

**DEBRA BARTELLI**  
**University of Memphis School of Public Health**  
**3825 Desoto Ave., 233 Robison Hall, Memphis, TN 38152**  
**901-678-1395**

**Education**

- DrPH 2001 Sociomedical Sciences, Mailman School of Public Health, Columbia University, New York, NY
- MPH 1989 Population & Family Health, Mailman School of Public Health, Columbia University, New York, NY.
- MA 1977 Speech and Language Pathology, University of Kansas, Lawrence, KS
- BSE 1975 Speech and Language Pathology, University of Kansas, Lawrence, KS

**Academic Appointments**

- 2014- University of Memphis School of Public Health, Memphis, TN  
Research Associate Professor  
Division of Epidemiology, Biostatistics and Environmental Health
- 2007 Rhodes College, Memphis, TN  
Adjunct Professor, Psychology Department: Community/Program Evaluation
- 2001-2003 University of Tennessee-Memphis  
Instructor, School of Social Work: Evaluative Research

**Other Professional Experience**

- 2012-2014 Common Table Health Alliance, Memphis, TN  
Director, Healthy Shelby Initiative  
Directed a multi-sector public/private community initiative designed to achieve the triple aims of better population health, improved patient experience of care, and lower healthcare costs in Shelby County.
- 2002-2012 Philliber Research Associates, Accord, NY  
Senior Research Associate  
Designed, implemented and oversaw programmatic outcome evaluations and research for health and human service agencies and foundations. Representative projects included:
- **AIDS Funding Collaborative** - evaluation of a comprehensive responsible sexual behavior initiative in grades K-12 in the Cleveland Metropolitan School District. Evaluation included analysis of changes in student knowledge, attitude and behavioral intent and changes in District policies vis-à-vis sexuality education.
  - **Carrera Adolescent Pregnancy Prevention Program** – lead evaluator of an Office of Adolescent Health grant to the Children’s Home & Aid Society of Illinois. The project was a randomized controlled trial to examine the

effectiveness of the *Carrera Adolescent Pregnancy Prevention Program* in three high-risk elementary schools in Chicago.

- 1999-2002      Methodist-Le Bonheur Healthcare, Partnership for Women's & Children's Health, Memphis, TN  
Director, Community HIV Programs  
Responsible for development and coordination of comprehensive approach to the delivery of HIV/AIDS services, research, and education throughout the state of Tennessee. Oversight of federal grants totaling \$1.5 million annually.
- 1998-1999      Memphis Planned Parenthood, Memphis, TN  
Director of Education  
Responsible for planning, implementing and evaluating all agency educational activities and programs; building collaborative relationships; and securing adequate resources for the ongoing delivery and development of innovative programs to meet community and Memphis Planned Parenthood's needs.
- 1994-1997      University of Medicine and Dentistry of New Jersey, Newark  
Director, Division of AIDS Education-Center for Continuing Education in the Health Professions. Principal Investigator of three major service grants: New Jersey AIDS Education and Training Center; HIV Case Worker Training Program; Drug Abuse & HIV Training Project. Responsible for operationalizing the University-wide Center for AIDS Education and developing a comprehensive approach to providing AIDS education to healthcare and social service professionals throughout the state. Managed an annual operating budget of approximately \$1.5 million.
- 1988-1994      Columbia University School of Public Health  
Director of Program Development (1991-1994)  
Responsible for design and oversight of nine federal- and state-funded projects totaling \$4 million annually. Managed 20 subcontracts with major hospitals and health care agencies throughout New York City and State. Contributed to the development of disease prevention and health promotion programs with emphasis on HIV/AIDS prevention and service provision.
- Program Coordinator (1989-91)  
Managed five major funded service projects with primary responsibilities associated with budget management and fiscal accountability, program evaluation and grant acquisition and renewal. Represented the School in various project-related advisory and steering committees.
- Research Assistant (1988-1989)  
Provided AIDS education and pre- and post-test counseling to high-risk pregnant women. Assisted with data collection and document preparation for faculty studying pediatric AIDS.
- 1981-1988      Maryknoll Lay Mission Program, Maryknoll, NY  
Co-Director, Overseas Mission Training Program (1985-88)

Planned, implemented, and evaluated orientation programs to prepare individuals to live and work in a cross-cultural environment. Developed and led workshops on popular education, group dynamics, social analysis, cross-cultural living. Liaison to church and government officials in Brazil, Zimbabwe, Tanzania and Kenya. Conducted on-site assessment of existing and potential projects. Presented lectures to school, church and community groups.

Assistant Director, St. Vincent's Home for Amerasian Children, Incheon, South Korea (1981-84)

Supervised staff of 12 and coordinated care of 90 children, newborn to 16 years. Organized health care service delivery for staff and children. Developed program of volunteer medical and dental health care services. Carried out public relations and fund-raising activities; successfully applied for small grant funding for construction, education and health care programs. Assisted with adult Amerasian emigration procedures. Initiated seven mutual support groups throughout the country for Korean mothers of Amerasian children.

### **Funded Grants / Contracts History**

- |             |  |
|-------------|--|
| 2018-2019   | <b>Urban Child Institute:</b> D. Bartelli (Co-PI) \$255,000 grant to conduct a comprehensive outcome evaluation of iIMPACT at the University of Memphis.   |
| 2017-       | <b>Memphis Research Consortium/UTHSC:</b> D. Bartelli (Co-Investigator) CRA-Fostering Resilience through Neurofeedback.  |
| 2015-2019   | <b>Plough Foundation:</b> D. Bartelli (Lead Evaluator) \$241,740 subcontract with MIFA to evaluate the No Hungry Senior project; a multi-agency collaboration to reduce food insecurity among senior citizens in Shelby County.  |
