

Kenneth D. Ward, PhD

Division of Social and Behavioral Sciences
School of Public Health
The University of Memphis
201 Robison Hall
Memphis, TN 38152-3480 USA
Phone: (901) 678-1702
FAX: (901) 678-1715
e-mail: kdward@memphis.edu

EDUCATION

- 1998 **PhD**, The University of Memphis, Memphis TN (Clinical Psychology; behavioral medicine track; APA approved)
- 1997-1998 **Residency**, Clinical Psychology Residency Training Consortium, University of Mississippi Medical Center/G.V. "Sonny" Montgomery Veterans Affairs Medical Center, Jackson MS (behavioral medicine track, APA approved)
- 1995 **MS**, The University of Memphis, Memphis TN (Clinical Psychology; behavioral medicine track)
- 1986 **AB**, Brown University, Providence, RI (Psychology, with honors)

CERTIFICATIONS

- 2018-present National Certificate in Tobacco Treatment Practice (Certificate #NT0866)
- 2015-present Certified Tobacco Treatment Specialist (Certificate #564)

PROFESSIONAL APPOINTMENTS

Primary Academic Appointments:

- 2009-present Professor of Social and Behavioral Sciences (tenured), School of Public Health, The University of Memphis, Memphis TN
- 2004-2009 Associate Professor of Health Promotion (tenured), Department of Health and Sport Sciences, The University of Memphis, Memphis TN
- 1998-2004 Assistant Professor, Center for Community Health, The University of Memphis, Memphis, TN.

Administrative Appointments:

- 2016-2017 Interim Director, Division of Health Systems Management and Policy, School of Public Health, University of Memphis.
- 2010-2011 Director of Graduate Studies, School of Public Health, University of Memphis.
- 2009-present Director, Division of Social and Behavioral Sciences, School of Public Health, University of Memphis.
- 2007-2009 Coordinator of Graduate Studies and Research, Department of Health and Sport Sciences, University of Memphis.
- 2004-2009 Director, Center for Community Health, The University of Memphis, Memphis, TN. (Provided campus-wide pre- and post-award support for health-related grantsmanship; supervised 4 faculty and 10 professional staff members; organized and directed several initiatives including mentoring programs, administrative and statistical support, grant-writing training, creation of interdisciplinary research teams, and competitive pilot grant program).

Other Academic Appointments:

- 2016 (March-May) Educator in Residence and Visiting Fulbright Scholar, Division of Population Health Sciences, Royal College of Surgeons in Ireland, Dublin, Ireland. Project

title: “Increasing Capacity for Healthcare Provider Smoking Cessation Intervention in Ireland.”

- 1999-present Adjunct Professor of Preventive Medicine, College of Medicine, University of Tennessee Health Science Center, Memphis, TN. (Adjunct Assistant Professor, 1999-2005; Adjunct Associate Professor 2005-2011; Adjunct Full Professor 2011-present). Guest lecture in the M.S. program in epidemiology, and collaborate with faculty on research projects.
- 1998-2004 Adjunct Faculty, Department of Psychology, University of Memphis. (Provided clinical supervision to clinical psychology graduate students, guest lectured, and collaborated with faculty on research projects).

Other Professional and Research Experience:

- 2002-present Intervention Director, Syrian Center for Tobacco Studies, Aleppo, Syria.
- 1998-2004 Program Evaluation Consultant, Memphis Alliance for Public Health Research, Memphis TN
- 1993-1998 Graduate Research Assistant, Department of Psychology, University of Memphis, Memphis TN
- 1993-1994 Graduate Research Assistant, Department of Preventive Medicine, College of Medicine, University of Tennessee Health Science Center, Memphis TN
- 1991-1993 Research Project Coordinator, Channing Laboratory, Brigham & Women’s Hospital, Harvard Medical School, Boston, MA.
- 1988-1991 Research Project Coordinator, Department of Oral Health Policy and Epidemiology, Harvard School of Dental Medicine, and Boston V.A. Outpatient Clinic, Boston, MA.
- 1986-1987 Research Consultant, Rhode Island Group Health Association, Providence, RI
- 1984-1988 Research Assistant, Division of Behavioral Medicine, The Miriam Hospital/Brown University School of Medicine, Providence RI

PROFESSIONAL TRAINING

Research:

- 2017 Modeling and Techniques in Causal Inference. One-day training session, Public Health Summer Institute, University of Memphis. August 10, 2017.
- 2004 Fellow, NIH Summer Institute on the Design and Conduct of Randomized Clinical Trials Involving Behavioral Interventions. July 11-23, 2004, Airlie, Virginia.
- 2000 Fellow, 8-Day Postgraduate Course on Research Directions and Strategies in Physical Activity and Public Health, Park City, Utah (Univ of South Carolina/CDC)
- 1996 Fellow, 10-Day Seminar on the Epidemiology and Prevention of Cardiovascular Diseases, Tahoe City, CA (AHA/NHLBI).

Clinical:

- 2015 5-Day Tobacco Dependence Treatment Specialist Training, Tobacco Dependence Program, Rutgers University, New Brunswick, NJ
- 1997-1998 Clinical Psychology Resident, University of Mississippi Medical Center, Jackson, MS. (*Rotations:* Head Pain Center; Neuropsychology Service; Outpatient and Inpatient Psychiatry)
- 1996-1997 Student Psychologist, Optimum Behavioral Health, Inc, Memphis, TN (psychological assessment of cardiac/lung transplant and neurological patients).

1996-1997	Student Psychologist, Sleep Disorders Center, Methodist Hospital, Memphis, TN (assessment and psychotherapy with patients experiencing sleep apnea and insomnia).
1995	Student Psychologist, Memphis Mental Health Institute, Memphis, TN (assisted in forensic evaluations and conducted assessment/psychotherapy with individuals with chronic psychiatric conditions).
1993-1997	Graduate Therapist, Psychological Services Center, Department of Psychology, The University of Memphis. (Conducted supervised assessment and psychotherapy with students and community clients experiencing various psychological complaints).

RESEARCH INTERESTS

Tobacco control, including epidemiology of tobacco use, community-based intervention development, and cessation/prevention efforts in developing countries and underserved populations.

Behavioral interventions for chronic disease prevention, particularly in underserved populations and developing countries.

Community-based child obesity prevention

Physical activity, bone health, and osteoporosis prevention

GRANTS UNDER REVIEW

Co-Investigator (F. Mzayek, PI). "Waterpipe, cigarette and dual smoking during pregnancy and risk of adverse pregnancy, perinatal and early childhood clinical and developmental outcomes." National Institute on Drug Abuse (1 R01 DA042120-01), \$ 2,846,250. (2016-2020).

Co-Investigator (W. Maziak & T. Asfar, Multiple PIs). "Developing and testing waterpipe-specific health warning labels. National Institutes of Health R01. (2017-2020).

GRANTS AWARDED

Current:

Co-Investigator (W. Maziak PI). "Translating evidence and building capacity to support waterpipe control in the Eastern Mediterranean." Fogarty International Center/National Institutes of Health, 1R01TW010654-01 (2016-2021). \$1,856,584 total costs (2017-2022).

Consultant (W. Maziak, P.I.). "Advancing addiction research and capacity to guide tobacco control in the Eastern Mediterranean region." National Cancer Institute (4R01 DA035160). \$1,250,000 direct costs, \$1,550,215 total costs. (2012-2017).

Consultant (D. Lee, P.I.). "A novel worksite smoking cessation intervention for Hispanic construction workers." National Cancer Institute (5R21CA202993). \$350,368 direct costs. (2016-2018).

Completed:

Principal Investigator. FitKids: A community-clinic linked interactive tool for pediatric obesity screening and intervention. The Tennessee Foundation. \$825,000 total costs. (2013-2016).

Principal Investigator. Using computer technology to increase school-based physical activity curriculum integration. Project Diabetes, Department of Health, State of Tennessee. \$450,000 total costs. (2013-2016).

Co-Investigator (R. Osarogiagbon, P.I.). "Building a multidisciplinary bridge across the quality chasm in thoracic oncology." Patient Centered Outcomes Research Institute (IH-1304-6147), \$2,103,889 total costs. (2013-2016).

- Principal Investigator. "Developing an image-scanning tool to assess body mass index." Fed Ex Institute of Technology, Memphis TN. \$100,000 total costs. (2013-2014).
- Co-Investigator (L. Klesges, P.I.). "Formative work to support PCORI." Baptist Memorial Health Care Foundation, Memphis, TN. \$196,237 total costs. (2012-2013).
- Principal Investigator. "Developing a tailored clinical decision support system for pediatric obesity screening and treatment." Fed Ex Institute of Technology, Memphis TN. \$170,000 total costs. (2012-2014).
- Co-Investigator. (D. Seal, P.I., Medical College of Wisconsin). HIV Prevention Research and Infrastructure Development in Syria and Middle East. National Institute of Mental Health (1R21 MH089808), \$189,756 direct costs, \$230,333 total costs. (2010-2012).
- Co-Investigator. (B. McClanahan, P.I.). The use of community based participatory research to promote activity-friendly neighborhoods. National Institute of Environmental Health Sciences (1 R21 ES016532), \$275,000 direct costs, \$387,750 total costs. (2009-2012).
- Co-Principal Investigator. (W. Maziak, P.I.) "Responding to the changing tobacco epidemic in the Eastern Mediterranean Region." National Institute on Drug Abuse (1 R01 DA024876), \$1,575,950 direct costs, \$1,701,626 total costs. (2007-2012)
- Co-Investigator. (M. al Absi, University of Minnesota). "Khat research program: neurobehavioral impact of long-term use. National Institute on Drug Abuse (R21 DA024626). \$250,000 total costs. (2009-2011).
- Co-Principal Investigator (S. Kumar, P.I.). "AutoSense: Quantifying exposures to addictive substances and psychosocial stress." National Institute on Drug Abuse (U01 DA023812). \$1,659,605 total costs (2007-2011).
- Principal Investigator. "Developing a brief smoking cessation/relapse prevention intervention for disaster survivors." American Legacy Foundation, \$99,063 total costs. (2008-2009).
- Principal Investigator. "A theoretically based tobacco waterpipe dependence measure." Fogarty International Center, National Institutes of Health (R03 TW07233-01), \$96,000 direct costs, \$125,000 total costs. (2006-2009).
- Principal Investigator. "Population-based assessment of Post-Katrina smoking relapse." National Institute on Drug Abuse (1 R21 DA021782-01), \$275,000 direct costs, \$383,625 total costs. (2006-2008)
- Principal Investigator. "Effects of smoking cessation and physical activity on reactive oxygen species— Supplement to 'Increasing physical activity to aid smoking cessation.'" National Institutes of Health. National Heart, Lung, and Blood Institute (3R01 HL68569), \$275,000 total costs (2006-2008).
- Principal Investigator. "Telephone-based smoking cessation counseling for post treatment substance abuse clients." Faculty Research Grant, University of Memphis. \$6500 total costs. (2006-2007).
- Co-Principal Investigator (J. Amis, P.I.). "Physical education policy and childhood obesity: The cases of Tennessee and Mississippi." Robert Wood Johnson Foundation. \$200,000 total costs (2006-2007).
- Co-Investigator. (M. al Absi, P.I., University of Minnesota). "Biobehavioral mechanisms of concurrent tobacco and khat use." Fogarty International Center, National Institutes of Health (R03 TW007219), \$125,000 total costs (2005-2010).
- Principal Investigator. "Supplement to Establishment of the Syrian Center for Tobacco Studies – Tobacco control training in Jordan." Fogarty International Center, National Institutes of Health (R01 TW05962), \$10,000 direct costs, \$15,910 total costs (2005-2006).
- Co-Investigator (A. Young, P.I.). A community campaign to reduce youth tobacco use. Memphis and Shelby County Health Department. \$40,000 total costs (2005-2006).
- Co-Principal Investigator (M. Sell, P.I.). "Reducing environmental tobacco exposure in the homes of low-income children." The Urban Child Institute, Memphis, TN, \$70,000 total costs. (2005-2006).
- Principal Investigator. "Supplement to Establishment of the Syrian Center for Tobacco Studies – Tobacco control training in Iraq." Fogarty International Center, National Institutes of Health (R01 TW05962), \$15,000 direct costs, \$20,910 total costs (2004-2006).
- Principle Investigator. "Memphis Alliance for Public Health Research." The Urban Child Institute, Memphis, TN, \$250,000 total costs (2004-2010).

- Co-Investigator. (W. Maziak, P.I.). "Developing smoking cessation intervention for waterpipe smokers." Initiative for Cardiovascular Health Research in Developing Countries. \$10,000 total costs (2004-2005).
- Principal Investigator. "Health and environmental risks in informal urban settlements." Fogarty International Center, National Institutes of Health (R21 TW006545), \$200,000 direct costs, \$259,100 total costs (2003-2005).
- Principal Investigator. "Increasing physical activity to aid smoking cessation." National Institutes of Health. National Heart, Lung, and Blood Institute (R01 HL68569), \$1,880,392 direct costs, \$2,539,755 total costs (2003-2008).
- Principal Investigator. "Establishment of the Syrian Center for Tobacco Studies." Fogarty International Center, National Institutes of Health (R01 TW05962), \$1,187,767 direct costs, \$1,671,885 total costs (2002-2008).
- Principal Investigator. "Developing a community infrastructure for smoking cessation interventions among low income pregnant women." The Urban Child Institute, \$10,000 direct costs (2001-2002).
- Co-Principal Investigator. "Dietary patterns and blood pressure among children in Shelby County." Memphis Area Nutrition Council, \$1500 direct costs (2001-2002). Mary C. Read, Principal Investigator.
- Principal Investigator. "Surveillance of risky health behaviors in mid-South Boy Scouts." The Urban Child Institute, \$91,359 direct costs (2000-2001).
- Principal Investigator. "Smoking relapse among low-income pregnant women." The Urban Child Institute, \$142,239 direct costs (2000-2001).
- Principal Investigator. "Physical and psychological functioning among family caregivers of heart transplant recipients." American Heart Association (0060265B), \$72,132 direct costs, \$77,903 total costs (2000-2002).
- Principal Investigator. Minority supplement to "Biobehavioral risk factors for bone loss in athletes." National Institute of Arthritis and Musculoskeletal and Skin Diseases (3R29 AR44809), \$89,806 direct costs, \$118,886 total costs (1999-2003).
- Principal Investigator. "Biobehavioral risk factors for bone loss in athletes." National Institute of Arthritis, Musculoskeletal and Skin Diseases (R29 AR044809), \$349,834 direct costs, \$488,408 total costs (1998-2003).

PUBLISHED ABSTRACTS AND CONFERENCE PRESENTATIONS

(Underlined names are of students working under my supervision)

- (185) **Ward, K.D.**, Chen, W., Smeltzer, M.P., Meadows, M., Faris, N.R., Berryman, C., Jackson, B., Rugless, F.E., Ray, M.A., & Osarogiagbone, R.U. (2018, August). Effects of multidisciplinary lung cancer care on patients' satisfaction and psychosocial outcomes. Oral presentation at the 32nd Annual Conference of the European Health Psychology Society, Galway, Ireland.
- (184) Asfar, T., Caban-Martinez, A.J., Arheart, K., McClure, L.A., Dietz, N., **Ward, K.**, Ruano, E., Gilford, C. Jr., Del Campo, D.S.M., Wakefield, M., & Lee, D.J. (2018, November). Tobacco use profile and past quit attempts in Hispanic construction workers seeing smoking cessation treatment. Poster presentation at the Annual Meeting and Expo of the American Public Health Association, San Diego, CA.
- (183) **Ward, K.D.**, Chen, W., Smeltzer, M.P., Meadows, M., Faris, N.R., Berryman, C., Jackson, B., Rugless, F.E., Ray, M.A., & Osarogiagbone, R.U. (2018, June). Patient-reported satisfaction with multidisciplinary (MD) v serial care (SC) for lung cancer. Poster presentation at the American Society of Clinical Oncology annual meeting, Chicago, IL.
- (182) Kumar, J., & **Ward, K.D.**, & Jiang, Y. (2018, February). Exposure to manufacturer-placed health warning labels on waterpipe tobacco packages. Poster presentation at the 2018 SRNT Annual Meeting, Baltimore, MD.
- (181) Allen, A.M., Hughes, J., Alexander, A., Lemieux, A., Allen, S., **Ward, K.**, & al'Absi, M. (2017). Are stressful life events associated with smoking cigarettes and marijuana during pregnancy? *Drug and Alcohol Dependence*, 171, e6.
- (180) Alomari, M.A., Al-sheyab, N.A., & **Ward, K.D.** (2017, November). Obesity in adolescent waterpipe smokers: The Irbid-TRY. Poster presented at the Third International Conference on Waterpipe Tobacco Smoking Research, Beirut, Lebanon.
- (179) Asfar, T., Arheart, K.L., Caban-Martinez, A., Sierra, D., Ruano-Herrera, E.C., McClure, L.A., **Ward, K.D.**, & Lee, D.J. (2018, March). National estimates and correlates of cigarette smoking among Hispanic/Latino construction workers in the US. Accepted for presentation at the 17th World Conference on Tobacco or Health, Cape Town, South Africa.
- (178) Asfar, T., Caban-Martinez, A., McClure, L.A., Xuan, Y., Gilford Jr, C.G., Ruano-Herreira, E.C., Sierra, D., Moore, K., Espinoza, M.E., Samano, D., **Ward, K.D.**, Dietz, N.A., & Lee, D.J. (2017, November). Integrating worksite smoking cessation service in the construction trade: opportunities and challenges. Poster presented at Annual Meeting and Expo of the American Public Health Association, Atlanta, GA.
- (177) Asfar, T., **Ward, K.D.**, Rastam, S., & Maziak, W. (2017, March). Trajectory of nicotine withdrawal symptoms in waterpipe smokers attempting to quit smoking without medication: results from a pilot randomized clinical trial. Poster presented at the 23rd Annual Meeting of the Society for Research on Nicotine and Tobacco, Florence, Italy.
- (176) Bahelah, R., **Ward, K.D.**, DiFranza, J.R., Ben Taleb, Z., Eissenberg, T., & Maziak, W. (2017, November). Predictive utility of nicotine dependence measures in adolescent waterpipe smokers.

Poster presentation at the Third International Conference on Waterpipe Tobacco Smoking Research, Beirut, Lebanon.

- (175) Chen, W., Al-sheyab, N.A., Alomari, M.A., & **Ward, K.D.** (2017, November). Asthma symptoms among adolescent waterpipe smokers: The Irbid-TRY. Poster presentation at the Third International Conference on Waterpipe Tobacco Smoking Research, Beirut, Lebanon.
- (174) Chen, W., **Ward, K.D.**, & Collins, A.C. (2017, November). How accurately do parents estimate children's weight status? Poster presented at Annual Meeting and Expo of the American Public Health Association, Atlanta, GA. (*Student poster award recipient from the Public Health Education and Health Promotion Section*)
- (173) Dietz, N.A., Caban-Martinez, A.J., Asfar, T., **Ward, K.D.**, Satiago K., Padron, C., Ruano-Herrera, E.C., Moore, K., Stillman, J.S., Poveda, A. McClure, L., & Lee, D.J. (2017, March). Developing a smoking cessation intervention tailored for Hispanic/Latino construction workers: issues of acceptability and practical concerns. Poster presented at the 23rd Annual Meeting of the Society for Research on Nicotine and Tobacco, Florence, Italy.
- (172) Kumar, J., & **Ward, K.D.** (2017, November). Do young adult waterpipe smokers in the U.S. notice health warning labels? Findings from Wave 1 of the Population Assessment of Tobacco and Health (PATH). Poster presentation at the Third International Conference on Waterpipe Tobacco Smoking Research, Beirut, Lebanon.
- (171) Pfund, R. A., Peter, S. C., Armstrong, A. M., Whelan, J. P., **Ward, K. D.**, & Meyers, A. W., (2017, November). A pilot study of the acceptability, feasibility, and preliminary efficacy of a homework app in gambling-focused cognitive-behavioral therapy. Poster presented at the annual conference of the Association for Behavioral and Cognitive Therapies, San Diego, CA.
- (170) Smeltzer, M., Rugless, F.E., Lee, H.K., **Ward, K.**, Faris, N.R., Ray, M.A., Meadows, M., Jiang, B., Jackson, B., Foust, C., Patel, A., Boateng, N., Kedia, S, Roark, K., Houston-Harris, C., Fehnel, C., Signore, R.S., Fox, R., Robbins, E.T., Li, J., Osarogiagbon, R.U. (2017, September). Prospective evaluation of multidisciplinary lung cancer care: timeliness, thoroughness, and patient/caregiver perspectives. Oral presentation at the International Association For The Study Of Lung Cancer Chicago Multidisciplinary Symposium In Thoracic Oncology.
- (169) Stockton, M.B., **Ward, K.D.**, McClanahan, B.S., Vander Weg, M.W., Coday, M., Wilson, N., Relyea, G., Read, M.C., Connelly, S., & Johnson, K.C. (2017). Lifestyle Enhancement Program: Evaluation of a Community-based Physical Activity Smoking Cessation Program. American College of Sports Medicine 64th Annual Meeting. Denver, CO. *Medicine and Science in Sports and Exercise*. Volume 49: 5 S.
- (168) **Ward, K.D.**, Asfar, T., & Alexander, A. (2017, March). Trajectories of waterpipe tobacco use: does use increase over time and is it a "gateway" to other tobacco products? A review of the prospective literature. Poster presented at the 23rd Annual Meeting of the Society for Research on Nicotine and Tobacco, Florence, Italy.
- (167) **Ward, K.D.**, Boateng, N., Stewart, F.E.R, Smeltzer, M., Jackson, B.M., Foust, C., Faris, N.R., Ray, M., & Osarogiagbon, R.U. (2017, June). Satisfaction among lung cancer (LCa) patients (pts) in multidisciplinary (MDC) vs. serial care (SC) settings. Abstract presented at the 2017 meeting of the American Society of Clinical Oncology, Chicago, IL.
- (166) **Ward, K.D.**, Mellon, L., & Doyle, F. (March, 2017). Intentions of medical students to treat tobacco dependence post-graduation. Poster presented at the 23rd Annual Meeting of the Society for Research on Nicotine and Tobacco, Florence, Italy.
- (165) **Ward, K.D.**, Smeltzer, M.P., Rugless, F.E., Faris, N.R., Ray, M.A., Jackson, B., Foust, C., Patel, A., Meadows, M., Boateng, N., Roark, K., Crossley, F., Oliver, G., McHugh, L., Hastings, W., Osborne, O., Osborne, J., III, T., III, M., Signore, R.S., Fox, R., Robbins, E.T., & Osarogiagbon, R.U. (2017, December). Prospective comparative evaluation of patient and caregiver perspectives on a multidisciplinary model of lung cancer care. Oral presentation at the IASCL 18th World Conference on Lung Cancer, Yokohama, Japan.

- (164) Doyle, F., Kumar, A., **Ward, K.D.**, Mellon, L., Gunning, M., Stynes, S., Hickey, A., Conroy, R., Cormican, L., & Sreenan, S. (2016, December). Medical student intervention to promote effective nicotine dependence and tobacco healthcare: graduate medical entry (MIND-THE-GAP): feasibility randomised trial. Submitted for presentation at the 12th United Kingdom Society for Behavioural Medicine Annual Scientific Meeting, Cardiff, UK.
- (163) Faris, N. Lee, Y-S., Meadows, M., **Ward, K.D.**, Ray, M., Fehnel, C., Houston-Harris, C., Smeltzer, M., & Osarogaigbon, R. (2016, December). The impact of smoking status on overall survival in a population-based non-small cell lung cancer (NSCLC) surgical resection cohort. Abstract submitted for presentation at the 17th IASLC World Conference on Lung Cancer, Vienna, Austria.
- (162) Alam, M.M., Kedia, S., **Ward, K.D.**, Relyea, G., & Boop, S. (2016, November). Effect of substance abuse treatment on smoking cessation: a harm reduction approach. Poster presented at 28th Annual Student Research Forum, University of Memphis, TN, USA.
- (161) Alam, M.M., Kedia, S., **Ward, K.D.**, Relyea, G., & Boop, S. (2016, October). Effect of substance abuse treatment on smoking cessation: a harm reduction approach. Poster presented at the Annual Meeting and Expo of the American Public Health Association, Denver, CO.
- (160) Pfund, R.A., Whelan, J.P., **Ward, K.D.**, & Meyers, A.W. (2016, October). Development and pilot testing of an app for completing homework assignments in gambling-focused cognitive-behavioral therapy. Poster accepted for presentation at the annual meeting of the Association for Behavioral and Cognitive Therapies, New York, New York.
- (159) McClanahan, B.S., Vukadinovich, C.M. Slawson, D.L., **Ward, K.D.**, & Stockton, M.B. (2016). Dietary status of male and female triathletes during a competitive season. *Medicine and Science in Sports and Exercise*, 48(5 Suppl 1), 341. PMID: 27360230

SERVICE POSITIONS

Community:

2013-2014	Member, Scientific Advisory Panel, 2014 Tennessee Men's Health Report Card, TN Department of Health, Vanderbilt University, and Meharry Medical College.
2012-present	Member, Advisory Board, Physical Activity and Life Skills Group, Northern Illinois University
2011-2012	Member, Scientific Advisory Panel, 2012 Tennessee Men's Health Report Card, TN Department of Health, Vanderbilt University, and Meharry Medical College.
2008-2011	Member, Scientific Advisory Board, Clinical and Translational Science Institute, University of Tennessee Health Science Center
2012, 2007	Smoking cessation group leader, Grace House, Memphis, TN
2004-2010	Member, Tobacco Free Memphis
2004-2009	Director, Memphis Job Corps Center Smoking Prevention/Cessation Program
2004	Invited Member, Tennessee Strategic Planning Committee For Tobacco Control Policy, Tennessee Department of Health, Nashville, TN
2003-present	Undergraduate Admissions Interviewer, Brown University
2002-2003	Member, Leadership Council, American Diabetes Association (West Tennessee chapter)
2000-2001	Member, Planning Committee, "Sports For Life" prostate and testicular cancer awareness campaign, Memphis, TN.

1988-2007 Co-Founder and Vice-President, Board of Directors, The Turning, Inc., Providence, RI. (Transitional housing program for homeless adults undergoing substance abuse treatment).

Professional organizations:

2018 Research Laureate Selection Committee, American Academy of Health Behavior

2017 Member, Scientific Planning Committee, Third International Waterpipe Tobacco Research Conference, Beirut, Lebanon

2013-2015 Member, Behavior Change for Improving Health Committee, American Heart Association (2-year term)

2012-2014 Member, Research Laureate/Lifetime Achievement Selection Committee, American Academy of Health Behavior

2010 Workshop presenter, "Strategies and Tips for Successful Grant Writing," 10th Scientific Meeting of the American Academy of Health Behavior, Clearwater, FL, February 8, 2010.

2009 Workshop presenter, "Formulas for Successful Grant Proposals," 9th Scientific Meeting of the American Academy of Health Behavior, Hilton Head, SC, March 10, 2009

2008-2010 Member, Board of Directors, American Academy of Health Behavior (Chair, Marketing and Communication Council, 2009-2010)

2008-2009 Conference Chair, 9th Scientific Meeting of the American Academy of Health Behavior, Hilton Head, SC, *"Adoption, Adherence, and Maintenance of Health Behavior Change."* March 8-11, 2009

2005-present Member, Global Network Committee, Society for Research on Nicotine and Tobacco.

2005-2006 Member, 2006 Annual Meeting Program Committee, Society for Research on Nicotine and Tobacco.

2004-2005 Co-Chair, Global Tobacco Control Pre-Conference, Society of Research on Nicotine and Tobacco annual meeting, Prague, Czech Republic.

2003-2010 Member, Training & Education Committee, Society for Research on Nicotine and Tobacco.

2002-2003 Member, Planning Committee, Global Tobacco Control Pre-Conference, Society for Research in Nicotine and Tobacco.

1994-1997 Member, Student Membership Committee/Membership Council, The Society of Behavioral Medicine.

University, College, and Departmental:

2018 Member, Research Misconduct Faculty Panel, Office of the Vice President of Research

2018-present Tenure and Promotion Appeals Advocate, Faculty Senate, University of Memphis

2016-2017 Chair, Search Committee, Director of Division of Health Systems Management and Policy, School of Public Health

2018, 2015 Member, Willard R. Sparks Eminent Faculty Award Selection Committee

2014 Panelist, "Time management for faculty," School of Public Health Lunch & Learn Seminar

2013-2014 Member, Associate Dean for Academic Affairs search committee, School of Public Health

2013 Ad hoc member, Tenure & Promotion Committee, Department of Psychology

2013-2014 Member, Assistant/Associate Professor of Social and Behavioral Sciences search committee, School of Public Health

2013, 14, 15, 16	Panelist, "Launching a research career," University-Wide New Faculty Orientation, University of Memphis
2013-2015	Member, University Tenure & Promotion Appeals Committee
2012-2013	Member, University of Memphis Research Capacity Task Force (chair of the "Research Culture" team, tasked with conducting a university-wide assessment and making recommendations for near- and medium-term implementation)
2012-2014	Faculty Advisory Committee for Research, Office of the Vice Provost for Research
2012-2016	Member, Curriculum Committee, Master of Public Health program
2012-2013	Member, Assistant/Associate Professor of Social and Behavioral Sciences search committee, School of Public Health
2012-present	Chair, Curriculum Committee, Division of Social and Behavioral Sciences, School of Public Health
2012-2013	Chair, Professor/Director of Research faculty search committee, School of Public Health
2011-2012	Member, Professor/Director of Division of Epidemiology & Biostatistics faculty search committee, School of Public Health
2011-2012	Chair, Professor/Director of Research faculty search committee, School of Public Health
2011-2012	Member, Institutional Review Board Policy Review Committee
2011-2012	Member, Admissions and Retention Committee, Epidemiology Doctoral Program, School of Public Health
2011	Member, Faculty Search Committee (Social and Behavioral Sciences), School of Public Health
2011, 2012	Reviewer, Incubator Grant Program, Center for Health Equity Research and Promotion, School of Public Health
2011	Member, Search Committee, Associate Dean for Research/Loewenberg Chair of Excellence, Loewenberg School of Nursing
2011	Chair, Search Committee, Associate Dean of Academic and Faculty Affairs, School of Public Health
2010-present	Member, Admissions and Retention Committee, Social and Behavioral Sciences Doctoral Program, School of Public Health
2010-2011	Chair, Faculty Search Committee (Biostatistics), School of Public Health
2010-2011	Member, Faculty Search Committee (Epidemiology), School of Public Health
2010-2011	Director of Graduate Studies, School of Public Health Chair, School of Public Health Graduate Studies Committee Member, University Council for Graduate Studies
2010-11, 13-15	Member, Admissions Committee, Master of Public Health Program
2010	Member, Assistant Director Search Committee, Benjamin L. Hooks Institute for Social Change
2009	Member, Faculty Search Committee (Social and Behavioral Sciences), School of Public Health
2009	Presenter, "NIH Grants Workshop," Office of the Vice Provost for Research
2009	Member, Faculty Search Committee (Physical Education Teacher Education), Department of Health and Sport Sciences
2009-present	Member, Dean's Executive Committee, School of Public Health

2009-present	Member, Tenure and Promotion Committee, School of Public Health (Chair, 2009-2016)
2008	Member, Curriculum Committee, Master of Public Health program
2008	Member, Director of Research Development search committee, Office of the Vice Provost for Research
2008	Member, Founding Dean of the School of Public Health and Assistant Dean for Doctoral Programs search committee
2007-2008	Member, College of Education Graduate Council
2007-2008	Member, Faculty Search Committee (Exercise Science – Muscle Physiology), Department of Health and Sport Sciences
2007-2008	Member, Faculty Search Committee (Exercise Science – Bone Physiology), Department of Health and Sport Sciences
2007-2008	Coordinator of Graduate Studies and Chair of Graduate Curriculum/Research Council, Department of Health and Sport Sciences
2007-2009	Member, Executive Committee, Master of Public Health program
2007-2008	Chair, Faculty Affiliates Committee, Master of Public Health program
2007	Member, Faculty Search Committee (Health Promotion), Department of Health and Sport Sciences
2007	Member, Faculty Search Committee (Epidemiology/Biostatistics), Master of Public Health program
2006-2015	Member, Faculty Mentoring Group, Office of the Vice Provost for Research
2006	Member, Planning Committee, Healthcare Research Summit
2006-07, 10-11, 13-14	Member, Admissions Committee, Master of Public Health Program
2006	Chair, Faculty Search Committee (Health Promotion), Department of Health and Sport Sciences
2006-2008	Member, Tenure and Promotion Committee, Department of Health and Sport Sciences
2006-2007	Member, Planning Committee, Master of Public Health program
2006	Member, Master of Public Health Director Search Committee
2006	Member, Curriculum Development Committee, Master of Public Health Program and School of Public Health
2004	Panel Member, Faculty Development Workshop: Developing a Research/Publishing Agenda and Staying the Course. College of Education, University of Memphis, November 19, 2004
2004	Chair, Faculty Search Committee (Research Scientist), Center for Community Health
2004-2007	Member, Graduate Curriculum/Research Council, Department of Health and Sport Sciences.
2004-2005	Member, Community Affairs Committee, Department of Health & Sport Sciences.
2000 - 2004	Member, Executive Board, Center for Community Health, University of Memphis.

EDITORIAL AND REVIEW ACTIVITIES

Grant Reviews:

2016	National Research Foundation, South Africa
2016	United Arab Emirates University
2015	Chair, Memphis Research Consortium Pilot Grant Award review committee, University of Memphis School of Public Health
2014	Reviewer, AUB/SCTS Seed Grant Program for Tobacco Control Researchers in the Arab World

2014	Memphis Research Consortium Pilot Grant Award program
2014	American University of Beirut, Testing Waterpipe Tobacco Smoking Prevention and Intervention Programs to Generate Best Practices in the Region
2014	Reviewer, iRISE Pilot Projects Program Grants, University of Tennessee Health Science Center
2013	Reviewer, Tennessee Board of Regents Research Grant Program
2012	Reviewer, NIDA B/START Special Emphasis Panel (ZDA1 GXM-A (05)). March, 2012
2009	Reviewer, Special Emphasis Panel (ZRG1 PSE-C [58] R RFA OD-09-003, "Challenge Grants Panel." June, 2009.
2009	Reviewer, Special Emphasis Panel (ZRG1 PSE-J [58] R RFA-OD-09-003), "Challenge Grants Panel 1." June, 2009.
2009	Reviewer, Clinical & Translational Science Institute Pilot Projects Program, University of Tennessee Health Science Center.
2008	Reviewer, Special Emphasis Panel (ZRG1 BDA-K), "International Research Scientist Development Award (IRSDA)," Fogarty International Center, National Institutes of Health. July 1-2, 2008.
2007	Reviewer, Special Emphasis Panel (ZDK1 GRB-1 J1), "Translational Research for the Prevention and Control of Diabetes," National Institute of Diabetes and Digestive and Kidney Diseases. October 25, 2007, Bethesda, MD.
2007	Reviewer, Deutsche Krebshilfe (German Cancer Aid), Primary Prevention of Cancer research program.
2006	Reviewer, Special Emphasis panel (ZRG1 F12b-H/BBBP-H), "Psychopathology, Developmental Disabilities, Stress, and Aging" NRSA Fellowship Reviews. National Institutes of Health, July 6-7, 2006, Washington, DC.
2006	Reviewer, Israel Cancer Association
2005	Reviewer, Special Emphasis Panel (ZRG1 BBBP-G 60), "Diagnosis, course, and outcome in anxiety, mood, and eating disorders." National Institute of Mental Health, February 25, 2005, Bethesda, MD.
2005	Reviewer, Adult Psychopathology and Disorders of Aging Study Section, National Institutes of Health. February 24, 2005, Bethesda, MD
2005	Reviewer, National Prevention Research Initiative, Medical Research Council, United Kingdom.
2004	Reviewer, Special Emphasis Panel (ZCA1 SRRB-K M1 R), "Understanding mechanisms of physical activity behavior change." National Cancer Institute. March 17-18, 2004, Bethesda, MD.
2003	Reviewer, Special Emphasis Panel (ZDK1 GRB-1), "Translational Research for the Prevention and Control of Diabetes," National Institute of Diabetes and Digestive and Kidney Diseases. July 22, 2003, Bethesda, MD.
2003	Reviewer, Special Emphasis Panel (ZDK1 GRB-1), "Translational Research for the Prevention and Control of Diabetes," National Institute of Diabetes and Digestive and Kidney Diseases. November 19, 2003, Bethesda, MD.
2001	Reviewer, American Heart Association (Behavioral Science, Epidemiology and Prevention Study Group).

Data Safety and Monitoring Boards:

2016-present	Chairperson, Data Safety and Monitoring Board, "Enhancing the efficacy of a smoking quit line in the military." (1R01 HL123978), Robert Klesges, P.I., University of Tennessee Health Science Center.
2016-present	Chairperson, Data Safety and Monitoring Board, "Efficacy of two novel behavioral post-cessation weight gain interventions." (1R01 DK107747). Rebecca Krukowski, P.I., University of Tennessee Health Science Center.

- 2013-present Member, Data Safety and Monitoring Board, “Improving brief alcohol interventions with a behavioral economic supplement,” (1R01 AA020829), James Murphy, P.I., University of Memphis.
- 2009-present Chairperson, Data Safety and Monitoring Board, “Efficacy of a tobacco quitline in the military,” (1R01 HL053478), Robert Klesges, P.I., University of Tennessee Health Science Center.
- 2009-2013 Chairperson, Data Safety and Monitoring Board, “Translating COPD Guidelines in Primary Care Practice,” (1R18 HL093090), Donna Parker, P.I., Brown University.

Conference Program Reviews:

- 2005-2016 Abstract reviewer, American Academy of Health Behavior annual meeting.
- 2006-2007 Program Committee Member, 13th Annual Meeting, Society for Research on Nicotine and Tobacco.
- 2005-2006 Program Committee Member, 12th Annual Meeting, Society for Research on Nicotine and Tobacco.
- 2004-2005 Program sub-committee member and reviewer (Cessation, Nicotine, and The Science of Addiction), 2005 National Conference on Tobacco or Health, Chicago, IL
- 2004 Abstract reviewer, 11th Annual Meeting, Society for Research on Nicotine and Tobacco, Prague, Czech Republic.
- 2003-2004 Program sub-committee member and reviewer (Cessation, Nicotine, and The Science of Addiction), 2003 National Conference on Tobacco or Health, Boston, MA
- 2003 Abstract reviewer, 10th Annual Meeting, Society for Research on Nicotine and Tobacco, Scottsdale, Arizona.
- 2002 Abstract reviewer, Society of Behavioral Medicine annual meeting, April, 2003, Salt Lake City, UT.

Current journal editorial positions

2017-present	Consulting Editor, <i>Health Psychology and Behavioral Medicine</i>
2016-present	Associate Editor, <i>Journal of Smoking Cessation</i>
2015-present	Editorial Board member, <i>Translational Lung Cancer Research</i>
2014-present	Associate Editor, <i>Tobacco Regulatory Science</i>
2013-present	Senior Associate Editor, <i>Health Behavior and Policy Review</i>
2009-present	Senior Editor, <i>Addiction</i>
2006-present	Editorial Board member, <i>American Journal of Health Behavior</i>

Previous journal editorial positions

2015-2016	Guest Editor, <i>Journal of Smoking Cessation</i> special issue: "Tobacco intervention research in low and middle income countries: lessons learned and future directions."
2012-2014	Editorial Board member, <i>Journal of Addiction</i>
2006-2009	Assistant Editor, <i>Addiction</i>
2003-2005	Review Board member, <i>American Journal of Health Behavior</i>

Dossier Reviews for Appointment, Promotion, and Tenure:

2018	Al al-Bayt University, Jordan
2018, 2015	Jordan University of Science and Technology
2017, 2013, 2011	American University of Beirut, Lebanon
2017	Case Western Reserve University School of Medicine
2017, 2014	Boston University School of Medicine
2016	Duke University
2014	University of Florida College of Public Health and Health Professions
2014	University of Houston
2014	West Virginia University School of Medicine
2014, 2013	University of Maryland School of Public Health
2013, 2011	Nanyang Technological University, Singapore
2013, 2011, 2008	University of Tennessee College of Medicine
2012	University of South Florida College of Public Health
2005	University of Alabama, Birmingham School of Medicine

Program Reviews:

2013	Operational Assessment Site Visit Reviewer, Department of Behavioral and Community Health, School of Public Health, University of North Texas Health Science Center, Fort Worth, TX
------	---

HONORS AND AWARDS

2017	Elected Fellow, Academy of Behavioral Medicine Research
------	---

2017	Research Laureate Award, American Academy of Health Behavior <i>(Highest award bestowed by the Academy, for significant and inveterate contributions to the health education and health promotion profession through a body of research).</i>
2016	Fulbright Scholarship, U.S. Department of State
2016	Professional Development Assignment, University of Memphis
2014	Commencement Speaker, 102 nd Commencement of The University of Memphis, August 10, 2014
2014	Willard R. Sparks Eminent Faculty Award, University of Memphis <i>(Highest distinction given by the University to a faculty member who has made outstanding and sustained contributions to scholarly-creative activity, teaching, and service, bringing honor and recognition to the University).</i>
2012	Principal Investigator “Millionaire” Award, University of Memphis
2011	Elected Fellow, Society of Behavioral Medicine
2010-2013	Faudree Professorship, University of Memphis
2007	Elected Fellow, American Academy of Health Behavior
2005	Distinguished Service Award, Society for Research on Nicotine and Tobacco.
2000	Scholarship recipient, American Heart Association, to attend the Postgraduate Course on Research Directions and Strategies in Physical Activity and Public Health, Park City, UT.
1996-1997	Van Vleet Memorial Doctoral Fellowship, University of Memphis; awarded for excellence in research.
1996	First Place Award, Graduate Research Forum, University of Memphis
1995	<i>Phi Kappa Phi</i> honor society
1986	<i>Sigma Xi</i> honor society
1985-1986	Honors Program, Department of Psychology, Brown University

CONSULTANTSHIPS

2003-2007	Memphis Job Corps Center, Memphis, TN. Volunteer consultant to a federal job training program, to develop and implement smoking prevention and cessation programs for adolescents and young adults.
2000	Memphis City Schools, Memphis, TN. Designed an outcome evaluation study of a summer social and educational enrichment program for youths at risk of school dropout.
1999-2003	Neighborhood Christian Centers, Inc, Memphis, TN. Oversaw design, implementation, data analysis, and report-writing for the evaluation of several community-based youth programs targeting education, job training, violence prevention, and health promotion.
1999-2001	Christ Community Medical Clinic, Memphis, TN. Designed a home-based intervention to reduce maternal smoking and environmental tobacco smoke exposure among low-income pregnant women; provide clinical training and supervision to nurse-interventionists. Project funded by The Urban Child Institute, Inc.: “The Parenting Assistance and Newborn Development Activities Project (PANDA): A Randomized Trial of a Faith-Based Home Visitation Program for Prevention of Prematurity” (A. Galloway, Principal Investigator).
1999-2001	Chickasaw Council, Boy Scouts of America, Memphis, TN. Provided research consultation to the leadership in the development of health promotion interventions.

INVITED ADDRESSES AND PRESENTATIONS

“Breastfeeding vs. smoking: linked decisions by low-income Shelby County women.” Invited presentation to the Shelby County Breastfeeding Coalition, August 8, 2018, Memphis, TN.

- Panelist, Research Laureate Discussion on “Future of Health Behavior in Academic Research: Reactions to the Academy’s Delphi Study,” 2017 AAHB Research Laureate Presentation, American Academy of Health Behavior Annual Scientific Meeting, Tucson, AZ, March 22, 2017.
- “Reflections on 15 years in the global tobacco trenches.” 2017 AAHB Research Laureate Presentation, American Academy of Health Behavior Annual Scientific Meeting, Tucson, AZ, March 19, 2017.
- “The need for waterpipe-tailored cessation interventions.” Invited speaker, Pre-conference workshop – “Developing evidence-based control policies targeting waterpipe tobacco smoking: time for action.” 2017 Society for Research on Nicotine and Tobacco Annual Meeting, Florence, Italy. March 8, 2017.
- “New advances for tobacco cessation.” Faculty speaker, 14th Annual Mid-South Cancer Symposium, Memphis TN, November 4, 2016.
- “Tobacco and e-cigarettes: the good, the bad, and the ugly.” Keynote public lecture speaker, 13th Annual Psychology, Medicine and Health Conference, Psychological Society of Ireland, University College Cork, Ireland. May 26, 2016.
- “Use of randomised controlled trials for complex interventions.” Invited speaker, Structured Population and Health Services Research Education (SPHeRE) program summer seminar, Trinity College Dublin, Dublin, Ireland, May 18, 2016.
- “Waterpipe tobacco smoking: a new strain in a global epidemic.” Lunchtime Seminar speaker, Royal College of Surgeons in Ireland, Dublin, Ireland, May 4, 2016.
- “Building evidence-based tobacco treatment in the Eastern Mediterranean Region: Lessons from the Syrian Center for Tobacco Studies.” Academic Seminar presentation, Division of Population Health Sciences, Royal College of Surgeons in Ireland, Dublin, Ireland, April 6, 2016.
- “Cardiovascular and pulmonary effects of waterpipe tobacco use.” Invited speaker, Waterpipes: A Public Workshop, U.S. Food and Drug Administration, Silver Spring, MD, March 18, 2016.
- “Trajectories of waterpipe tobacco use.” Invited speaker, Waterpipes: A Public Workshop, U.S. Food and Drug Administration, Silver Spring, MD, March 17, 2016.
- “Quitting smoking: why it’s important and how it can be done.” “Lunch and learn” presenter, Raymond James Financial, Memphis TN, November 19, 2015.
- “Prevention of cancer: public health matters.” Faculty speaker, 13th Annual Mid-South Cancer Symposium, Memphis TN, November 14, 2015.
- Speaker, APA Division 38 brown bag meeting, Department of Psychology, University of Memphis, April 10, 2015
- “Smoking: the good, the bad, and the ugly.” Presentation to undergraduates, Richardson Tower Residence, University of Memphis, February 18, 2015.
- “Hookah’s hidden harm: what’s in the air at hookah bars?” 8th Winter Meeting of The International Consortium for Interdisciplinary Education About Health and the Environment. University of Cologne, Germany, December 6, 2014.
- “What does the collision of the tobacco epidemics look like in the region? What do we need to move forward in prevention and control?” Panelist, Second International Conference on Waterpipe Smoking Research, Doha, Qatar, October 25, 2014.
- “How to write a summary or abstract for a scientific study proposal.” Pre-conference training workshop presentation, Second International Conference on Waterpipe Smoking Research, Doha, Qatar, October 25, 2014.
- “Effective strategies to promote cessation of waterpipe tobacco use. Plenary oral presentation, Second International Conference on Waterpipe Smoking Research, Doha, Qatar, October 27, 2014.
- Guest Speaker, University of Memphis Association of Retirees, September 9, 2014
- Speaker, 2014 Faculty Awards Luncheon, University of Memphis. May 1, 2014
- “What do we know about treatment for waterpipe addiction?” Keynote presentation, First International Conference on Waterpipe Tobacco Smoking, Abu Dhabi, United Arab Emirates, October 22, 2013.
- “Social and psychological issues regarding waterpipe tobacco use.” Keynote presentation, First International Conference on Waterpipe Tobacco Smoking, Abu Dhabi, United Arab Emirates, October 21, 2013.

- “Assessing and treating nicotine dependence among waterpipe smokers.” Pre-conference training workshop presentation, First International Conference on Waterpipe Tobacco Smoking, Abu Dhabi, United Arab Emirates, October 20, 2013.
- “Social determinants of health.” Half day workshop delivered at the 2013 Public Health Summer Institute, Shelby County Health Department, Memphis TN. May, 2013.
- “Health disparities: does inequality make us sick?” Invited Short Course Speaker, 43rd Mid-South Conference on Communicative Disorders, Memphis, TN, March 1, 2013.
- “Integrating tobacco cessation into disaster response services.” 6th Winter Meeting of The International Consortium for Interdisciplinary Education About Health and the Environment. University of Cologne, Germany, December 9, 2012.
- “Health disparities in Memphis and beyond: does inequality make us sick?” Interdisciplinary Leadership Training Seminar, Boling Center for Developmental Disabilities, University of Tennessee Health Science Center. (Webinar broadcasted to UTHSC College of Allied Health Sciences and Southern College of Optometry). March, 2012.
- “Integrating tobacco cessation into disaster response services.” 2011 Tennessee Public Health Association West Regional Meeting, Memphis TN. April 21, 2011.
- “The physician’s role in tobacco cessation.” Grand Rounds presentation, Division of Cardiology, Rhode Island Hospital/Alpert Medical School of Brown University, Providence, RI. November 5, 2010.
- “Integration of evidence-based smoking cessation treatment into Syrian primary care centers.” Lecture delivered at the workshop, Framework Convention for Tobacco Control (FCTC) Policies and Their Implementation in Arab Countries,” American University of Beirut, Beirut, Lebanon, June 29, 2010.
- “Principles of smoking cessation interventions.” Lecture delivered at the International Summer Program for Tobacco Control Research, University of Aleppo, Syria, July, 2008.
- “Applying for research funding.” Lecture delivered at the International Summer Program for Tobacco Control Research, University of Aleppo, Syria, July, 2008.
- “The health effects of second hand smoking.” Featured speaker, American Cancer Society Community Forum, Memphis, TN, December, 2005.
- “Hazards of smoking and environmental tobacco smoke exposure.” Lecture to staff and residents of Alpha-Omega Veterans Service, Inc., Memphis, TN, November, 2005.
- “The role of tobacco control in the prevention and treatment of tuberculosis.” Invited speaker and chairperson for the symposium, “Tobacco control: key to TB and asthma control.” 36th Union World Conference on Lung Health, Paris, France, October, 2005.
- “Building scientific capacity in the Arab world: the example of the Syrian Center for Tobacco Studies.” Invited address at the symposium, “Science in the Arab World: Status, Institutions and Developing Relationships,” Annual Meeting of the American Association for the Advancement of Science, Washington, D.C., February, 2005.
- “Epidemiology of waterpipe use in the Middle East.” Workshop chairperson and speaker, First Regional Conference on Tobacco Control, Cairo, Egypt, April, 2004.
- “Developing waterpipe cessation programs for the Eastern Mediterranean.” Lecture delivered to the Faculty of Health Sciences, American University of Beirut, Beirut, Lebanon, January, 2004.
- “Strategies to help low-income pregnant women quit smoking.” Invited address at *Beyond the Problems: Solutions for Service Providers*, Sponsored by the Community Development Section & Adolescent Pregnancy Council, Memphis and Shelby County Health Department, Memphis, TN, May, 2001.
- “Management of cigarette smoking in pregnant women.” Presentation delivered to the staff of the Women, Infants, and Children Supplemental Nutritional Program, Memphis and Shelby County Health Department, TN, August, 2000.
- “Smoking Cessation Update: Who Smokes and How Do We Help Them To Quit?” Invited address at: *Southeast Regional Cardiovascular Health Conference: Talking the Talk—Walking the Walk*, Memphis, TN. Sponsored by the National Heart, Lung, and Blood Institute and southeast region state health departments, September, 1999.

“Pharmacologic interventions for smoking cessation: what works, with whom, and why?” Invited address at: *Innovations in Tobacco Control and Youth: A Workshop for Educators and Health Professionals*, Memphis, TN. Sponsored by the Centers for Disease Control and Prevention and The University of Memphis, October, 1998.

TEACHING EXPERIENCE

Graduate and Post-Graduate Classes:

- Health Behavior Theories (PUBH 8161). Last taught Fall, 2014.
- Doctoral Professional Development Seminar (PUBH 8901). Last taught Fall, 2017.
- Grant-writing (PSYC 7517/8517). Last taught Fall, 2008.
- Health Behavior Theory and Applications (HPRO 7722/8722). Last taught Fall, 2005
- Independent study, guided research, and thesis/doctoral supervision courses (HMSE 7996, HPRO 7152, HPRO 7950, PUBH 7992, PUBH 7996, PUBH 8400; PUBH 8800). Last taught Spring, 2018
- Master's Project Seminar (PUBH 7992). Last taught Fall, 2011
- Randomized Clinical Trials (PUBH 7450/8450). Last taught Spring, 2018
- Science, Theory, and Public Health Research (PUBH 8900). Last taught Spring, 2015
- Smoking Cessation Treatment Delivery (Syrian Center for Tobacco Studies, Aleppo, Syria). On-line course, Last taught Fall & Spring 2003
- Social and Behavioral Science Principles (PUBH 7160). Last taught Spring, 2011.
- Social Determinants of Health (PUBH 7130/8130). Last taught Spring, 2013.

Guest Lectures – Graduate Classes:

- “Race and ethnicity in public health.” Social Determinants of Health (PUBH 7130/8130), University of Memphis. Delivered Spring, 2018.
- “Writing Well, and Writing Honestly.” Foundations of Public Health (PUBH 7180), School of Public Health, University of Memphis. Delivered Fall, 2011, 2012, 2013, 2014, 2015, 2016, 2017.
- “Social patterning and social control of tobacco use.” Social Determinants of Health (PUBH 7130/8130), University of Memphis. Delivered Spring, 2014, Spring 2016.
- “Strategies for assessing and treating tobacco dependence.” Clinical Psychotherapies (PSYC 7434/8434), Department of Psychology, University of Memphis. Delivered Fall, 2010, Spring, 2015.
- “Randomized controlled trials in public health: rationale and basic mechanics.” Graduate epidemiology course (PUBH 7712), delivered Fall, 2007; Spring, 2009; Fall, 2010; Graduate Social and Behavioral Sciences Research Methods course (PUBH 7200), delivered Fall 2015. University of Memphis School of Public Health.
- “Early life and the life course.” Social Determinants of Health (PUBH 7130/8130), University of Memphis. Delivered Spring, 2014.
- “Conducting public health research in a developing country setting: Lessons from the Syrian Center for Tobacco Studies.” Critical Issues in Global Health (PUBH 7338/8338), School of Public Health, University of Memphis. Delivered Fall, 2010, Summer 2012.
- “Overview and critique of the transtheoretical model.” Advanced Psychosocial Theories of Health and Health Behavior (PUBH 7161/8161), Fall 2011; and Social and Behavioral Science Principles (PUBH 7160/8160), Spring 2012; School of Public Health, University of Memphis.
- “Health disparities in Memphis and beyond: does inequality make us sick?” Executive MSN Program, Loewenberg School of Nursing, University of Memphis. Delivered Fall, 2011.
- “An introduction to U.S. and international tobacco policy.” Social and Behavioral Policy Development (PUBH 7131/8131), School of Public Health, University of Memphis. Delivered Fall, 2010.
- “Fair testing of dietary supplements: rationale and mechanics.” Dietary supplements and nutraceuticals (NUTR 4001/6001), Graduate Nutrition Program, Department of Health and Sport Sciences, University of Memphis. Delivered Spring, 2008; Spring, 2009.
- “Tobacco smoking using a waterpipe: findings from the Syrian Center for Tobacco Studies.” Health

Behavior Theory and Intervention Design class (BIOE814), Graduate Program in Epidemiology, University of Tennessee Health Science Center. Delivered Spring, 2008.

“Tobacco use in the Eastern Mediterranean Region: Findings from the Syrian Center for Tobacco Studies.” Health Behavior Theory and Intervention Design class (BIOE814), Graduate Program in Epidemiology, University of Tennessee Health Science Center. Delivered Spring, 2007.

“Smoking cessation primer for health psychologists.” Behavioral Medicine II, Graduate Clinical Psychology Program, Dept of Psychology, University of Memphis; Last delivered Spring, 2005

“Community-based participatory research in developing countries.” Health Behavior Theory and Intervention Design class (BIOE814), Graduate Program in Epidemiology, University of Tennessee Health Science Center. Delivered Spring, 2004

“Analysis of repeated-measures data in community evaluation research.” Program Evaluation Seminar, Center for Community Health, University of Memphis. Delivered Fall, 2000.

Guest Lectures – Undergraduate and High School Classes:

“Making and interpreting scientific graphs.” 9th grade biology class, Westminster Academy, Memphis, TN. Delivered Fall, 2011, 2012, 2013, 2014, 2015, 2016, 2017.

“Alcohol, tobacco, and illicit drugs.” Psychology of Health (Psyc 220), Rhodes College, Memphis, TN. Delivered Spring, 2004

University Symposia:

“Responding to the global tobacco epidemic.” Lecture delivered to the University of Memphis/University of Tennessee Health Science Center Joint Program in Biomedical Engineering Seminar, January 30, 2015.

“Prevention of post-cessation weight gain in pre-diabetics.” Lecture delivered at the Health Systems Research Conference, University of Tennessee Health Science Center, April 3, 2013.

“Conducting behavioral intervention in a developing country setting.” Lecture delivered at the Clinical Psychology Seminar, Department of Psychology, University of Memphis. Delivered Fall, 2012.

“Effects of Hurricane Katrina on use of tobacco, alcohol, and marijuana.” Lecture delivered at the Center for Community Health Research Forum, University of Memphis. Delivered Spring, 2008.

“Tobacco smoking using a waterpipe: findings from the Syrian Center for Tobacco Studies.” Lecture delivered at the Behavioral Medicine Colloquium, Department of Psychology, University of Memphis. Delivered Spring, 2008.

“An overview of the Center for Community Health.” Delivered at the College of Education annual faculty meeting, University of Memphis. Delivered April, 2007

“Waterpipe smoking in the U.S. – an emerging epidemic?” Lecture delivered at the university colloquium, “Expanding our boundaries, embracing our communities.” University of Memphis. Delivered Spring, 2006

“Waterpipe smoking as a dependence-producing phenomenon.” Lecture delivered at the Behavioral Medicine Colloquium, Department of Psychology, University of Memphis. Delivered Fall, 2004.

“Renewing our commitment to community health.” Lecture delivered to the Fall 2004 Faculty Convocation, University of Memphis. Delivered Fall, 2004

“Testicular cancer awareness and self-examination among high school males.” Lecture delivered at the Behavioral Medicine Colloquium, Department of Psychology, University of Memphis. Delivered Fall, 2003.

“Building capacity for tobacco control research in developing countries: a model for the Middle East.” Lecture delivered at the Behavioral Medicine Colloquium, Department of Psychology, University of Memphis. Delivered Fall, 2002.

“The role of cigarette smoking in osteoporosis.” Lecture delivered at the Behavioral Medicine Colloquium, Department of Psychology, University of Memphis. Delivered Fall, 1999

THESIS, DISSERTATION, AND DOCTORAL COMPREHENSIVE EXAM COMMITTEES*University of Memphis*

In Progress	Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis Doctoral comprehensive exam committee chair Student: Mohammad Masudul Alam
In Progress	Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis Doctoral dissertation committee member Student: Siri Digney Title: Pap test screening experiences of HIV-positive women
In Progress	Department of Psychology, University of Memphis Master's thesis committee member Student: Madelyn Gero Title: The relationship between exposure to mental illness and assignment of the not guilty by reason of insanity plea
In Progress	Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis Doctoral comprehensive exam committee chair Student: Jayaprakash Kumar
In Progress	Division of Social and Behavioral Sciences, Univ of Memphis SPH Doctoral dissertation committee member Student: Michael Schmidt Title: Exploring help-seeking behavior among minority women survivors of intimate partner violence in the Mid-South of the United States
In Progress	Division of Social and Behavioral Sciences, Univ of Memphis SPH Doctoral comprehensive exam committee member Student: Shaila Strayhorn
2018	Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis Doctoral dissertation committee chair Student: Adam Alexander Title: Identifying potential pathways to substance use after a natural disaster: findings from Hurricane Katrina
2018	Department of Psychology, University of Memphis Doctoral Mid-Point Committee member Student: Laura Schwartz Title: Examining resilience using resource-driven latent profiles in women exposed to intimate partner violence
2017	Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis Doctoral comprehensive exam committee chair Student: Adam Alexander Title: Identifying potential pathways to cigarette use after a natural disaster: findings from Hurricane Katrina
2017	Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis Doctoral dissertation committee member Student: Christopher Obong'o Title: Parental response to child sexual abuse in Zimbabwe: formative research for intervention development
2017	Department of Psychology, University of Memphis Student: Rory Pfund Master's thesis committee member Title: The acceptability, feasibility, and preliminary efficacy of a homework App in gambling-focused cognitive-behavioral therapy
2017	Department of Psychology, University of Memphis Student: Rory Pfund Doctoral Second Milestone committee member

- 2017 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee member
Student: Michael Schmidt
- 2017 Department of Psychology, University of Memphis
Student: Kathryn Soltis
Doctoral Mid-Point Committee member
- 2016 Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis
Doctoral dissertation committee member
Student: Jason Hodges
Title: Gender differences in barriers to colorectal cancer screening among African American adults in the Mid-South of the United States.
- 2016 Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis
Doctoral dissertation committee chair
Student: April Nellum
Title: The prospective associations of stress, depression, and social support with smoking cessation and relapse among low income pregnant women
- 2016 Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis
Doctoral comprehensive exam committee member
Student: Christopher Obong'o
- 2015 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee member
Student: Paige Pirkey
- 2015 Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis
Doctoral dissertation committee chair
Student: Andy Collins
Title: Associations of lifestyle factors with bone accrual in child and adolescent swimmers
- 2015 Department of Marketing, University of Memphis
Doctoral dissertation committee member
Student: Walter H. Henley
Title: Interactive Ad Segmentation: Using Chronic Regulatory Focus Fit, Implementation Intentions and Social Referral Advertising to Increase PSA Behavior
- 2014 Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis
Doctoral dissertation committee member
Student: Larita Webb
Title: The effects of socioeconomic status and acute and chronic stress on birth outcomes among African American women in the CANDIE (Conditions Affecting Neurocognitive Development and Learning in Early Childhood) Study.
- 2014 Department of Psychology, University of Memphis
Master's thesis committee member
Student: Adam Alexander
Title: Religious beliefs against smoking: Do African American adolescents benefit more than Caucasian adolescents?
- 2014 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee chair
Student: Andy Collins
- 2014 Division of Social and Behavioral Sciences, School of Public Health, Univ of Memphis
Doctoral dissertation committee member
Student: Ronald Dallas
Title: Post-transition outcomes from pediatric to adult health care among young people living with HIV infection
- 2014 Department of Psychology, University of Memphis
Doctoral dissertation committee member
Student: Jordan Fields

- Title: Exercise, PTSD symptoms, and weight-loss in veterans enrolled in a national weight management program
- 2014 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee member
Student: Jason Hodges
- 2014 Department of Psychology, University of Memphis
Doctoral dissertation committee member
Student: Ashley Hum
Title: The relationship between physician tobacco communications, gender, and ethnicity with adolescent tobacco trajectories
- 2014 Department of Psychology, University of Memphis
Doctoral dissertation committee member
Student: Preeti Rao
Title: Patterns of Peer and Family Social Influences During Adolescent Smoking Cessation Process: Relations to Quit Attempts
- 2013 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee member
Student: Ronald Dallas
- 2013 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee member
Student: Siri Digney
- 2013 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee member
Student: April Nellum
- 2013 Department of Psychology, University of Memphis
Doctoral midpoint project committee member
Student: Preeti Rao
Title: Parenting Styles, Race, and Gender as Predictors of Health Behavior among Adolescents
- 2013 Department of Psychology, University of Memphis
Doctoral midpoint project committee member
Student: Francisco Salgado-Garcia
Title: Smoking and Smoking Increase in Caregivers of Alzheimer's Patients
- 2012 Division of Social and Behavioral Sciences, Univ of Memphis SPH
Doctoral comprehensive exam committee member
Student: Larita Webb
- 2012 School of Public Health, University of Memphis
MPH Master's thesis committee chair
Student: Robin Bloodworth
Title: Food availability as a determinant of weight gain in renal transplant recipients
- 2012 Department of Psychology, University of Memphis
Doctoral Major Area Paper committee member
Student: Jordan Fields
Title: Exercise interventions for PTSD as informed by the depression and anxiety literature
- 2012 Department of Psychology, University of Memphis
Doctoral Major Area Paper committee member
Student: Ashley Hum
Title: Ethnic differences in the associations between physician communication and adolescent smoking
- 2012 Department of Psychology, University of Memphis
Doctoral dissertation committee member

- Student: Ashley Jackson
Title: Social influences and intentions to smoke in adolescent smokers: a mediation model
- 2012 Department of Psychology, University of Memphis
Master's thesis committee member
Student: Francisco Salgado-Garcia
Title: Craving effect of unintentional smoking cues in antismoking images in light smokers.
- 2012 School of Public Health, University of Memphis
MPH Master's thesis committee member
Student: Crystal Ton
Title: A qualitative approach to understanding the experiences of caregivers to technologically-dependent children with cerebral palsy
- 2012 Department of Psychology, University of Memphis
Master's thesis committee member
Student: Nicole Workman
Title: The relations of ethnicity and stress with smoking
- 2011 Department of Psychology, University of Memphis
Doctoral dissertation committee member
Student: Khatidja Ali
Title: Adolescent smoking cessation: the influence of peers
- 2011 School of Public Health, University of Memphis
Master's Project committee member
Student: Felicia Balding
Title: Developing a community guidebook for successful urban gardening.
- 2011 School of Public Health, University of Memphis
MPH Master's Project committee member
Student: Janice Ballard
Title: Effective interventions for diarrhea prevention in developing countries: a systematic review
- 2011 Department of Psychology, University of Memphis
Doctoral dissertation committee member
Student: Joanna Buscemi
Title: A randomized clinical trial of brief motivational intervention for the treatment of obesity in college students
- 2011 School of Public Health, University of Memphis
Master's Project committee member
Student: Dana Fitzgerald
Title: Best practices in sexual health behavioral interventions for sexual minority youth.
- 2011 Department of Psychology, University of Memphis
Undergraduate Senior Honors Thesis committee member
Student: Jonathan McAteer
Title: Risk Taking: a longitudinal analysis
- 2011 School of Public Health, University of Memphis
Master's thesis committee member
Student: Mohsinah Usmani
Title: The Influence of Parenting Strategies on Childhood Obesity in Latinos
- 2010 Department of Health and Sport Sciences, University of Memphis
Master's thesis committee chair
Student: Archana Chitta
Title: The influence of exposure to others' smoking on cessation among low income pregnant smokers

- 2010 School of Public Health, University of Memphis
MPH thesis committee member
Student: Chigozie Emataro
Title: Reducing teenage pregnancy in Memphis and Shelby County - Review of structural interventions and coordinated community responses to address teenage pregnancy.
- 2010 Department of Computer Science, University of Memphis
Master's project committee member
Student: Animikh Ghosh
Title: Visually constructing daily behavior from sensory measurements collected by Autosense in mobile environment
- 2010 Department of Psychology, University of Memphis
Doctoral Major Area Paper committee member
Student: Ashley Jackson
Title: A meta-analysis of computer and internet based smoking cessation programs
- 2010 Department of Communication, University of Memphis
Doctoral dissertation committee member
Student: Elizabeth Stephens
Title: America's P.R.I.D.E.: Entertainment Education as a health communication strategy for middle school and high school students.
- 2010 School of Public Health, University of Memphis
MPH thesis committee member
Student: Jennifer Ransom
Title: "Perceptions, beliefs and behaviors of college students regarding the H1N1 vaccine"
- 2009 Department of Communication, University of Memphis

- Dr. Angelica Eddington (Scholarship Oversight Committee member, UTHSC, 2017-present)
- Dr. Erik Carlton (tenure mentor, UMSPH, 2016-2017)
- Dr. SangNam Ahn (tenure mentor, UMSPH), 2011-2016
- Dr. Sato Ashida (tenure mentor, UMSPH), 2010-2012
- Dr. Meghan McDevitt-Murphy (NIH K-23 award mentor), 2007-2012
- Dr. Esra Ozdenerol, (UM Health Research Fellowship mentor), 2007-2008
- Dr. Paul Wright (UM Health Research Fellowship mentor), 2007-2008

Post-Doctoral Fellows and Investigators (2002-present)

- Dr. Taghrid Asfar, Syrian Center for Tobacco Studies
- Dr. Radwan al Ali, Syrian Center for Tobacco Studies
- Dr. Fouad Fouad, Syrian Center for Tobacco Studies
- Dr. Fadi Hammal, Syrian Center for Tobacco Studies

Doctoral students

- Jayaprakash Kumar, SBS PhD program, UMSPH, 2017-present
- Mohammad Masudul Alam, SBS PhD program, UMSPH, 2017-present

Weiyu (Vivian) Chen, SBS PhD program, UMSPH, 2016-present
Adam Alexander, SBS PhD program, UMSPH, 2014-2018 (Recipient: First Generation PhD Fellowship and Morton Dissertation Award)
Michael Schmidt, SBS PhD program, UMSPH, 2012-2017
Siri Digney, SBS PhD program, UMSPH, 2012-present (co-mentor)
April Nellum, SBS PhD program, UMSPH, 2012-2016
Larita Webb, SBS PhD program, UMSPH, 2010-2011
Andy Collins, SBS PhD program, UMSPH, 2010-2015
Blair Benevides, SBS PhD program, UMSPH, 2010-2012
Doris Amoah, Epidemiology PhD program, UMSPH, 2010-2012 (co-mentor)
John Eric Swensen, Counseling Psychology PhD Program, UM, 2000-2002 (dissertation co-mentor)
Kami Mays, Clinical Psychology PhD Program, UM, 1999-2005 (Recipient of a NIH Minority Doctoral Research Fellowship, KD Ward PI)

Master's students

Noah Herman, UMSPH, 2016-2018
Andrea Jacobo, UMSPH, 2016-2018
Dr. Melody Princes-Kelly, UMSPH, 2016-2018
Obrenka Thompson, MPH program, UMSPH, 2015-2017
Carolyn (Carrie Jo) Riordan, MPH program, UMSPH, 2014-2015
Charlie Scheel, MPH program, UMSPH, 2014-2015
Elizabeth Liddell, MPH program, UMSPH, 2013-2014
Briana Woods, MPH program, UMSPH, 2013-2015
Natalie Davis, MPH program, UMSPH, 2012-2013
Linda Rickman, MPH program, UMSPH, 2011-2013
Mary Powers, MPH program, UMSPH, 2010-2015
Dr. Richard Savoy, MPH program, UMSPH, 2010-2012
Sara Beth Baker, MPH program, UMSPH, 2012-2013
Caroline Hamilton, MPH program, UMSPH, 2010-2011
Webb Smith, MPH program, UMSPH, 2010-2014
Rosemary Batorski, MPH program, 2009-2010
Danielle Edwards, MS Health Promotion, UM Dept of Health and Sport Sciences, 2008
Adam Brock, MS Health Promotion, UM Dept of Health and Sport Sciences, 2007-2008
Landrus Burrell, MS Health Promotion, UM Dept of Health and Sport Sciences, 2007-2008
Carissa Nowak, MS Health Promotion, UM Dept of Health and Sport Sciences, 2006-2008
Dawn Adair, MS Health Promotion, UM Dept of Health and Sport Sciences, 2005-2008
Courtney Page, MS Health Promotion, UM Dept of Health and Sport Sciences, 2005-2007
Matt McDaniel, Grad internship supervisor, UM Dept of Health and Sport Sciences, 2004-2005
Maria Lucchesi, Grad internship supervisor, UM Dept of Health and Sport Sciences, 2004-2005
Mary Read, MA Liberal Studies, UM University College, 2002-2004 (Recipient of the 2004 Master of Arts in Liberal Studies Distinguished Project Award and the New Investigator Award from the American Dietetic Association Foundation)

Undergraduates
