Vienna, Austria.
3. Andrasik, F., Gerber, W.D., Grazzi, L., Pirker-Binder, I., Haller, U.K., & Iordanidis, P. (2004, April). *Nonpharmacological treatment approaches for pediatric headache: Research base, practice considerations*. Invited workshop presented at the Sixth International Congress on Headache in Children and Adolescents, Vienna, Austria.
4. Andrasik, F. (2005, February). *Behavioral assessment and treatment of recurrent headaches*. Invited workshop presented at the ninth annual meeting of the Biofeedback Foundation of Europe, Hasselt, Belgium.
5. Andrasik, F., Grazzi, L., & Usai, S. (2006, February). *Biofeedback and related treatments for recurrent headache disorders*. Invited workshop presented at the tenth annual meeting of the Biofeedback Foundation of Europe, Vienna, Austria.
6. Andrasik, F., & Gerber, W.D. (2006, February). *Biofeedback and related treatments for recurrent headache disorders: Advanced workshop*. Invited workshop presented at the tenth annual meeting of the Biofeedback Foundation of Europe, Vienna, Austria.
7. Andrasik, F., & Grazzi, L. (2007, February). *Biofeedback for recurrent headache disorders*. Invited workshop presented at the eleventh annual meeting of the Biofeedback Foundation of Europe, Berlin, Germany.
8. Andrasik, F. (2007, May). *What does the evidence show?* In F. Andrasik & L. Grazzi (C-Chairs). Update on behavioural approaches in headache patients. Invited international workshop conducted at the Focus on Primary Headaches: Recent Advances in Mechanisms and Management, Stresa, Italy.
9. Andrasik, F., & Perissinotti, D.M.N. (2007, October). *Bio/Neurofeedback*. Invited workshop presented at SIMBIDOR (Simpósio Brasileiro e Encontro Internacional sobre Dor), São Paulo, Brazil.
10. Andrasik, F. (2011, May). *Clinical case discussions*. Invited workshop presented at the Seminar of the Israel Biofeedback Association, Jaffa, Israel.
11. Grazzi, L., & Andrasik, F. (2014, October). *Emicrania cronica: Percorsi farmacologici e non. E' utile la disintossicazione? (Chronic migraine: Pharmacological paths and not. Is it useful to have detoxification?)*. Web-delivered workshop for the Biofeedback Federation of Europe, London, England.
12. Schwartz, M.S., & Andrasik, F. (2015, August). *Biofeedback: Update*. Invited workshop presented to the Academic College of Tel Aviv-Yato, Tel Aviv, Israel.

Refereed Convention Presentations (see VITA SUPPLEMENT

In addition to the Invited Local, State, National, and International Scientific Presentations, Workshops, and Institutes listed above (approximately **280**), approximately **320** other papers have been presented as referred papers at scientific conferences—state, regional, national, and international. A complete listing of these refereed convention presentations is provided in the attached Vita Supplement.

VITA SUPPLEMENT

Refereed Convention Presentations: Local, State, & National
(see next section for Refereed Convention Presentations: International)

1. Bellezza, F.S., & Andrasik, F. (1973, May). *Establishing search sets in free recall*. Paper presented at the meeting of the Midwestern Psychological Association, Cleveland, OH.
2. Arbuthnot, J., & Andrasik, F. (1973, August). Situational influences on moral judgment. *Proceedings of the 81st Annual Convention of the American Psychological Association*, 8, 217-218.
3. Andrasik, F., et al. (1974, April). *Imagery and recognition of textual prose*. Paper presented at the meeting of the American Educational Research Association, Chicago, IL.
4. Winkler, H.B., et al. (1974, May). *The spacing effect and differential encoding*. Paper presented at the meeting of the Midwestern Psychological Association, Chicago, IL.
5. Andrasik, F., et al. (1974, October). *Behavioral programming in a forensic psychiatry setting*. Paper presented at the meeting of the Ohio Psychological Association, Cleveland, OH.
6. Andrasik, F., & McNamara, J.R. (1976, March). *Long term staff intervention in an institutional behavior change system*. Paper presented at the meeting of the Southeastern Psychological Association, New Orleans, LA.
7. Andrasik, F. et al. (1976, May). *Instituting a behavior change program in a forensic psychiatry institution*. Paper presented at the meeting of the Midwestern Association of Behavior Analysis, Chicago, IL.
8. Holroyd, K.A., et al. (1977, April). *Stress coping training and biofeedback assisted relaxation training in the treatment of tension headache*. Paper presented at the meeting of the Eastern Psychological Association, Boston, MA.
9. Bellezza, F.S., et al. (1977, May). *Testing Bernbach's model by varying stimulus imagery and meaningfulness*. Paper presented at the meeting of the Midwestern Psychological Association, Chicago, IL.
10. Andrasik, F., et al. (1977, May). *A preliminary recidivism analysis of a forensic psychiatry behavior change program*. Paper presented at the meeting of the Midwestern Association of Behavior Analysis, Chicago, IL.
11. Andrasik, F., et al. (1977, December). *The effects of policy control on staff performance*. Paper presented at the meeting of the Association for Advancement of Behavior Therapy, Atlanta, GA.
12. Holroyd, K.A., & Andrasik, F. (1978, March). *Self-control of chronic tension headache: A component analysis*. Paper presented at the meeting of the Eastern Psychological Association, Washington, D.C.
13. Holroyd, K.A., & Andrasik, F. (1978, May). Treating tension headache: New data, new questions. In K.A. Holroyd & S. Lynn (Chairs), *Biofeedback and the behavioral treatment of stress related disorders*. Symposium conducted at the meeting of the Midwestern Psychological Association, Chicago, IL.

14. Andrasik, F. (1978, May). *Management by applied behavior analysis: Evaluation goes hand-in-hand with implementation*. Paper presented at the meeting of the Midwestern Association of Behavior Analysis, Chicago, IL.
15. Andrasik, F., & Holroyd, K.A. (1978, November). *A test of the specific effects in the biofeedback treatment of tension headaches*. Paper presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL.
16. Andrasik, F., & Holroyd, K.A. (1979, June). *Treatment of tension headache: A critical look at the role of biofeedback*. Paper presented at the meeting of the Association for Behavior Analysis, Dearborn, MI.
17. Andrasik, F., et al. (1979, June). *Flooding, response prevention, and imipramine in the treatment of obsessive-compulsive neurosis*. Paper presented at the meeting of the Association for Behavior Analysis, Dearborn, MI.
18. Holroyd, K.A., & Andrasik, F. (1979, September). Transfer and maintenance: Targeting coping responses vs. targeting physiological responses. In S.J. Lynn (Chair), *Transfer of treatment effects in biofeedback and behavioral medicine*. Symposium conducted at the meeting of the American Psychological Association, New York, NY.
19. Ollendick, T.H., et al. (1979). *Social skills training with aggressive children*. Paper presented at the meeting of the American Psychological Association, New York, NY.
20. Andrasik, F., & Holroyd, K.A. (1979, December). *Headache monitoring: A comparison of questionnaire and continuous recording procedures*. Paper presented at the meeting of the Association for Advancement of Behavior Therapy, San Francisco, CA.
21. Holroyd, K.A., et al. (1980, April). *Treatment of tension headache: EMG biofeedback versus a credible pseudotherapy*. Paper presented at the meeting of the Eastern Psychological Association, Hartford, CT.
22. Andrasik, F., et al. (1980, May). *Current and future trends for behavior modification in business*. Paper presented at the meeting of the Association for Behavior Analysis, Dearborn, MI.
23. Holroyd, K.A., & Andrasik, F. (1980, June). *Biofeedback as psychotherapy: "Nonspecific" factors in biofeedback therapy*. Paper presented at the meeting of the Society of Psychotherapy Research, Pacific Grove, CA.
24. Neff, D.F., et al. (1980, October). *Three methods of assessing patient improvement in the treatment of chronic headaches*. Paper presented at the Berkshire Conference on Behavioral Analysis, Amherst, MA.
25. Edlund, S.R., et al. (1980, October). *Readability of behavior modification training texts*. Paper presented at the Berkshire Conference on Behavior Analysis, Amherst, MA.
26. Jurish, S.E., et al. (1980, October). *Inter-disciplinary agreement in the diagnosis of headache types*. Paper presented at the Berkshire Conference on Behavioral Analysis, Amherst, MA.
27. Andrasik, F. et al. (1980, November). *A meta-analysis of behavioral treatment procedures for migraine and tension headache*. Paper presented at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
28. Holroyd, K.A., & Andrasik, F. (1980, November). *Do the effects of cognitive therapy endure? A two-year follow-up of tension headache sufferers treated with cognitive therapy or biofeedback*. Paper presented at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.

29. Blanchard, E.B., et al. (1980, November). The effects of relaxation training on three kinds of headache: Tension, migraine, and combined migraine and tension. In E.B. Blanchard (Chair), *Behavioral assessment and treatment of headache*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
30. Andrasik, F., et al. (1980, November). The effects of massed versus distributed training in the temperature biofeedback treatment of vascular headache. In E.B. Blanchard (Chair), *Behavioral assessment and treatment of headache*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
31. Arena, J.G., et al. (1980, November). Comparisons of three measures of improvement in headache patients. In E.B. Blanchard (Chair), *Behavioral assessment and treatment of headache*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
32. Jurish, S.E., et al. (1980, November). The relationship of muscle discrimination ability to treatment outcome for tension headaches. In E.B. Blanchard (Chair), *Behavioral assessment and treatment of headache*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
33. Ahles, T.A., et al. (1980, November). Comparisons of two kinds of daily monitoring procedures. In E.B. Blanchard (Chair), *Behavioral assessment and treatment of headache*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, New York, NY.
34. Andrasik, F. & Holroyd, K.A. (1980, November). *Physiologic and self-report comparisons between tension and non-tension headache sufferers*. Paper presented at the meeting of the Society of Behavioral Medicine, New York, NY.
35. Ossip, D.H., et al. (1980, November). *Parent/child weight loss in family based behavior modification*. Paper presented at the meeting of the Society of Behavioral Medicine, New York, NY.
36. Blanchard, E.B., et al. (1981, March). *A sequential comparison of relaxation training and thermal biofeedback in the treatment of vascular headaches, or the machines may be necessary some of the time*. (2012, November). *Report of the Inter-Organizational Task Force on Cognitive and Behavioral Psychology Doctoral Education*. Panel discussion conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
235. Aderka, I.M., Andrasik, F., DeRubeis, R.J., Mueser, K.T., Persons, J.B., & Sobell, L.C. (2012, November). *Staying to the end: What we know about premature termination in CBT and what we can do about it*. In K.N. Anderson & D.A. Hope (Chairs), Panel discussion conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
236. Lang, K.P., Frankfurt, P., Usai, S., Grazi, L., & Andrasik, F. (2012, November). *Long-term efficacy of day hospital treatment for chronic migraine with medication overuse*. Paper presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, National Harbor, MD.
237. Walker, B., Staggs, H., Jones, W.W., Rodriguez, R., Said, K., Park, J., Hicks, K., Andrasik, F., & Sable, J.E. (2013, February). *Effect of experience and age of exposure on Japanese discrimination between /l/ and /r/ phonemes: An ERP study*. Poster presented at Posters at the Capitol, Nashville, TN
238. Andrasik, F. (2013, August). Chair. *A blueprint for the future: Preparation of Health Service Psychologists*. A symposium conducted at the annual meeting of the American Psychological Association, Honolulu, HI.
239. Lang, K.P., Veazey-Morris, K., & Andrasik, F. (2013, November). *The impact of grief on sleep among OEF/OIF/OND veterans with comorbid mental health complaints*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
240. Rach, A., Andrasik, F., & Veazey-Morris, K.D. (2013, November). *Posttraumatic stress disorder (PTSD) and chronic pain: A symptom cluster investigation*. Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Nashville, TN.
241. Walker, B., Staggs, H., Jones, W.W., Rodriguez, R., Said, K., Park, J., Hicks, K., Andrasik, F., & Sable, J.J. (2014, February). *Pre-attentive brain responses to /l/ and /r/ phoneme contrasts differ between native Japanese and native English speakers: Preliminary results*. Paper presented at the Tennessee Collegiate Honors Council Conference, Memphis, TN.

242. Staggs, H., Walker, B., Jones, W.W., Rodriguez, R., Said, K., Park, J., Hicks, K., Andrasik, F., & Sable, J.J. (2014, March). *Effect of experience and age of exposure on Japanese discrimination between /l/ and /r/ phonemes: An ERP study*. Paper presented at the Mid-South Psychology Conference, Memphis, TN.
243. Walker, B., Staggs, H., Jones, W.W., Rodriguez, R., Said, K., Park, J., Hicks, K., Andrasik, F., & Sable, J. J. (2014, April). *Effect of experience and age of exposure on Japanese discrimination between /l/ and /r/ phonemes: An ERP study*. Paper presented at the National Conference on Undergraduate Research, Lexington, KY.
244. Lang, K.P., Frankfurt, P., Maclin, C., Andrasik, F., Smith, T., Chibnall, J., Tait, R., & Nicholson, R. (2014, November). *Exploring the impact of comorbid mental health conditions on daily disability among persons with migraine*. Paper presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.
245. Gordon, C.-M., Schleip, R., Vagedes, J., Riquelme, I., Birbaumer, N., Andrasik, F., & Montoya, P. (2015, September). *Does myofascial pain sensitization correlate with chronic low back pain? A standardised, randomised, controlled, blinded, myometer study with 3 month follow up*. Paper presented at the fourth international fascia research congress, Washington, D.C.
246. Gordon, C.-M., Lindner, S.M., Birbaumer, N., Montoya, P., & Andrasik, F. (2015, September). *Correlation between hydration and fascia stiffness during a self-help treatment with the Fascia-ReleaZer tool: A bioimpedance, myometer, controlled, clinical trial, N = 30*. Paper presented at the fourth international fascia research congress, Washington, D.C.
247. Gordon, C.M., Lindner, S.M., Birbaumer, N., & Andrasik, F. (2015, September). *Does myofascial self-help manipulation influence tissue regeneration and cellulite? A clinical and literature overview*. Paper presented at the fourth international fascia research congress, Washington, D.C.
248. Gordon, M.-C., Graf, C., Birbaumer, N., Andrasik, F., & Montoya, P. (2015, September). *Interdisciplinary fascia therapy (IFT) in chronic low back pain: An effectivity-outcome study with outpatients*. Paper presented at the fourth international fascia research congress, Washington, D.C.
249. Gordon, M.-C., Lindner, S.M., Birbaumer, N., Montoya, P., & Andrasik, F. (2015, September). *Self-help treatment with a myofascial manipulation tool: A randomized, double controlled, standardized, clinical study, N = 111*. Paper presented at the fourth international fascia research congress, Washington, D.C.
250. Walker, B., Staggs, H., Jones, W.W., Rodriguez, R., Said, K., Park, J., Hicks, K., Andrasik, F., & Sable, J.J. (2015, October). *Pre-attentive brain responses to /l/ and /r/ phoneme contrasts differ between native Japanese and native English speakers: ERP study*. Paper presented at the annual meeting of the Society for Psychophysiological Research, Seattle, WA.

Refereed Convention Presentations: International

1. Holroyd, K.A., et al. (1979, September). *Self-control of chronic tension headache: Cognitive and behavioral changes underlying the effectiveness of biofeedback and stress-coping training therapies*. Paper presented at the American Association for the Advancement of Tension Control International, Interdisciplinary Conference on Stress and Tension Control, London, England.
2. Arena, J.G., et al. (1981, November). The Headache Symptom Questionnaire: Classificatory ability and headache syndromes suggested by a factor analysis. In E.T. Sturgis (Chair), *Multidimensional assessment of headache or the prediction of "Not Tonight Dear..."*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario.
3. Andrasik, F., et al. (1981, November). Psychological characteristics of headache sufferers and the implications for treatment. In S.H. Sanders (Chair), *Patient similarities and differences across chronic pain syndromes treated with behavior therapy*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario.
4. Andrasik, F., et al. (1981, November). Effects of booster treatments on the long-term maintenance of treatment gains. In E.B. Blanchard (Chair), *Behavioral assessment and treatment of headache*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario.
5. Andrasik, F., et al. (1981, November). *Biofeedback treatment of childhood vascular headache*. Paper presented at the meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario.
6. Blanchard, E.B., et al. (1981, November). *A sequential comparison of relaxation training and EMG biofeedback in the treatment of tension headache*. Paper presented at the meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario.
7. Blanchard, E.B., et al. (1981, November). The short term effects of relaxation training and biofeedback on three kinds of headache. In E.B. Blanchard (Chair), *Behavioral assessment and treatment of headache*. Symposium conducted at the meeting of the Association for Advancement of Behavior Therapy, Toronto, Ontario.
8. Andrasik, F., et al. (1982, May). *Biofeedback treatment of headaches in children*. Paper presented at the Pediatric Behavioral Medicine Conference, Ottawa, Ontario.
9. Andrasik, F., et al. (1984, August). *Biofeedback treatment of pediatric headache*. Paper presented at the meeting of the American Psychological Association, Toronto, Ontario.
10. Blanchard, E.B., et al. (1984, August). *Biobehavioral treatment of moderate hypertension*. Paper presented at the meeting of the American Psychological Association, Toronto, Ontario.

13. Andrasik, F., et al. (1987, June). *Psychological investigations of pediatric headache*. Paper presented at the annual meeting of the American Association for the Study of Headache, Quebec City, Quebec, Canada.

14. Andrasik, F., & Mindell, J.A. (1987, June). *Antecedents and consequences of pediatric headache: Validation of clinical interviews*. Paper presented at the annual meeting of the American Association for the Study of Headache, Quebec City, Quebec, Canada.
15. Andrasik, F., Budzynski, T., Napier, D., & Miller, C. (1997, September). *Standard and minimal-contact cognitive-behavioral group treatment for intractable headache*. Paper presented at the Second Congress of the European Federation of the International Association for the Study of Pain Chapters, Barcelona, Spain.
16. Grazzi, L., D'Amico, D., Leone, M., Bussone, G., & Andrasik, F. (1998, June). *Behavioral treatment for drug abuse in headache patients: Results at 6 month follow-up*. Paper presented at the fourth congress of the European Headache Federation, Corfu, Greece.
17. Andrasik, F. (1999, April). Discussant. In R.A. Folen (Chair), *Telehealth/telemedicine and applied psychophysiology*. Symposium conducted at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Vancouver, British Columbia.
18. Andrasik, F. (1999, April). Moderator, *Headache update 1999*. Symposium conducted at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Vancouver, British Columbia.
19. Grazzi, L., Bussone, G., D'Amico, D., Leone, M., & Andrasik, F. (1999, April). *Behavioral approach for treatment of migraine patients with drug abuse*. Paper presented at the annual meeting of the Association for Applied Psychophysiology and Biofeedback, Vancouver, British Columbia.
20. Grazzi, L., Andrasik, F., D'Amico, D., Leone, M., Usai, S., Moschiano, F., & Bussone, G. (2000, September). *Behavioural approach in the treatment of chronic daily headache with drug overuse: A 3-year follow-up study*. Paper presented at Headache World 2000, London, England. [abstract: *Cephalalgia*, 20, p. 300].
21. Miranne, P., Gould, J., Dunn, B.R., & Andrasik, F. (2001, June). *ERP differences in ADHD adults versus controls begin with the early components*. Paper presented at the annual meeting of the American Psychological Society, Toronto, Ontario, Canada.
22. Grazzi, L., D'Amico, D., Usai, S., Leone, M., Nespolo, C., Andrasik, F., & Bussone, G. (2001, September). *Questionario MIDAS nei bambini e negli adolescenti con cefalea: Studio pilota*. Paper presented at Focus on Migraine: Recent Advances in Mechanisms and Management, Stresa, Italy.
23. Grazzi, L., D'Amico, D., Andrasik, F., Usai, S., Leone, M., & Bussone, G. (2001, December). *MMPI profiles in transformed migraine with drug overuse at baseline and after withdrawal*. Paper presented at the 11th international headache research seminar, Copenhagen, Denmark.
24. Grazzi, L., D'Amico, D., Andrasik, F., Usai, S., Leone, M., Rigamonti, A., & Bussone, G. (2001, December). *MIDAS Questionnaire in children and young adolescents with headache: A pilot study*. Paper presented at the 11th international headache research seminar, Copenhagen, Denmark.
25. Raj, A.K., Diamond, D.D., Kass, S.J., Fatolitis, P.G., Andrasik, F., & Rupert, A.H. (2002, May). *Tactile situation awareness system (TSAS) task performance enhancement effects*. Paper presented at the 73rd scientific meeting of the Aerospace Medical Association, Montreal, Canada.
26. Andrasik, F. (2002, June). Chair. *Pediatric headache: Where do we go from here?* Roundtable discussion at the 6th headache congress of the European Headache Federation, Istanbul, Turkey.
27. Usai, S., Grazzi, D., D'Amico, D., Andrasik, F., Leone, M., & Bussone, G. (2003, May). *MMPI profiles in transformed or chronic migraine with medication overuse*. Paper presented at the Focus on Chronic: Recent Advances in Mechanisms and Management, Stresa, Italy.

28. Andrasik, F. (2003, August). Behavioral treatment of recurrent headache: Current status, future directions. In P. Lehrer (Chair), *New developments in biofeedback*. Symposium conducted at the American Psychological Association, Toronto, Ontario, Canada.
29. Grazzi, L., D'Amico, D., Usai, S., Andrasik, F., Leone, M., Ragamonti, A., & Bussone, G. (2003, September). *The MIDAS questionnaire in juvenile headache patients: An Italian pilot study*. Paper presented at the XI congress of the International Headache Society/IHC 2003, Rome, Italy.
30. Grazzi, L., D'Amico, D., Usai, S., Andrasik, F., Rigamonti, A., Leone, M., & Bussone, G. (2003, September). *Withdrawal therapy followed by prophylaxis for transformed migraine*. Paper presented at the XI congress of the International Headache Society/IHC 2003, Rome, Italy.
31. Jovanov, E., Raskovic, D., Lords, A.O, Cox, P., Adhami, R., & Andrasik, F. (2003, September). *Synchronized Physiological Monitoring Using a Distributed Wireless Intelligent Sensor System*. Paper presented at the 25th Annual International Conference of the IEEE Engineering in Medicine and Biology Society, Cancun, Mexico.
32. Grazzi, L., D'Amico, D., Usai, S., Andrasik, F., & Bussone, G. (2004, April). *A new version of the Migraine Disability Assessment Questionnaire for Children and Adolescents with headache*. Presented at the Sixth International Congress on Headache in Children and Adolescents, Vienna, Austria.
33. Andrasik, F., Grazzi, L, Usai, S., D'Amico, D., & Bussone, G. (2004, April). *Pharmacological vs. limited contact behavioral treatment for pediatric tension-type headache: Preliminary findings*. Presented at the Sixth International Congress on Headache in Children and Adolescents, Vienna, Austria.
34. Grazzi, L., Andrasik, F., Usai, S., & Bussone, G. (2004, April). *Magnesium as a treatment for pediatric tension-type headache: A clinical replication series*. Presented at the Sixth International Congress on Headache in Children and Adolescents, Vienna, Austria.
35. Nicholson, R.A., Nash, J., Andrasik, F., & OLaughlin, E. (2004, June). *Incorporating tailored messages into a self-administered behavioral intervention for migraine prevention*. Paper presented at the annual meeting of the American Headache Society, Vancouver, British Columbia, Canada.
36. Grazzi, L., Andrasik, F., Usai, S., D'Amico, D., & Bussone, G. (2004, October). *Pharmacological vs. behavioral treatment for children and adolescents with tension-type headache: Preliminary data*. Paper presented at the first annual meeting of the Italian Neurological Association for Research on Headaches, Monza, Italy.
37. Usai, S., Grazzi, L., Andrasik, F., D'Amico, D., Rigamonti, A., & Bussone, G. (2004, October). *Chronic migraine with medication overuse: Treatment outcome and disability at 3 years follow-up*. Paper presented at the first annual meeting of the Italian Neurological Association for Research on Headaches, Monza, Italy.
38. Andrasik, F., & Grazzi, L. (2005, February). Pharmacological vs. behavioral treatment for children and adolescents with tension-type headache: Preliminary data. In D. Hamiel (Chair), *Stress and pain management with children and adolescents*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Hasselt, Belgium.
39. Grazzi, L., & Andrasik, F. (2005, February). Behavioral vs. pharmacological treatment for chronic migraine with medication overuse and disability assessment: Results at one-year follow-up. In R. Gevirtz (Chair), *Somatic disorders/chronic pain and muscle rehabilitation*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Hasselt, Belgium.

40. Andrasik, F., Grazzi, L., Usai, S., & Bussone, G. (2006, February). Pharmacological vs. behavioral treatment for children and adolescents with tension-type headache: Preliminary data at two-year follow-up. In F. Andrasik & W.D. Gerber (Co-Chairs), *Headache*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Vienna, Austria.
41. Grazzi, L., Andrasik, F., Usai, S., D'Amico, D., & Bussone, G. (2006, February). Behavioral plus pharmacological treatment vs. pharmacological treatment for chronic headache with medication overuse and disability assessment: Results at two-year follow-up. In F. Andrasik & W.D. Gerber (Co-Chairs), *Headache*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Vienna, Austria.
42. Grazzi, L., Andrasik, F., Usai, S., D'Amico, D., & Bussone, G. (2006, February). Inpatient vs. day hospital withdrawal treatment for chronic headache with medication overuse and disability assessment: Preliminary results at one-year follow-up. In F. Andrasik & W.D. Gerber (Co-Chairs), *Headache*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Vienna, Austria.
43. Andrasik, F., Grazzi, L., & Usai, S. (2007, March). Pharmacological vs behavioral treatment for children and adolescents with tension-type headache: Results at two years follow-up. In F. Andrasik (Chair), *Biofeedback in rehabilitation and clinical use*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Berlin, Germany.
44. Grazzi, L., Andrasik, F., & Usai, S. (2007, March). Inpatient vs hospital withdrawal treatment for chronic migraine with medication overuse and disability assessment: Preliminary results at two years follow-up. In F. Andrasik (Chair), *Biofeedback in rehabilitation and clinical use*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Berlin, Germany.
45. Andrasik, F. (2007, March). Discussant. In D. Moss (Chair), *Advances in psychophysiological monitoring and assessment*. Symposium conducted at the annual meeting of the Biofeedback Foundation of Europe, Berlin, Germany.
46. Andrasik, F., Grazzi, L., Usai, S., & Bussone, G. (2007, May). *Pharmacological treatment compared to behavioural treatment for juvenile tension-type headache: Results at two years follow-up*. Presented at the Focus on Primary Headaches: Recent Advances in Mechanisms and Management, Stresa, Italy.
47. Usai, S., Grazzi, L., Andrasik, F., D'Amico, D., & Bussone, G. (2007, May). *In-patient vs day hospital withdrawal treatment for chronic migraine with medication overuse and disability assessment: Preliminary results at two year follow-up*. Presented at the Focus on Primary Headaches: Recent Advances in Mechanisms and Management, Stresa, Italy.
48. Grazzi, L., Chiapparini, L., Andrasik, F., Usai, S., Ferrario, S., Mandelli, M.L., Bruzzone, M.G., & Bussone, G. (2008, May). *Functional-MRI (f-MRI) evaluation in chronic migraine with medication overuse before and after withdrawal*. Paper presented at the meeting of the Associazione Neurologica Italiana per la Ricerca sulle Cefalee, Taramino, Italy.
49. Grazzi, L., Prunesti, A., Andrasik, F., Usai, S., & Bussone, G. (2008, May). *Long-term results of different therapeutical approaches for juvenile episodic-tension-type headache*. Paper presented at the meeting of the Associazione Neurologica Italiana per la Ricerca sulle Cefalee, Taramino, Italy.
50. Usai, S., Grazzi, L., D'Amico, D., Andrasik, F., & Bussone, G. (2008, May). *HIT-6 (Headache Impact Test) evaluation of disability in chronic migraine patients with medication overuse before and after withdrawal*. Paper presented at the meeting of the Associazione Neurologica Italiana per la Ricerca sulle Cefalee, Taramino, Italy.

51. Gerber, W.D., & Andrasik, F. (2008, July). Development and evaluation of headache preventative programs for adults and children. In P. Martin (Chair), *Innovative psychological interventions for recurrent headache*. Symposium conducted at the XXIX International Congress of Psychology, Berlin, Germany.
52. Grazzi, L., Usai, S., Andrasik, F., & Bussone, G. (2009, May). *Migraine with medication overuse and disability out-patient versus day-hospital withdrawal for chronic migraine: Preliminary results*. Paper presented at the 6th International Headache Seminary "Focus on Primary Headaches: New Frontiers in Mechanisms and Management," Stresa, Italy.
53. Grazzi, L., Usai, S., Prunesti, A., Bussone, G., & Andrasik, F. (2009, May). *Behavioral plus pharmacological treatment versus pharmacological treatment only for chronic migraine with medication overuse after withdrawal in day-hospital setting*. Paper presented at the 6th International Headache Seminary "Focus on Headaches: New Frontiers in Mechanisms and Management," Stresa, Italy.
54. Usai, S., Grazzi, L., D'Amico, D., Bussone, G., & Andrasik, F. (2009, May). *Psychological variables in chronic migraine with medication overuse before and after in-patient withdrawal: Results at 1-year follow-up*. Paper presented at the 6th International Headache Seminary "Focus on Headaches: New Frontiers in Mechanisms and Management," Stresa, Italy.
55. Grazzi, L., Usai, S., Andrasik, F., & Bussone, G. (2009, May). *Out-patient vs. day-hospital withdrawal for chronic migraine with medication overuse and disability assessment: Preliminary results*. Paper presented at the 6th International Headache Seminary "Focus on Headaches: New Frontiers in Mechanisms and Management," Stresa, Italy.
56. Breau, L.M., Finley, G.A., Steenbeek, A., Snelgrove-Clark, E., Forgeron, P., & Andrasik, F. (2009, November). Conception de protocoles de prises en charge psychologiques de la douleur pour enfants atteints de déficience intellectuelle. *Congrès de la Société Française d'Etude et de Traitement de la Douleur*, Paris, France, November 18-21, 2009. Abstract to be published in: *Douleurs: Évaluation, Diagnostic, Traitement*, 10, A65.
57. Vagedes, J., Gordon, C.M., Schwaemmle, M., Andrasik, F., Gevirtz, R., Hautzinger, M., & Birbaumer, N. (2011, February). *Does deep breathing training improve myofascial release in combination with trigger point therapy for patients with low back pain?* Paper presented at the annual meeting of the Biofeedback Foundation of Europe, Munich, Germany.
58. Grazzi, L., Usai, S., Andrasik, F., & Bussone, G. (2011, May). *A retrospective study on incidence of chronic forms in a population of young headache sufferers*. Paper presented at the 7th International Headache Seminar Focus on Headaches: Update and Upcoming Developments, Stresa, Italy.
59. Usai, S., Grazzi, L., Andrasik, F., & Bussone, G. (2011, May). *Ginkgolide B as migraine preventive treatment in young age: Results at one-year follow-up*. Paper presented at the 7th International Headache Seminar Focus on Headaches: Update and Upcoming Developments, Stresa, Italy. **Recipient of the "Best Poster Award."**
60. Grazzi, L., Ferraro, S., Chiapparini, L., Andrasik, F., Usai, S., Bruzzone, M.G., & Bussone, G. (2011, June). *Functional-MRI (F-MRI) evaluation in chronic migraine with medication overuse*. Paper presented at the 15th Congress of the International Headache Society, Berlin, Germany.
61. Grazzi, L., Usai, S., Andrasik, F., & Bussone, G. (2011, June). *A retrospective study on incidence of chronic forms in a population of young headache sufferers*. Paper presented at the 15th Congress of the International Headache Society, Berlin, Germany.

62. Andrasik, F., & Gross, E. (2011, October). Co-chairs for ***“Where in the brain does migraine begin: Do regional factors influence outcome of headache management?”*** Debate presented at the 5th World Congress on Controversies in Neurology (CONy) – Asia Pacific Life Course Related Conditions, Beijing, China.
63. Lang, K.P., Veazey-Morris, K., & Andrasik, F. (2011, November). ***Psychosocial factors affecting utilization in veterans suffering from mTBI: The impact of pain, PTSD, and depression.*** Paper presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
64. Andrasik, F. (2011, November). Discussant. In S.L. Hart & D. Pantalone (Co-Chairs), ***Understanding psychological distress in view of dissemination: Social and cognitive factors cutting across medical illness.*** Symposium conducted at the annual meeting of the Association for Behavioral and Cognitive Therapies, Toronto, Canada.
65. Grazzi, L., Andrasik, F., Usai, S., & Bussone, G. (2012, May). ***Day hospital withdrawal for chronic migraine with medication overuse: Results at 3 years follow-up.*** Paper presented at the 5th National ANIRCEF Congress: Headaches: Pain as Necessity, Naples, Italy.
66. Grazzi, L., Andrasik, F., Usai, S., & Bussone, G. (2013, May). ***Day hospital withdrawal for chronic migraine with medication overuse: Results at 3 years follow-up.*** Poster presented at the 8th International Headache Seminar “Focus on Headaches: Pain, Emotion and Headache,” Stresa, Italy.
67. Walker, B., Dudas, A., Diament, J., Patel, R., Thompson, I.A., Andrasik, F., & Sable, J.J. (2013, October). ***ERPS show differential sensitivity to omission-induced rhythms.*** Paper presented at the 53rd annual meeting of the Society for Psychophysiological Research, Florence, Italy.
68. Blow, O.B., Gardner, K.J., Walker, B., Patel, R., Dudas, A., Park, J., McGahey, S., Mzayek, Y., Andrasik, F., & Sable J.J. (2013, October). ***Unpredictable trains produce atypical ERP changes to sound repetitions.*** Paper presented at the 53rd annual meeting of the Society for Psychophysiological Research, Florence, Italy.
69. Vagedes J., Gordon C.M., Andrasik F., Gevirtz R., Schleip R., Birbaumer N., & Rea M. (2013, October). ***Myofascial-trigger-point-release in combination with HRV training reduces pain intensity and anxiety on patients with low back pain: A randomized controlled trial.*** Paper presented at the 8th Interdisciplinary World Congress on Low Back & Pelvic Pain, Dubai, U.A.E.
70. Grazzi, L., Andrasik, F., Prunesti A., & Bussone, G. (2015, May). ***Multidisciplinary treatment of chronic migraine with medication overuse: Preliminary study.*** Presented at the 17th International Headache Congress, Valencia, Spain.
71. Grazzi, L., Andrasik, F., Prunesti, A., & Bussone, G. (2015, May). ***Multidisciplinary treatment for chronic migraine with medication overuse: Preliminary study.*** Presented at the Headache Seminar 2015, Stresa, Italy.
