Job description

Licensed Therapist

Grace Land Recovery is looking to fill a position for a full-time 40 hours per week Licensed Mental Health Therapist. Qualifications include: LPC, LMFT or LCSW with at least 1-2 years experience working with those suffering from Substance Use Disorder and Mental health issues. If you are waiting to test and or a MSW please apply as well.

The Therapist will provide culturally competent direct services in the areas of individual therapy and group facilitation, including assessments, crisis intervention and on-going therapy to clients in our care at our Outpatient Substance Abuse and Mental Health Treatment Center. This service is designed to meet the specific needs of the identified client and is provided in an office setting. Services are provided with client-centered approach and are delivered through intensive, time-limited, goal specific interventions. Flexibility for this position is required as appointments may be scheduled in the evenings during operating hours. Applicant must be able to document appropriate clinical information in medical record in a timely manner through our EMR system.

Job duties include, but are not limited to:

- Individual Therapy and Treatment Planning
- Group Therapy/Facilitation
- Documentation through EMR System
- Crisis Intervention
- Usage of an array of treatment modalities
- Discharge Planning
- Continued Education as it applies to Licensing and Certifications

Benefits include:
- Paid sick days
- Paid Vacation

Must clear background check, drug screening, education verification, and have a valid driver's license with a clean motor vehicle report.

Drug screen and criminal records check is required prior to hire.
