

Me and my child! Look at how far we have come! Now she is a beautiful young lady.

I'm proud of my daughter. She graduated high school and she's on her way to college. I'm proud of her cause I didn't graduate high school and I sure didn't go to college. Where I graduated was off the streets. That's my game. So I'm glad she got more educational sense than street.

My New Life

What is next?

1. Finish high school diploma.
2. Get married to my boo.
3. Move in a house and have beautiful baby boy.
