Residency Schedule

Residency I

School Site

- In-service Week (Dates Vary)
- First Week (Dates Vary)
- Entire Semester - Attend placement on W/Th
- Attend Seminar on Friday

Residency II

- You will return to sites - January 6, 2025.
- You attend assigned school every day of the placement for the entire teacher workday, including: faculty meetings, PTA meetings, parent-teacher conferences and other assigned duties.

LESSON PLANS

Residency I

You will have the primary responsibility for co-planning, writing, implementing, and assessing lessons through the semester. Lesson plans should be submitted in the UofM format two teaching days prior to teaching the lesson.

- First seven weeks:
 - one (1) MT/CS co-evaluation
- Final eight weeks:
 - two (2) formal evaluations
 - two (2) different lessons per week
- Semester-long expectations:
 - teach/co-teach with the mentor teacher.
 - use the detailed lesson plan format.

Residency II

You will complete EdTPA and have formal evaluations that require detailed plans, but you will be allowed to use shorter lesson plan formats when the mentor teacher and supervisor agree. Lesson plans should be submitted in the UofM format **two teaching days prior to teaching the lesson.**

Semester-long expectations:

- four (4) formal evaluations
- teach/co-teach every day with the mentor teacher.

EVALUATIONS

Pre-Conference

Clinical Supervisors will conduct a pre-conference prior to the evaluated lesson to discuss information about the lesson plan and students (accommodations, engaged learning activities, assessments, etc.) as well as address any areas of concern. The pre-conference with the mentor will be completed in conjunction with the co-planning of the lesson.

Post-Conference

Either the mentor teacher or the clinical supervisor will conduct post-conferences after each evaluated lesson. The purpose of the post-conference is to provide candidates with the opportunity to reflect on their teaching and identify areas of strength and improvement.

Lesson Reflections

After each formal evaluation, the candidate will respond to the lesson reflection prompts and share the reflection and a copy of the evaluated lesson plan with their clinical supervisor by the beginning of the next school day.

SEMESTER-SPECIFIC REQUIREMENTS

Residency I- Observations

- You will need to observe four different teachers using the form titled "Observation of Teaching."
- You will need to work together with your mentor teacher to determine when and who will be observed.
- The "Observation of Teaching" forms must be uploaded to your portfolio.

Residency II- edTPA

- Residency II candidates will complete the Teacher Performance Assessment (edTPA) in accordance with the TN State Department of Education licensure requirements.
- Candidates are required to send home a consent form titled, "Notification of Teacher Candidate Assessment" to all K-12 students involved in the learning segment. All consent forms should be scanned and submitted with the electronic portfolio.
- Additional information about the edTPA and consent forms will be addressed in the seminar.

GoReact and Assessment System

- GoReact is the system that you will upload video of your teaching to be assessed by your supervisor and mentor teacher.
- Mentor teachers and supervisors will evaluate your performance using the rubrics in the assessment system.
