An Act/Resolution to Remodel the Smaller Restrooms on the First Floor of the University Center

WHEREAS, there are limited restroom options for those who require a single stall restroom, such as students with children, the physically disabled, and some members of the LGBTQ community, AND

WHEREAS, the restrooms on the first floor of the University Center (across from Dunkin' Donuts) have been determined by this committee to be the optimal site for single-stall restrooms

BE IT ENACTED BY THE 68TH GENERAL ASSEMBLY OF THE STUDENT GOVERNMENT ASSOCIATION:

Section 1: The two restrooms on the first floor of the University Center (across from Dunkin' Donuts) shall be renovated into single-stall restrooms.

Section 2: Bathroom modifications shall include: the installation of door locks, handicap-accessible door switches, new restroom signs labeling the restrooms as handicap-accessible and gender-neutral, and the removal of all toilets and urinals, including the stalls surrounding them, except for the largest stall.

Section 3: Diaper changing stations, whether they are preexisting or not, shall be placed in the area where the stalls mentioned in Section 2 once were, including sanitizing wipes.

Section 4: The costs associated with this Act shall include: the costs associated with the door alterations, the removal of stalls, the cost and installation of diaper changing stations, and any labor required for these renovations. The Student Government Association shall not provide any of these funds.

Section 5: Renovations should begin in a reasonable amount of time, not to exceed one year from the passing of this bill.
