TEACHING EXPERIENCE

2022 Fall **Structural Equation Modeling**, Graduate, 11 students
Instructor of Record, Department of Psychology, UM
Responsible for course preparation and instruction including updating and developing slides and materials, developing and maintaining a course website, and supporting independent graduate student projects.

Psychology of Prejudice and Discrimination, Undergraduate, 7 students
Instructor of Record, Department of Psychology, UM
Responsible for course preparation and instruction including developing and maintaining a course website. Delivery of instruction in both in-person and online modalities.

2022 Spring **Experimental Methods in Psychology**, Undergraduate, 40 students
Instructor of Record, Department of Psychology, OSU
Responsible for course preparation and instruction including developing and maintaining a course website. Delivery of instruction in both in-person and online modalities.

Psychology of Gender, Undergraduate, 35 students
Instructor of Record, Department of Psychology, OSU
Responsible for course preparation and instruction including developing and maintaining a course website. Delivery of instruction in both in-person and online modalities.

Cognitive Psychology, Undergraduate, 35 students
Instructor of Record, Department of Psychology, OSU
Responsible for course preparation and instruction including developing and maintaining a course website. Delivery of instruction in both in-person and online modalities.

- 2021 Fall **Statistical Methods in Psychology**, Undergraduate, 40 students
Instructor of Record, Department of Psychology, OSU
 Responsible for course preparation and instruction including developing and maintaining a course website. Delivery of instruction in both in-person and online modalities.
- Psychology of Gender**, Undergraduate, 10 students
Instructor of Record, Department of Psychology, OSU
 Responsible for course preparation and instruction including developing and maintaining a course website. Delivery of instruction in both in-person and online modalities.
- Psychology of Prejudice and Discrimination**, Undergraduate, 15 students
Instructor of Record, Department of Psychology, OSU
 Responsible for course preparation and instruction including developing and maintaining a course website. Delivery of instruction in both in-person and online modalities.
- 2017 – 2021 **Research and Statistics II**, Undergraduate, 20-30 students
Instructor of Record, Department of Psychology, UM (7 times)
 Responsible for course preparation and instruction including developing and maintaining a course website. Some ad hoc mentoring of advanced and honors students. In Fall 2020 and Spring 2021 – remote/online teaching and sections of both honors and traditional students.
- 2016 – 2020 **Structural Equation Modeling**, Graduate, 10-15 students
Teaching Assistant, Department of Psychology, UM (4 times)
Instructor: Kristoffer Berlin, PhD
 Responsible for development and preparation of lab content, grading, and ad hoc mentoring of graduate students on statistical content.
- 2018 **Measurement Theory & Psychometrics**, Graduate, 14 students
Teaching Assistant, Department of Psychology, UM
Instructor: Randy Floyd, PhD
 Responsible for grading and ad hoc mentoring of graduate students on statistical content.
- 2018 **Introduction to Psychology**, Undergraduate, 34 students (online)
Teaching Assistant, Department of Psychology, UM
Instructor: Deranda Lester, PhD
 Responsible for some aspects of the course website as well as grading and online student interaction.

- 2016 – 2017 **Introduction to Psychology**, Undergraduate, 200+ students
Teaching Assistant, Department of Psychology, UM (2 times)
Instructor: Mollie Anderson, PhD
 Responsible for providing content to a subsection of approximately 50 students, supervising an undergraduate assistant, grading, and student interaction.
- 2016 **Research Methods and Statistics**, Graduate, 20 students
Teaching Assistant, Department of Psychology, UM
Instructor: Jeffrey Berman, PhD
 Responsible for grading and ad hoc mentoring of graduate students on course content.
- 2014-2015 **Research and Statistics I**, Undergraduate, 25-30 students
Teaching Assistant, Department of Psychology, UM (2 times)
Instructor: Jason Braasch, PhD
 Responsible for grading and student interaction as well as some aspects of course content development.

INVITED LECTURES

- Gender, Sexual Orientation, and Human Sexuality (Fall 2017 – Spring 2020; 6 times) Guest lecture for Introduction to Psychology at The University of Memphis
- Gender Identity and Sexual Orientation (Fall 2017 – Spring 2020; 6 times) Guest lecture for Human Sexuality at The University of Memphis
- Sexual Orientation and Sexuality (Spring 2019, Fall 2019) Guest Lecture for Psychology of Gender at The University of Memphis.
- Item Content – Thinking Qualitatively and Quantitatively About the Items Included in Exploratory Factor Analysis (Fall 2018) Guest lecture for Measurement Theory & Psychometrics at The University of Memphis
- Understanding Group Differences and Incremental Validity (Fall 2018) Guest lecture for Measurement Theory & Psychometrics at The University of Memphis

RESEARCH EXPERIENCE

- 2016 – 2021 **Exploratory Factor Analysis with Ordinal Data**, Department of Psychology, UM
Supervisor: Kristoffer S. Berlin, PhD
 Monte Carlo simulations investigating best practices in conducting exploratory factor analysis (EFA) with ordinal data.

- 2018 – 2021 **Measurement of Gender with Gender Diverse Individuals**,
Department of Psychology, UM
Supervisors: Kristoffer S. Berlin, PhD, Tracy Hipp, PhD
Investigating optimal measurement and reporting of gender when including gender diverse individuals in psychological research.
- 2016 – present **Child Health and ILLness (CHILL) Lab**, Department of
Psychology, UM
Principal Investigator: Kristoffer S. Berlin, PhD
Various projects investigating mental and physical health outcomes in racially and income diverse families with children with Type 1 Diabetes. Approaches include variable- and person-centered structural equation modelling (including cross-sectional and longitudinal designs.)
- 2016 – 2017 **Self-Myofascial Release in Male Breakdancers**, CIT Research
Institute
Principal Investigator: Christopher-Marc Gordon
Supervisor: Frank Andrasik, PhD
Investigation of a unique pre-post design incorporating the within subjects' factors of time (pre/post) and leg (right/left) on the physiological outcomes of self-myofascial release in a sample of male breakdancers.
- 2014 – 2016 **Knowledge Acquisition Lab (KAL)**, Department of Psychology, UM
Principal Investigator: Jason L.G. Braasch, PhD
Investigating predictors of undergraduate statistics outcomes as well as misinformation and misinformation correction in the context of vaccination beliefs.
- 2012 – 2014 **Center for the Study of Adult Literacy (CSAL)**, Department of
Psychology, UM
Principal Investigator: Arthur C. Graesser, PhD
Investigating the use of computerized literacy tutors for adult learners.

QUANTITATIVE & RESEARCH TRAINING

- Workshops** Regression and Mediation Analysis using Mplus (Bengt Muthen, Ph.D., and Marten Schultzberg, Ph.D.)
Dynamic Structural Equation Modeling of Intensive Longitudinal Data (Bengt Muthen, Ph.D., Tihomir Asparouhov, Ph.D., and Ellen Hamaker, Ph.D.)

Courses
Research Design and Methodology
Research and Statistics I (Linear Regression)
Measurement Theory and Psychometrics
Structural Equation Modeling (SEM)
Advanced SAS for Public Health Professionals I
Advanced SAS for Public Health Professionals II
Large Data Sets
Developing Grant Proposals
Writing for Publication

PROFESSIONAL AFFILIATIONS

American Psychological Association
Divisions: Quantitative and Qualitative Psychology, Society of Pediatric Psychology

SERVICE ACTIVITIES

2023 – Present **Committee Member**
Undergraduate Academic Committee
The University of Memphis

2022 – Present **Faculty Facilitator**
LGBTQ+ Task Force
The University of Memphis

Faculty Advisor
LGBTQ+ Affinity Group
The University of Memphis

2021 – 2022 **Committee Member**
Department of Psychology Diversity Committee
Oklahoma State University

PEER REVIEW ACTIVITIES

2019 Ad-hoc reviewer for *Journal of Pediatric Psychology*
2019 Ad-hoc reviewer with Kimberly Klages for *Journal of Pediatric Psychology*
2016 - 2018 Mentored Ad-hoc reviewer with Kristoffer Berlin for *Journal of Pediatric Psychology* (4 reviews)
2017 Ad-hoc reviewer for *Statistics Education Research Journal*
