

*My greatest accomplishment is that I'm here today. And I'm just happy about that.*

*Growing up with this virus would make me feel different. I would look in the mirror and not like myself. But now I love myself and I live happy the best way I can.*

*The cards that I was dealt; brutal cards but you know, just keep it movin' and look to the hills and keep going. That's what I've been having to do my whole life. You'll make it.*
