Meeting Participants!

We are so excited about your interest in joining us for a meeting of the Coalition of Black Social Workers – the University of Memphis Chapter.

The meeting will be full on valuable information applicable to your interest. We are thrilled that you are attending and want provide information on how to engage.

For the meeting: Please try to arrive a few minutes early as the meeting will start promptly at the scheduled time. Professionalism is important as we are a registered student organization at the University of Memphis. To ensure privacy and confidentiality, you will be notified if the meeting is recorded.

Tips for the meeting:
- Log in a few minutes early to be sure your computer has the correct software to run the Zoom meeting.
- Please use your full name when prompted for your name. This is how we will know who is in attendance.
- Put yourself on mute. We will be able to mute you on our end also. This will cut down on background noise.
- Participation is important. To ask a question you will have 2 options:
  o Ask it in the chat - we will be monitoring this and will be responding as much as possible
  o Save your question for the Q&A period at the end, and you will be able to unmute yourself and ask the question during the Q&A
- There will be an automatic survey at the end of each training; sent via email. In the future, we hope to offer continuing education credit for CBSW-UM sponsored events. You must fill out the survey to receive continuing education credit.
- Many social work instructors offer extra credit or volunteer hours with confirmation of participation.

As a reminder, all times are in Central Time zone.

Please find the Zoom information for the training below.
