

Preproposal Template--ADVANCE: Organizational Change for Gender Equity in STEM Academic Professions ([NSF 19-552](#))

Instructions:

Submit this document to ResearchDev@memphis.edu no later than midnight on April 15, 2019. All preproposals will be reviewed in accordance with the [Limited Submission Process](#).

1) Project Synopsis (2500-character maximum): Provide a description of the proposed project. Indicate if you are interested in the Adaptation, Partnership, or Catalyst track.

2) List key project personnel with a brief description of their proposed roles. For the **Partnership** track; list partner organizations with a brief description of the organization's role in the project.
