Ben Bishop, a sophomore from Middleton, Tennessee, is a Pre-Nursing Major at U of M Lambuth. He is a member of the Lambuth Wesley Foundation's Executive board, and he is involved in a membership capacity with a number of other Registered Student Organizations.

His favorite thing about the U of M Lambuth Campus is the availability of the staff, as well as the small campus feel. Attending the U of M Lambuth Campus, he feels, is among one of the best decisions he has ever made.
