NDA/CDA	TTO	

Grants: Financial assistance mechanism to support the conduct of research or other activities as described in a general scope of work. Terms and conditions are generally acceptable to the University and require minimal or no negotiation. Almost always submitted through an electronic system. Includes Government, Non-profit sponsors, IPA's

Cooperative Agreements: Awards in which the funding agency remains involved in the research or project during its performance by the receiving agency. Terms and conditions are generally acceptable to the University and require minimal negotiation.

Contracts: Agreements to provide support for research or other activities in return for a set statement of work or deliverables. Terms and conditions usually require negotiation. Includes Government, Industry, State agencies, Intergovernmental agreements

Sub-Contracts (incoming): Agreements under a prime CONTRACT award to another entity and will be passing funds and same terms and conditions to the University. Should include a separate budget and scope of work from the prime.

Sub-Contracts (outgoing): Agreements issued under an agreement that UM is the prime/lead agency via a CONTRACT. A portion of the research or other activities will be conducted by a third party (not an individual). Should include a separate budget and scope of work from the prime.

Sub-Grants (incoming): Agreements under a prime GRANT award to another entity and will be passing funds and same terms and conditions to the University. Should include a separate budget and scope of work from the prime.

Sub-Grants (outgoing): Agreements issued under an agreement that UM is the prime/lead agency on a GRANT. A portion of the research or other activities will be conducted by a third party (not an individual). Should include a separate budget and scope of work from the prime.
