Research Security Certification Form

The Lead Principal Investigator (PI) must provide the name and email address for all Senior and Key personnel who are responsible for the design, conduct or reporting of this research. All named individuals must have completed the Research Security training course at citiprogram.org.

All covered individuals named below must have completed such Research Security Training within 12 months prior to proposal submission or within 30 days of being added to the project. If you need to confirm Certification Completion Date(s), please email researchcompliance@memphis.edu.

If there are any personnel changes, PI is responsible for completing and submitting a revised form.

☐ **No other project personnel are responsible for the design, conduct, or reporting of research (PI Only).**
