Well Child . . . Healthy Adult! MORE than Meeting the Metrics

Hosted by TennCare and Common Table Health Alliance

You are invited to attend this gathering of providers, health care and community leaders to learn and share about the importance of well child visits, the barriers to well care, and contribute to creating actionable steps to improve well child visits in Shelby County.

Friday August 16, 2019 from 8:30 a.m. to 12:15 p.m. at the University of Memphis. Please RSVP by July 31 to Virginia.E.Cooper@tn.gov.
