Sherry Crone was asked to give a report from the budget hearings, which she attended on behalf of the Staff Senate. Enrollment is looking good.

**6. Old Business**

The Health Center is again seeing Faculty and Staff, but will not see any Workman Compensation injuries. Anyone with a Workman Compensation claim should contact Patricia Ehrlich in Human Resources. The question was raised to whether the Health Center see Graduate students.

## **7. New Business**

A question was raised concerning a Clean Campus Campaign, as to whether or not the University would have one like they had once before. Pam Cash informed the group that Calvin Strong, Physical Plant, is constructing such a group through the Business and Finance Focus for Excellence Program. There should be information out on the subject in the next few months.

**8. June Minutes approved. 9. Meeting adjourned. Next meeting August 19, 1999.**
