

PANELIST SPOTLIGHT

Scarlet Ponder - Transit Planner, MATA

Q Why do you love the transportation industry?

A I love the transportation industry because there is always a new challenge, and I get to make a tangible impact on the city that can improve the lives of thousands of people.

Q What was your favorite class in high school?

A My favorite classes in high school were language arts and theatre.

Q What is your hobby or interest outside of work?

A Outside of work I love swing dancing and road trips.
