Your Summer with the School of Public Health

SUMMER SCHEDULE

Each day, students will be involved in multiple learning activities for 7-8 hours, exploring crucial topics such as:

- **June 13:** Orientation and Campus Tour
- **June 15:** Why Public Health is Important in the 21st Century
- **June 16:** Storytelling in Public Health
- **June 17:** AI and Global Public Health
- **June 18:** Career Panel and Research Presentation

Join the **EMPOWER Summer Initiative: Elevating Memphis Public Health Opportunities With Engaged Researchers**

From **June 13 to 18**, immerse yourself in an exciting, hands-on educational experience designed to elevate your understanding and engagement in public health.

Don't miss this chance to connect with like-minded peers and engaged researchers, all while making a positive impact on your community.

What to Expect

- **Interactive Experiential Learning:** Work on group research projects and engage in hands-on activities.
- **Seminars:** Dive deep into public health topics with distinguished international experts facilitating seminar sessions.
- **Professional Development:** Enhance your leadership skills and receive academic advising.
