VENDOR INFO 2019

WHY PARTICIPATE AS A VENDOR DURING THE CHOOSING TRANSPORTATION SUMMIT?

You will reach several audiences in one day! In addition to industry professionals, you will meet University of Memphis undergraduate and graduate students, students from other Mid-South universities and colleges, AND select high school students interested in the transportation industry. Share your passion for the industry with the next generation and help students learn about career opportunities within your organization and training and education requirements.

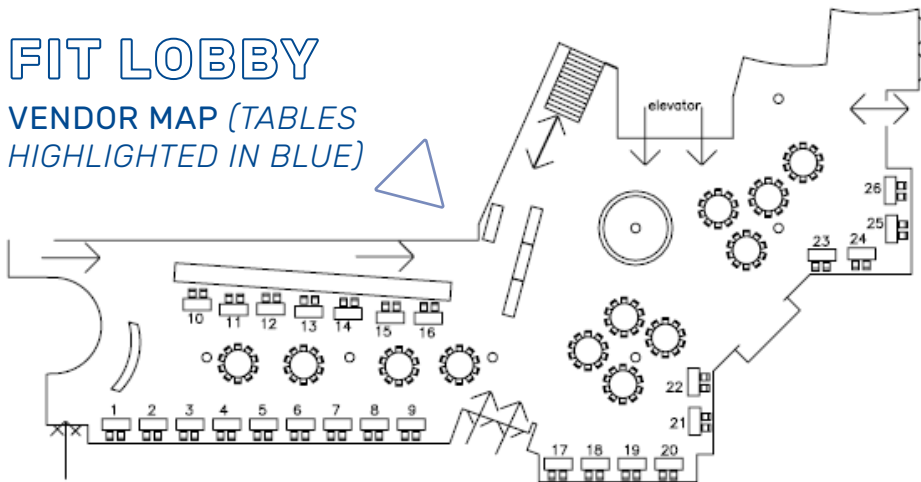

Don't miss this opportunity to connect with industry leaders and the next generation of the transportation workforce!
