INNOVATION NEWSLETTER

August 2021 | COVID-19 Update

Zhang Receives Grant from National Science Foundation

Understanding the rules of forced vocalics »

Zelenitsky is PI National Science Foundation Grant

The vision for engineering leadership that addresses national, global and societal needs »

SAFR's Tools Institute Announces Research Fellowship Program Awards

Dual to increase research capabilities in AI and rights »

Zhao Receives National Science Foundation Award

To fund research on alternative, renewable fuels »

Rana's Research Featured in Sciendo Urban sacred and Islam »

McKenna Named Royal Entomological Society Fellow

In recognition of his achievements in the field of entomology »

Junior UofM's PI for State of Tennessee Funding Receives Publication

Funds to support families to improve literacy outcomes »

Invited Opportunities

"Oddities: evolution's answer to what makes us human, or distorted, organization – the organization or the people within it?" »

Communities of Research Scholars 2022 Call for Proposals »

Building Research Capacity

Research Development aims growth in grant submissions »

Graduate Student Research Spotlight August 2021

Human Performance and Sports Science »

Research Study Participation Opportunities

Contact one of UHeinz's »

- College of Health Sciences
- Department of Psychology
- Research Recruitment Assessment Laboratory
- Center for Applied Psychology
- Center for Information Assurance »

FedEx Institute of Technology and School of Computer Science Host Cybersecurity Workshop designed to grow data science and infectious diseases epidemiology »

For more information, contact Mark Lyons at mlyons@memphis.edu or Dr. Wenke Liu at wliu@memphis.edu.

Compliance Corner

August 2021

Research Compliance Structure, Tax Scrub and New Vaccination Mantra Things to Note

Human Subjects Research (HS) and Animal Research (AR)

- Do you have any pending HS/AR that you do not want? Please let us know so we can close it out. Please remember that if you have no intention of collecting any more data, you should close out your HS/AR. Please do not let your HS/AR lapse. Lapsed HS/AR will be suspended and you will not be able to collect any more data. Please close out your HS/AR or submit a renewal application.

Financial Conflict of Interest (FCOI)

- Only those that are still in the PHS EA file and are not in the Institutional COI Committee's Annual Update or Semi-Annual Update.
- Update for Investigator Manual »

Export Controls

- Do you have any pending ARTAS that you do not want? Please let us know so we can close it out. Please remember that if you have no intention of collecting any more data, you should close out your ARTAS. Please do not let your ARTAS lapse. Lapsed ARTAS will be suspended and you will not be able to collect any more data. Please close out your ARTAS or submit a renewal application.

Research Misconduct

Responsible Conduct of Research (RCR)

Tax management, acquisition, storing and ownership, Health Insurance Portability and Accountability Act (HIPAA)

Please contact research-compliance@memphis.edu with any questions about meeting these requirements.

WHAT'S NEXT!
TALKS & TRAINING

AUG 31 6:00-8 PM
RT Emerging Tech Training Day
Analyze & Presentation Key Skills

AUG 31 7:00-8 PM
RT Emerging Tech Training "R"
Data Science Programming

AUG 31 7:30-8 PM
RT Emerging Tech Training
Data Science Applications Overview

AUG 19-20/ 8:30 AM-3:30 PM
RT Emerging Tech Training Hands-on
Data Science Applications

AUG 24-25 / 8 AM-3:30 PM
RT Emerging Tech Training
Machine Learning Overview

AUG 26/ 2-3 PM
RT Blockchain/NFT/Web 3.0
Overview Training Session
Blockchain Technology Overview
