

Intern Placement Tracking (IPT) Instructions for Students

School of Social Work

Introduction

The Intern Placement Tracking (IPT) system is a web-based practicum monitoring system designed to keep track of students placed in internship programs with various agencies. The University of Memphis School of Social Work implemented IPT in order to more effectively track student placements. IPT also provides a paperless solution for tracking and archiving online field forms.

Getting Started: Logging In

- The IPT database is how you will complete everything for your practicum. The following is a brief introduction on how to access this database.
- **Log In Information:**
The IPT website is online at: www.runipt.com.
- Once you access the webpage, there are three fields that must be completed. The fields are case sensitive. For U of M Social Work students, field liaisons, field instructors, and agencies, the organization ID will always be: Organization ID: memphis
- User Name and Password will be provided to you via email by your field coordinator.

Changing Username and Password

- IPT-Web accounts are automatically created for each agency, supervisor, and student as they are added to the database. These accounts are assigned a default username and password that must be used to log into the account for the first time.
- After you create your own password, the default will no longer work. You must use the new username and password for any future access. If you forget the username and/or password they created, the field coordinators can reset your password to the default and you can login with the default again and repeat the above first time login process.

After you change your password, it will take you to the homepage. This is the screen you will see every time you log into IPT. There will be different messages/reminders on the home page for students.

- Just below the Emergency Contact information fields is the Agency Preferences section. The agency preferences allow you to do some preliminary research on agencies where you think may be a good fit for your practicum in your final year.
- Once you select your preferences, you have the ability to rank them in order from 1 to 3 or delete a preference using the commands to the right. Students **should not** contact any agency inquiring about placement opportunities until after first meeting with the field coordinators to discuss the placement process and your practicum interests.
- **Setting Up Agency Preferences:**
- At the bottom of any Agency Detail page is a link Add Preference. By clicking this link, your Student Detail page will be populated with this agency as one of your preferences. When you meet with field faculty these agencies will be available for viewing as a starting point for discussions for your practicum placement and assists the field coordinators with the placement process.

Forms

- Forms are online documents that allow students, field instructors, and the field liaisons to complete fieldwork materials electronically rather than in hardcopy form. Several forms will be generated through IPT and it is each user's responsibility to complete their portion of a Form in a timely manner.
- **Currently, the only forms generated via the IPT system are the Learning Agreement/Plan, Time Log, Liaison Visit, Problem in Field Form, and Final Evaluation.**
- **Notifications of when forms are generated are sent via email so it is very important that you keep your email address up to date.**
- **It is the student, liaison and field instructor's responsibility to complete all forms by the scheduled deadlines.**

Forms

- To access or view a scheduled Form, click on My Forms link on the left hand side of your home page Click on the link to access your Online Form List.

Forms

- Each scheduled Form will be listed along with information regarding the progress of the Form. Here you will find a variety of summary information for each form including the name of the form, the student name, the status of the Form (whether it is new, active, or complete), whose action is needed (Students, Supervisor, or Field Liaison), and the due date for when the Form should be completed.
- To complete your portion, click on the View link on the left-hand side of the page. This will bring up the Form along with required fields for you to fill out. After filling out the Form, you must electronically sign the document by typing your name. Because IPT is a password protected site, meaning only you know your user name and password, your electronic signature constitutes a legally binding document.
- **Once a form has been signed, if changes need to be made you will need to email the field coordinator to request the signature be cleared.**
