Research Help Hours

Working on a proposal and need some help? Drop by during the following Help Hours for assistance:

- Setting up Cayuse Records – SP and/or 424
- Setting up/populating your internal budget form
- Setting up your GrantForward Profile and Search
- Reviewing forms/documents requirements for specific proposal
- Completing a quick compliance review of non-science proposal documents – e.g. biosketches, budget justifications, facilities, etc.
- Knowing “HOW TO” handle common sponsored programs activities such as submitting no cost extensions, submitting annual grant reports in research.gov or NIH commons, adding a sponsor to Cayuse, or requesting NIH, NSF or other PI accounts.

No appointment is needed. Just drop by during any of the following dates/times.
